Keep The Tax!

The controversial city income tax will appear on the ballot again Tuesday for the fourth time.

For the last three years The Review has supported the tax as the fairest and most logical way to meet our municipal financial needs. And for the last three years the issue has taken a beating at the polls despite what we felt was a strong presentation of the case both by this newspaper and by many others genuinely interested in the community's future.

This year we feel no less strongly that the tax is still most vital to the over-all welfare. East Liverpool not only must be ready to meet current problems, but must be in a position to plan for the future. Neither can be done without adequate revenue.

ARGUMENTS HAVE raged pro and con since the tax first was adopted in 1958. Some have made sense, some haven't. But no matter how often and from what direction the various viewpoints are examined, the matter boils down to this:

With the city income tax, services essential for a properly-operated municipality can be offered to the people, long-needed improvements can be launched and a progressive attitude can prevail.

Without the tax, the municipal picture would be one of curtailment — a reduced operation, including probable layoffs—plus a general feeling of stagnancy.

It is difficult to understand how any civic-minded person could choose the latter. To be progressive is our only hope. To merely stand still is an invitation to economic decay.

With expressions from "Letters To The Editor" and from personal conversations fresh in mind, we take the case directly to the people—the butcher, the baker, the industrialist, the preacher, the shoe cobbler, the ditch-digger, the bartender, the merchant, the housewife—in short, to every person who is an important part of East Liverpool.

WE'RE ALL WORKING men and working women regardless of the size of the check we receive on pay day. And, as working men and women, we're all linked closely with the progress of the community which affords us an opportunity to make a living. There's no class distinction of any kind when it comes to working for the community which one loves.

Let's cast aside the bickering over inconsequential matters which mean little in the over-all scheme of things and kick negative thinking out the window. Quit criticizing when criticism is not called for.

The city income tax is not a political issue. It is an instrument of common good for the community as a whole. It is a means by which we can move ahead. Without it we will remain bogged down in the same mire of narrow thinking that has persisted too long.

RECENTLY, THE city was accused by a nationally-known newscaster of being asleep at the switch. Whether justified or not, the criticism reached the ears of many throughout the nation. They accepted the words as gospel without thought and in many cases asked: "What's wrong with East Liverpool?"

How satisfying it would be if the national news services carried on Wednesday's wires a story to the effect that the civic-minded people of East Liverpool, Ohio, passed by a wide margin an income tax needed to assure essential services. What a mark of distinction it would be to the "man in the street". And it would indicate quite forcefully that there's nothing wrong with East Liverpool.

The cry has been, "Let the people speak!" Well and good. They have spoken three times and the result has been disappointing to those anxious to move ahead.

So let's speak in a different manner Tuesday. Vote against repeal of the city income tax and give the community the opportunity it deserves.

The burden is on you, and you and you—the people—no one else!

Warm Weather Due To Hike Turnout At 165 Polling Places

Sunny, warm weather is scheduled Tuesday, a factor that may boost the voter turnout in East Liverpool and Columbiana County for the election of city, village, township and school district officials.

Forty special questions and issues, including four proposed amendments to the Ohio Constitution and two countywide levies, will be decided in the off-year balloting.

East Liverpool will name city officials for two-year terms and decide whether to retain a municipal income tax that has been in effect since January.

As an aid to the electorate, the Ohio weatherman promised Tuesday will be sunny and a little warmer.

Columbiana County's vote is expected to hit about 30,000, including an estimated 7,000 to 7,500 in East Liverpool.

Columbiana County's 165 precinct polling places will open at 6:30 a. m. and close at 6:30 p. m.

Thief Obtains $300 In Coins

Parked Car Looted At Bus Terminal

Police pressed a search today for a thief who took $300 in change after breaking into the parked auto of a vending machine company Saturday night about 6:15 at the Bus Terminal.

They money, all in rolled coins, was stolen from a car owned by Hune, Inc., 237 W. 8th St., which had been parked at the terminal by an employe, Melvin Lockhart, officers said.

Lockhart said he parked the vehicle at 6:15, went into the terminal and then entered the Dixie Diner at E. 5th and Walnut Sts. He said he was gone a total of about 22 minutes. When he returned, he found a thief had smashed a window in the door on the driver's side and took a box containing the change, plus some assorted tools. Lockhart said.

The money included 60 rolls of five-cent pieces, 30 rolls of dimes and 15 rolls of quarters, he told police.

In the second burglary within a week, about $25 was stolen Sunday night or early today from Smith's Bakery, 605 St. Clair Ave., police said.

You Can Survive Atomic Attack

Knowing What To Do Increases Your Chances 100 Times

By PROF. WILLARD F. LIBBY

For $30, I built a fallout shelter in my backyard.

It gives my family 100 times more chance of surviving nuclear fallout than if I had done nothing.

This poor man's shelter is just one example of many practical things you can do — and especially know about — for survival insurance if all efforts to keep peace fail.

—:—

THE KEY to survival is understanding the hazards, the effects of nuclear weapons, so you can make intelligent decisions and take intelligent action.

The smart man has 100 times more chance than the man who doesn't know what to expect or to do.

Prof. Willard F. Libby, a Nobel prize winner who is America's best known authority on fallout and radiation, has written 15 vital articles on what you can do if nuclear war strikes. This is the first.

In addition to reading Prof. Libby's series, you may obtain his booklet on the subject for 50 cents by using the coupon which appears with each article.

Ignorance can kill, just as it kills the little child who runs in front of an automobile. You can save your life easily.

Do you know, for example, that:

Even if a bomb exploded nearby, you would have an hour or longer to take or prepare shelter before the fallout arrived?

Forty-eight hours after radioactive fallout comes down, it is only 1 per cent as "hot" or dangerous as when it fell?

Fallout is one of the biggest potential killers in nuclear weapons?

By this fallout, I don't mean the relatively small amount coming from high air bursts of nuclear tests. I mean the thousands of tons of radioactive dirt and materials vaporized and made radioactive by a great burst near or on the ground.

—:—

THIS FALLOUT behaves like ordinary dust, except it is "hot." There are ways to clean up, brush or wash away this radioactive dust.

You could build a $30,000 shelter, and yet allow fallout to get in unless you knew what you were doing.

Fallout will not mean the end of all life on earth, even if hundreds of bombs were exploded.

All these are facts. They and other facts answer "Yes" to the many questions people are asking, which all add up to this: "Is there really anything we can do?"

I cannot tell you there is a simple, cheap way to protect yourself if you are in the very center of a target when it receives a direct hit.

But millions of us will not be there.

And many thousands near the center of destruction could survive, with knowledge and protection.

First, let us assume you are caught in the most defenseless position — out in the open with no warning an attack is coming.

The first sign is a tremendous

State Patrol Grabs Man And $5,000

Robber Remains Unidentified After His Speedy Arrest

A man dressed in a tan topcoat and tan cap, holding a box with four sticks of dynamite which he threatened to detonate, held up the Farmers National Bank at Hanoverton this morning shortly after 10 and was apparently captured by Ohio Highway Patrolmen near Alliance by 11:25.

The patrol at Massillon reported one of their cruisers had apprehended a man in a car described as the get-away vehicle on Route 80.

The sheriff's office at Lisbon reported shortly before noon that the suspect had confessed the robbery. Deputies said the money taken amounted to about $5,000.

The man had a large amount of money, and dynamite in the auto, officers said. He was not identified immediately.

The man, described as between 50 and 60, went around inside the bank with Lee Bowman, manager, and forced the three women employes to place cash in a paper sack.

A pistol was stuck in his belt, witnesses said, and he held the box of dynamite from which two wires extended, threatening to detonate the explosive.

The bank employes were ordered into the vault, but the robber did not lock it.

Sheriff Russell VanFossan was notified as soon as the bandit left. He ordered a police net thrown up throughout the area.

The robber entered the building about 10:10 and was last seen heading north toward Salem.

Employes said he walked out the front door and went around to the back of the building.

The bandit got two cash drawers of money, Bowman said, and the loss could not immediately be determined.

The man was described 5 feet 8 as heavy with a round face. He did not wear a mask. He was reported driving a dark blue 1961 Chevrolet with the back license plate covered with tape.

The bank employes said he was in the building only about five minutes. They said he had a southern accent.

Sheriff's deputies, the Ohio Highway Patrol and various municipal police joined in on the hunt. Wellsville police dispatched a cruiser out Route 39 to aid.

Emphasis On A-Tests

Kennedy, Nehru Open Vital Talks

NEWPORT, R.I. (AP) — Presideny Kennedy and Prime Minister Nehru of India meet today to begin discussions of problems the world over, with heavy emphasis expected to be put on nuclear tests.

Nehru has called the latest series of Soviet nuclear tests "an evil thing."

Kennedy last week set in motion preparations for U.S. tests in the atmosphere. He said this country will conduct explosions in the air if an evaluation of the Soviet Union's shots indicates that U.S. tests are necessary for the security of this country and the free world.

Kennedy arranged to greet Nehru upon his morning arrival at Quonset Point Naval Air Station from New York. Nehru flew into New York Sunday after a stopover in London where he talked with Prime Minister Harold Macmillan.

Nehru is expected to press Kennedy for a moratorium on nuclear testing. In New York Sunday night he reiterated his position that the important thing is to stop all tests now without waiting for a treaty "with inspection and controls and all that."

The American and Indian positions also are diametrically opposed on the question of admission of Red China to the United Nations.

Soviets Warn U.S., Allies On 'A' Tests

Claim Continuance May Compel Them To Prolong Theirs

MOSCOW (AP) — The Soviets have issued a veiled warning that further nuclear testing by the United States and its allies may compel the Soviet Union to prolong its program of tests, still numerically behind the West.

President Kennedy's announcement last Thursday that the United States is getting ready for possible resumption of atmospheric tests was the target of a statement issued Sunday by the official Soviet news agency Tass.

"The statement by the United States president does not meet half way the desires of those who are sincerely pressing for an end to the nuclear arms race," Tass said. "To the underground tests of nuclear weapons which are already being staged in the United States, nuclear tests in the atmosphere are to be added as soon as the U.S. government regards this as necessary.

"In the case of continuation of nuclear tests by the United States of America and its allies, all the more in the case of resumption of American nuclear tests to the atmosphere, the other side will watch these military preparations, primarily the steps in improving nuclear weapons, because it cannot permit the occurrence of such a situation in which the interests of its security would not be reliably ensured.

"This other side again will have to draw the appropriate conclu-

School Merger Fight Ruling Awaited Today

LISBON — Common Pleas Judge Raymond S. Buzzard is expected to rule this afternoon in the litigation over the consolidation of Franklin Local School District with the former Southern Local District by the County Board of Education.

Closing arguments were being heard this morning in the mandamus action against the board. The two districts were merged Aug. 15. Fred Johnson of Summitville, representing a citizens' group which favors merger of Franklin with East, Fox and Augusta Districts in Carroll County, brought the action for an election in the Franklin area.

Judge Buzzard said he would study his notes before issuing a ruling after hearing the closing remarks from both sides. Prosecutor G. William Brokaw is representing the County Board of Education.

Thief Obtains $300 In Coins

Parked Car Looted At Bus Terminal

Police pressed a search today for a thief who took $300 in change after breaking into the parked auto of a vending machine company Saturday night about 6:15 at the Bus Terminal.

They money, all in rolled coins, was stolen from a car owned by Hune, Inc., 237 W. 8th St., which had been parked at the terminal by an employe, Melvin Lockhart, officers said.

Lockhart said he parked the vehicle at 6:15, went into the terminal and then entered the Dixie Diner at E. 5th and Walnut Sts. He said he was gone a total of about 22 minutes. When he returned, he found a thief had smashed a window in the door on the driver's side and took a box containing the change, plus some assorted tools. Lockhart said.

The money included 60 rolls of five-cent pieces, 30 rolls of dimes and 15 rolls of quarters, he told police.

In the second burglary within a week, about $25 was stolen Sunday night or early today from Smith's Bakery, 605 St. Clair Ave., police said.

Emphasis On A-Tests

Kennedy, Nehru Open Vital Talks

NEWPORT, R.I. (AP) — Presideny Kennedy and Prime Minister Nehru of India meet today to begin discussions of problems the world over, with heavy emphasis expected to be put on nuclear tests.

Nehru has called the latest series of Soviet nuclear tests "an evil thing."

Kennedy last week set in motion preparations for U.S. tests in the atmosphere. He said this country will conduct explosions in the air if an evaluation of the Soviet Union's shots indicates that U.S. tests are necessary for the security of this country and the free world.

Kennedy arranged to greet Nehru upon his morning arrival at Quonset Point Naval Air Station from New York. Nehru flew into New York Sunday after a stopover in London where he talked with Prime Minister Harold Macmillan.

Nehru is expected to press Kennedy for a moratorium on nuclear testing. In New York Sunday night he reiterated his position that the important thing is to stop all tests now without waiting for a treaty "with inspection and controls and all that."

The American and Indian positions also are diametrically opposed on the question of admission of Red China to the United Nations.

Soviets Warn U.S., Allies On 'A' Tests

Claim Continuance May Compel Them To Prolong Theirs

MOSCOW (AP) — The Soviets have issued a veiled warning that further nuclear testing by the United States and its allies may compel the Soviet Union to prolong its program of tests, still numerically behind the West.

President Kennedy's announcement last Thursday that the United States is getting ready for possible resumption of atmospheric tests was the target of a statement issued Sunday by the official Soviet news agency Tass.

"The statement by the United States president does not meet half way the desires of those who are sincerely pressing for an end to the nuclear arms race," Tass said. "To the underground tests of nuclear weapons which are already being staged in the United States, nuclear tests in the atmosphere are to be added as soon as the U.S. government regards this as necessary.

"In the case of continuation of nuclear tests by the United States of America and its allies, all the more in the case of resumption of American nuclear tests to the atmosphere, the other side will watch these military preparations, primarily the steps in improving nuclear weapons, because it cannot permit the occurrence of such a situation in which the interests of its security would not be reliably ensured.

"This other side again will have to draw the appropriate conclu-

First Program's Tonight

14 City Schools Prepare To Mark Education Week

American Education Week will be observed in the city's 14 schools this week, beginning with a program tonight at East Junior High School.

Using the theme, "Your Schools: Time for a Progress Report," the observances in the individual programs range from special programs on certain days to invitations for classroom visitations any day during the week.

Parents of East Junior High students will be given an opportunity to sit in their child's classes tonight. Classes will begin at 7 and be 15 minutes long, with each teacher discussing his course and conducting a question and answer session.

Students' work will be on display in each room, visual education equipment will be displayed and boys and girls will stage a physical education demonstration between 6:30 and 7.

With the exception of students participating in the demonstra-

School Merger Fight Ruling Awaited Today

LISBON — Common Pleas Judge Raymond S. Buzzard is expected to rule this afternoon in the litigation over the consolidation of Franklin Local School District with the former Southern Local District by the County Board of Education.

Closing arguments were being heard this morning in the mandamus action against the board. The two districts were merged Aug. 15. Fred Johnson of Summitville, representing a citizens' group which favors merger of Franklin with East, Fox and Augusta Districts in Carroll County, brought the action for an election in the Franklin area.

Judge Buzzard said he would study his notes before issuing a ruling after hearing the closing remarks from both sides. Prosecutor G. William Brokaw is representing the County Board of Education.

Notice! Members of Odd Fellows Lodge 379, and Ceramic Rebecca Lodge 286 will meet at the hall tonight, 6:45 p. m. to attend funeral services for brother Frank Given. By order of Nobel Grand. —Ad.

tion, other children will not be in attendance.

Classroom visits on Tuesday afternoon are being stressed at Neville, where dismissal is planned for 2:45 p. m. so the monthly Parent-Teacher Association meeting can be held. Following the meeting, the teachers will serve refreshments.

Tuesday visits also are being stressed at Lincoln but parents may attend any day. There will be bulletin board displays and exhibits of various projects and work of the students.

Special exhibits will be on display at McKinley, where parents are urged to attend the morning session on Wednesday.

Teas are planned Wednesday at the Glenmoor and LaCroft buildings, while Horace Mann, Pleasant Heights, Taft and Westgate Junior High also have scheduled programs.

Mrs. Edward House, chairwoman of the homeroom mothers' committee of the PTA, will be in charge f the tea at Glenmoor, and Mrs. Jack Poole, hospitality chairwoman, will be in charge at LaCroft.

Classroom procedure will be followed at Horace Mann. Fourth graders will present a musical, "Moving West," while the fifth and sixth grades will give a play, "Eddie Gets Even." The school choir will sing several selections. Art work, written work, English displays and sandtable art will be exhibited.

Parents are urged to visit Pleasant Heights building at 1 p. m. Wednesday. Work will be on display in each room. The newly-organized Mothers' Club will meet at 2:30 p. m.

Projects, activities and students' work will be displayed at Taft, where parents have been given special invitations to attend on Wednesday.

Parents of Westgate Junior High pupils have been invited to meet at 7 p. m. Wednesday in the auditorium, where they will receive class schedules and be given an opportunity to meet each teacher their child meets.

No special programs have been planned for Westgate elementary, Klondyke or the high school, but parents have been urged to visit classes and confer with teachers.

Parents of high school students have received letters showing the times the various teachers will be free from classes to meet with parents.

Man Given Term In Drunk Driving

An East End motorist was fined and jailed today after pleading "no contest" in Municipal Court to a drunk driving charge filed by police after his arrest over the week end.

Robert Earl Atkins, 23, of 1541 Globe St. drew a fine of $100 and costs and three days in jail from Acting Judge Paul Tobin.

He also was fined $10 and costs with the fine suspended on a charge of illegal registration, to which he pleaded guilty.

Police said Atkins was arrested at 1:19 a. m. Saturday at Pennsylvania and Dewey Aves.

Cadillac

What a difference a year makes!

If anyone had told him, a short while ago, that his 1961 Cadillac could be improved on—he would have regarded them with disbelief.

And yet, after only half an hour in the newest "car of cars", he knows that a year of Cadillac progress has made a world of difference.

In fact, the list of Cadillac advancements for 1962 embraces each of the great motoring virtues.

For added *beauty*, there is a lower, longer silhouette . . . greater simplicity and dignity of line . . . and new interior elegance and luxury.

For improved *comfort*, there is increased spaciousness . . . new convenience of appointments . . . and a ride that is unbelievably quiet and smooth.

For finer *performance*, there is greater power . . . more responsive handling . . . and a degree of all-around road ableness that is new even to Cadillac.

For increased *safety*, there is a new dual braking system . . . a new three-phase rear warning light system . . . and new cornering lights that illuminate your way around turns.

And we would *like* to say that even Cadillac quality has been enhanced for 1962. But the truth is simply that the car *continues* to be built to the highest standards that can be brought to the production of an automobile.

Stop by your dealer's showroom soon, won't you? He'll be happy to demonstrate to you what a difference a year can make—when the year is this one and the car is Cadillac.

Hostess Discovers Visitor Well-Informed

CHARLOTTESVILLE, Va. (AP) — Mrs. Edwin Betts, official hostess at the University of Virginia's famed Rotunda, regularly tells visitors of the great fire that destroyed the building in 1895.

Dr. James B. Bullitt, of Chapel Hill, N. C., turned out to know more about it than she did. He was a student from 1895 to 1899 and helped save a statue of Thomas Jefferson from the flames.

Program Set On Education

tion, other children will not be in attendance.

Classroom visits on Tuesday afternoon are being stressed at Neville, where dismissal is planned for 2:45 p. m. so the monthly Parent-Teacher Association meeting can be held. Following the meeting, the teachers will serve refreshments.

Tuesday visits also are being stressed at Lincoln but parents may attend any day. There will be bulletin board displays and exhibits of various projects and work of the students.

Special exhibits will be on display at McKinley, where parents are urged to attend the morning session on Wednesday.

Teas are planned Wednesday at the Glenmoor and LaCroft buildings, while Horace Mann, Pleasant Heights, Taft and Westgate Junior High also have scheduled programs.

Mrs. Edward House, chairwoman of the homeroom mothers' committee of the PTA, will be in charge f the tea at Glenmoor, and Mrs. Jack Poole, hospitality chairwoman, will be in charge at LaCroft.

Classroom procedure will be followed at Horace Mann. Fourth graders will present a musical, "Moving West," while the fifth and sixth grades will give a play, "Eddie Gets Even." The school choir will sing several selections. Art work, written work, English displays and sandtable art will be exhibited.

Parents are urged to visit Pleasant Heights building at 1 p. m. Wednesday. Work will be on display in each room. The newly-organized Mothers' Club will meet at 2:30 p. m.

Projects, activities and students' work will be displayed at Taft, where parents have been given special invitations to attend on Wednesday.

Parents of Westgate Junior High pupils have been invited to meet at 7 p. m. Wednesday in the auditorium, where they will receive class schedules and be given an opportunity to meet each teacher their child meets.

No special programs have been planned for Westgate elementary, Klondyke or the high school, but parents have been urged to visit classes and confer with teachers.

Parents of high school students have received letters showing the times the various teachers will be free from classes to meet with parents.

Man Given Term In Drunk Driving

An East End motorist was fined and jailed today after pleading "no contest" in Municipal Court to a drunk driving charge filed by police after his arrest over the week end.

Robert Earl Atkins, 23, of 1541 Globe St. drew a fine of $100 and costs and three days in jail from Acting Judge Paul Tobin.

He also was fined $10 and costs with the fine suspended on a charge of illegal registration, to which he pleaded guilty.

Police said Atkins was arrested at 1:19 a. m. Saturday at Pennsylvania and Dewey Aves.

Philip Lee Bayer of Wellsville R. D. 1 forfeited a $32.50 bond on a charge of crashing a traffic signal at Dresden Ave. and Webber Way at 12:50 a. m. Saturday.

Kenneth L. Carter, 1607 Maple St., Wellsville, is scheduled for a hearing at 2 p. m. Wednesday on a speeding charge filed by the State Highway Patrol. He was cited at 6:25 p. m. Saturday on the East Liverpool - Wellsville Rd. while traveling 70 miles an hour, the patrol said.

Board Sets Meeting

LISBON — The Lisbon Board of Education will discuss the renovation of the industrial arts department at a meeting Wednesday night at 7:30. Forrest Lowry will make recommendations for new equipment. The board also will discuss what action it will take if a $350,000 bond issue fails at Tuesday's general election.

Hookstown

Fourteen attended a meeting of the Birthday Club Saturday evening at the home of Mrs. Elmer Short of Hookstown R. D. 1.

Cadillac

What a difference a year makes!

If anyone had told him, a short while ago, that his 1961 Cadillac could be improved on—he would have regarded them with disbelief.

And yet, after only half an hour in the newest "car of cars", he knows that a year of Cadillac progress has made a world of difference.

In fact, the list of Cadillac advancements for 1962 embraces each of the great motoring virtues.

For added *beauty*, there is a lower, longer silhouette . . . greater simplicity and dignity of line . . . and new interior elegance and luxury.

For improved *comfort*, there is increased spaciousness . . . new convenience of appointments . . . and a ride that is unbelievably quiet and smooth.

For finer *performance*, there is greater power . . . more responsive handling . . . and a degree of all-around road ableness that is new even to Cadillac.

For increased *safety*, there is a new dual braking system . . . a new three-phase rear warning light system . . . and new cornering lights that illuminate your way around turns.

And we would *like* to say that even Cadillac quality has been enhanced for 1962. But the truth is simply that the car *continues* to be built to the highest standards that can be brought to the production of an automobile.

Stop by your dealer's showroom soon, won't you? He'll be happy to demonstrate to you what a difference a year can make—when the year is this one and the car is Cadillac.

Vote 'Yes' On The County Home Levy

Among issues Columbiana County voters will face at the polls Tuesday is a 0.7-mill tax levy to provide funds for the operation of the County Home near Lisbon.

While some improvements have been made during 1961, the need for further improvements is just as great as it was when a home levy was defeated by the voters two years ago.

This is more than just a county matter. Pressure is being exerted on the commissioners from the state level to correct various situations at the home — by the Ohio Department of Health, the Department of Public Relations and the state fire marshal. Failure to do so could bring drastic action.

Here are some of the improvements that have been made during 1961: The second floor of the hospital — the women's floor— has been completely redecorated; new lights and a new tile floor have been installed; new doors with crash bars have been installed in the hospital and some work has been done in the boiler house.

But — as the commissioners point out— many more things remain to be done to meet the requirements of the various state agencies.

If the tax levy is approved, here are some of the things they have in mind: A complete new sewage treatment plant at an estimated cost of $15,000; covering of the water reservoir at a cost of $3,500; a state-approved fire alarm system in the main building and hospital at an estimated cost of $7,500, and the building of a new wing on the present hospital equal in size to the one being used at present at an estimated cost of $150,000 to $165,000.

If you have toured the home, you will be well aware of the need for these and other improvements. If you haven't, take our word for it — the need is there.

The commissioners issued this warning, along with their plans for the future: "There is no more money available this year and unless there is additional money voted by the people for this work there will be no funds available in 1962. In fact, the budget at the County Home probably would be cut at least 20 per cent."

Caring for the aged is one of our responsibilities as residents of Columbiana County. The Review urges the passage of the County Home tax levy.

'Unimportant?' Not On Your Life!

"Why are you bothering to run for such an unimportant post?" That was the substance of a remark made to one of the nine candidates seeking a seat on the Board of Education for the East Liverpool School District.

The question perturbed the candidate no end, as well it should.

Anyone who calls a position on the school board "unimportant" has not taken the time to give full consideration to what the position means and the responsibility that goes with it.

The Board of Education in the East Liverpool School District has supervision over physical properties with an estimated valuation of $47,379,472. More than 5,000 youngsters attend the schools which come under their control. Scarcely an "unimportant" position!

And those who run for school board are in most cases dedicated people who have the interest of the schools and the communities they serve very much at heart. It's certainly not the salary that attracts them to the board.

Board members receive $36 per year, $3 per meeting for one meeting per month as required by state law. However, the East Liverpool board generally has two meetings per month. In addition, there is committee work, such as building committees visiting schools to plan repair work, and so on.

At this salary scale, only the truly dedicated would stick out their necks for the constant criticism that goes with the office. Being a member of the Board of Education is not a bed of roses. The problems are many and the verbal attacks frequent.

The district is most fortunate in having a group of highly-regarded people running for two vacant seats this year.

In the order in which they appear on the ballot, they are: Mrs. Verna R. Stone, Judson W. Allison, Samuel W. Brown, bidding for re-election, Mrs. Nessie Dunlop, John U. Fitch, William C. Heasley, Richard T. Judge, Mrs. Ruby Lacey and Harry D. McConville.

Their willingness to run in an effort to back up their convictions has been one of the more encouraging phases of the present campaign.

You Wouldn't Think It

The scene is the next generation.

It is what critics call impressionistic, because the next generation is what anyone wants it to be. That's why people talk about it. In the next generation, they are always saying, there will be the devil to pay.

Enter: A nurse holding a new-born infant wrapped in a blanket. She looks sad. She is sixtyish. "It's another fallout victim," she sobs, showing the baby to a young associate.

"What's its trouble?" asks the associate. "The kid looks all right to me."

"Look at that face," replies nurse No. 1. "Get a load of the freak hair. I can tell 'em every time. I can tell the way they cry and the way they make a fist. This one is wired up wrong. Too much radiation back there in the last generation. This is a clear case of mixed-up genes."

"I was, too," mused the associate nurse. "They say my mother cried when she looked at me. But I feel fine. I've read somewhere they used to blame babies like me on the luck of the draw. That's the way the genes divided, they used to say when things went haywire. But I suppose you're right. If this baby is what you say it is, the fault's the fallout."

"You can bet your Florence Nightingale button it's fallout," snapped nurse No. 1. "I can remember as a student nurse hearing about it. Some ruthless Russian named Stalinschev, Krooshin, Lenikov, or something like that, was hell-bent on radiation. This is what we get for it."

"Does it happen often?" inquired the associate. "I mean oftener than it used to happen before whathisname?"

"Certainly it does!" was the answer. "That's why we call it Russian radiation, to distinguish it from all other radiations, like French radiation, British radiation and American radiation. We also have Chinese radiation, Italian radiation, Israeli radiation, Japanese radiation and radiation from that big nuclear explosion that we call sun radiation."

"I see," said the associate. "It's perfectly clear. Russian radiation is the kind that makes babies less than they should be and all other radiations are good for babies. It must have been fun being born before Russian radiation and knowing these things. I must trot along now and see how the next generation is doing in the nursery, poor little things. You just wouldn't think to look at them that they've had it. You just wouldn't, that's all."

The Once Over

New York theater man, Harry Brandt, plans $5 million showhouse with auto parking underneath. Attendants will take cars from playgoers at entrance, getting them out for them after show. It's a wonderful idea but opening-night performance of attendants and playgoers could be more exciting than performance of actors on stage.

Broadway critics should cover this situation. Possible review:

"Last night's play was dull but parking performance was unforgettable. It had high elements of drama, whodunit mysteries and musical comedy. Allowance must be made for inexperience, as the underground parking system opened cold without tryout in New Haven.

But it must be said that the attendants seemed quite amateurish and unprepared, while theatergoers who came by auto were grossly lacking in poise and direction.

Several highly dramatic interludes came when owners got the wrong car back after show. Some gave better performances in scenes of violence than any observed this season.

Most explosive scene of night came when well known playgoer who had driven new car to theater got it back and found a scratch on the fender! Few more stirring fight scenes have been seen in theater history but this reviewer cannot give the outcome as he had to leave to write review. The show will probably close shortly, but the underground car parking performance will delight all lovers of excitement, suspense and tense drama. It could run for months.

NATIONAL HORSE SHOW is pretty much lost on many people these days. We took a typical New Yorker to it and had trouble with him.

"What's that?" he asked as blue ribbon contestant was performing. "It's a horse" we said. "Stop kidding. What would a horse be doing galloping indoors?" he replied. We tried to explain and he asked "Okay. I admit it's a horse. Where's the tote-board. I don't even have the morning line."

We explained horses are used in places other than race tracks and that at a horse show they are judged for traditional usefulness and ring performance. "All I want to know is what they did last time out and who's riding," he snapped.

He asked about two horses going through paces in ring. "They are working hunters," we explained. "I thought working hunters were people bettors hunting for stable information," he said. We showed impatience. "The whole scene is too strange for me," the man continued. "There are no people here whispering. I just asked a feller what time it was and he didn't answer out of the side of his mouth, looking around to see if anybody was listening!"

Behold those UN neutrals . . .
They sit upon the fence
And aid the terrorizer
With silences intense.

II

"How awful" do they whisper
But when there is a plea
To stand in disapproval
They simply ask "Who, me?"

Broadway producers of "Look: We've Come Through," after three nights, published an ad reading "We still believe in the play. We have nothing but admiration and love for our young cast." Isn't this just saying, "Look: you're through" with deep affection? Remember when producers who really believed in their play managed to give it a chance and didn't dive into the cyclone cellar, leaving love and kisses for performers?

It's A Funny World

Pessimistic Outlook Settles Over UN

By Joseph Newman

UNITED NATIONS, "We are witnessing the decline and fall of the United Nations."

That was the view expressed by a number of seasoned diplomats as the United Nations observed its 16th anniversary.

The gloom and cynicism which settled over the world organization from the very outset of the current General Assembly could not be dispelled even during the brief interlude set aside for the anniversary celebration at U.N. headquarters.

"We will last only one or two more years," one veteran diplomat said.

His companion protested: "You are being very pessimistic."

"Not at all," replied the first. "I am being optimistic. If it lasts longer, it will be a catastrophe for humanity."

Everyone is blaming everyone else for the sorry state of affairs and the tragic-comedy which is being played in the glass house along side the East River.

The smaller countries blame the great powers, and the great powers blame each other or the "neutrals" of Africa and Asia for standing by and "fiddling" while the world is threatened with fire.

The U.N. has been a "headless" organization since the death of Secretary General Dag Hammarskjold Sept. 18, but the blame cannot be laid to that tragedy. The disorder is inherent in the new complexion of the world assembly and the men who are participating in it.

With the two great powers of East and West deadlocked on all major issues, it had been hoped that the smaller countries, now holding the balance, would have seized the opportunity to uphold the ideals and aims of the U.N. Charter.

But the smaller countries, notably those of Africa and Asia, have shown themselves unprepared or unwilling to fill the vacuum, and have engaged in the favorite U.N. pasttime of filling the halls of the U.N. with speeches leading nowhere.

In trying to be "neutral", countries of Asia and Africa have even obstructed action on a resolution which would register the great concern of the world and call on the Kremlin to halt its proposed explosion of a 50-megaton bomb.

In the words of a Western diplomat, "The neutrals add up to a zero."

In this "zero" climate the lack of effective leadership by the United States has come as a great disappointment to many West Europeans, Latin Americans and even Asians and Africans, especially those who are great admirers of Adlai Stevenson, head of the U.S. delegation.

In a U.N. Day address at San Francisco, Mr. Stevenson said: "As long as we of the United States continue as active leaders in the United Nations and continue to be faithful to our purposes, I have no fear that the organization will be turned against us."

Mr. Stevenson's powers of oratory continue to be highly esteemed but his political leadership now is being openly questioned and debated in the corridors of the U.N. Three examples are cited:

1. Lack of initiative and enterprise in mobilizing the world assembly to demand immediate suspension of nuclear testing in the atmosphere by the Soviet Union.

2. The handling of the crisis over appointment of a new secretary general.

3. The handling of the Assembly debate censuring the Union of South Africa.

On Point 1—On Sept. 1, when the Soviet Union broke the moratorium and exploded the first nuclear bomb in its current series, the United States had a golden opportunity to call an emergency session to open Sept. 19, to deal with Soviet poisoning of the atmosphere. It missed the opportunity.

The failure may not be Mr. Stevenson's. The Pentagon was reported interested in resuming testing underground. Military consideration in Washington evidently cancelled out political considerations in New York, and the United States stood by doing nothing.

When the Pentagon resumed underground testing, it compromised the U.S. position at the U.N., and neutrals seized on it to equate American testing with Soviet testing. This took the heat off the Soviet Union and transferred some of it to the United States.

On Point 2—Had the United States acted swiftly immediately after the death of Mr. Hammarskjold, many believe it could have led the Assembly to accept a successor without getting bogged down in endless negotiation and bargaining with the Soviet Union. Having failed to act at the opportune moment, the United States was drawn by the Soviet Union into the "numbers game."

Mr. Stevenson, standing on the U.N. Charter, maintained that the new secretary general himself should decide on his "cabinet" of advisers, yet he allowed himself to become involved in a debate as to whether the number should be five, as desired by the United States, or seven as now proposed by the Soviet Union.

The United States as well as the Soviet Union has now infringed to some extent on the rights and privileges hitherto enjoyed by the secretary general.

On Point 3—When the General Assembly bowed to the demands of irate Africans to censure an apartheid speech by the foreign minister of the Union of South Africa, the United States "sat on its hands" and did not participate in the vote. It thereby fell between two stools, reaping the displeasure of both parties.

Later, after the session was over, Mr. Stevenson issued a press statement reiterating American opposition to apartheid but upholding the right of free speech.

Had there been effective American leadership during the debate, the position taken by Stevenson in his press statement, largely lost to the rest of the world, might have been incorporated in a resolution which would have been more satisfactory than the one adopted.

Unfortunately, Mr. Stevenson was not present. Two American congressmen, sitting in the place of the U.S. delegation, lacked the parliamentary U.N. experience required to act in a situation of this kind.

This had led to some criticism of the general operational level of the United States mission at the U.N. and the absence of United States leaders at critical moments.

On Oct. 24, with issues over nuclear testing and selection of a new secretary general still up in the air, Mr. Stevenson was in San Francisco and Arthur Dean, the U.S. nuclear expert, was in Los Angeles, both delivering speeches, thousands of miles away from the scene of action at the U.N.

Through The Years

THIRTY YEARS AGO — Joseph T. Croxall, chemical supply distributor, nosed out James Hall, Pleasant Heights pottery worker, by 17 votes to win re-election as a member of the East Liverpool Board of Education.

Earl Herdman and his String-Breakers, an orchestra comprised of Newell musicians, was heard over radio station WNBO in Washington Pa.

TWENTY YEARS AGO — Mrs. Victor Harmon retained the presidency of the Elwood Farm Women's Club of Chester when the group met at the home of Mrs. A. R. McClain of near Congo.

Eleanor J. Mundy of Main St., a member of the 1941 class of Wellsville High School, accepted a position as stenographer in the emergency management office at Washington, D.C.

Dr. Robert W. Goodwin, son of Mr. and Mrs. Charles Goodwin of Thompson Ave., was elected a fellow of the American College of Surgeons at the group's meeting in Baltimore.

TEN YEARS AGO — For the third time, Arnold W. Devon, was elected East Liverpool mayor on the Democratic ticket.

Voters named James T. Fortiner, O. E. Hall and Vernon D. Sanford to the Board of Education.

Mayor C. C. Leatherberry, Wellsville Democrat, won a third term.

A kangaroo doe normally gives birth to only one baby, or joey, but she seems to produce with unflagging enthusiasm.

Waterspouts

Waterspouts plague the coasts of the United States and other countries, destroying property and sometimes taking lives.

But in more playful moods, these aquatic tornadoes may pick up small fish, frogs and other creatures, carry them considerable distances, and shower them down, thus giving stories of "raining frogs" some basis in fact.

In tropical seas, a twister also may suck up billions of tiny luminescent sea creatures that, at night, turn it into a pillar of light. The column wanders across the sea like a colossal ghost.

Just what is a waterspout? First of all, it is not a spout of water. Instead, it is a vortex of air, moving rapidly upward. The hot air from the surface of the sea cools as it rises. As moisture condenses into tiny droplets, the waterspout becomes visible.

Low pressure at the center of the vortex may pile up seawater as high as 10 feet under the waterspout. But if the whirling winds are very strong, they may instead hollow out a valley in the sea.

Meteorologists divide waterspouts into two categories — the dangerous, tornado - type waterspout and the milder, fair - weather waterspout.

New Skepticism

By James Marlow

Russian People 'Taken' By Leaders

WASHINGTON

The Russian people must now go through revulsion and revolution in their thinking after seeing Stalin excoriated and his body hauled from the shrine beside Lenin.

The result should be creation of a new skepticism about the absolute rightness of their Communist leadership and a softening of the party's rigid control over their minds.

But it does not follow this will mean a softening in Soviet foreign policy or any lessening of Premier Khrushchev's demands on Berlin. It should be remembered the Russians are intensely nationalistic, and have been.

So, no matter what their doubts about the wisdom of their leadership at home, they can be expected to rally around the flag when their government, Communist or otherwise, deals with foreign nations.

By propaganda, edict, repressions and reprisals, practically all Russians alive and able to read and write when Stalin died in 1953 had been conditioned into acceptance, muted or ecstatic, of his wisdom, rightness, goodness, and Communist sanctity.

Now Khrushchev and others in the leadership have revealed Stalin as a pathological monster who —by his excesses, misuse of power and self-idealization — was in effect an enemy of the people and a betrayer of the revolution.

From these belated disclosures the Russian people can draw only one conclusion: They'd been had. They had been bamboozled by Stalin and since his death—until now—by Khrushchev and others who withheld the truth from them.

They cannot avoid feeling like fools when they remember how by the millions since 1953 they stood in long lines to see the body of this man who had become as much their "little father" as any czar.

This will compel them to a more questioning and critical evaluation of the actions and pronouncements of their leadership. It demonstrates how propaganda can delude them. To this extent the revelations about Stalin are a liberalizing force. The leadership had to realize this before it permitted the denunciations.

Ironically Stalin himself had set loose the most liberalizing force of all with the broad educational system created in his lifetime. No doubt he felt strict party control could keep it in hand.

But controlling the millions of illiterate peasants he and Lenin inherited when they made their revolution stick is not the same as brainwashing an educated people, although Stalin did pretty well at it.

The more the education, the broader the intellectual class. The greater the intellectuality, the more the questioning, quietly or openly, of what the government does, particularly when government controls tend to be medieval.

Sooner or later, therefore, there had to be a loosening up in Russia. There is no reason to think it wouldn't continue.

But when nationalism gets involved—as it will in Russia's relations with other countries—emotionalism begins to affect the judgment of intellectuals and peasants alike.

For this reason it would be wishful thinking to believe a slackening of party control at home means a softening of Russian policy abroad, particularly when it involves Russia's enemy, Germany.

If anyone doubts the force of nationalism, he can look closer than Russia.

In this country there are political disagreements over domestic policies but intellectuals and non-intellectuals alike close ranks against any outside force, like Russia, when they think America's vital interests are at stake.

Khrushchev no doubt had many reasons for disenchanting Russians about Stalin.

Some obvious ones come to mind: to silence the Communist party members who criticized him for not being more like Stalin at a time when he felt he needed new methods; to rebuke the Stalinists Red Chinese who now must criticize the entire Russian Communist party, not just Khrushchev; perhaps to give the masses of the 220 million Russian people a greater sense of participation in the decisions of the Russian Communist party which numbers only 9.7 million members.

Khrushchev at this time had good reason for wanting all this. He is eager to build up Russia economically—witness his 20-year plan which he says will carry Russia ahead of the United States —and this requires new resources of energy, dedication and participation.

As times goes on Russia, in the process of building up a well-fed, prosperous and contented society, will become more conservative. It seems to be moving on that road now. But communism is still in its experimental, formative stage.

It will be years before it can be considered truly conservative. But in time it may prove to be the most conservative force in history.

Letters To The Editor

To The Voters of Stanton School District:

I should like to take this opportunity to acquaint you with some of the things that your Board of Education has done and also tell you about plans for the future.

At the present time the board is engaged in a building and remodeling program that exceeds $2,000,000. When this is completed, your school district will have educational facilities that will be superior to most, and equal to the finest in the state. This program, with the one exception, is by far the greatest ever attempted by any local or city board of education in this part of the state.

To develop this program has required an untold amount of work on the part of many persons. The Board of Education has had to assume the responsibility for all this, plus the co-ordinating of the various phases of the work. In doing this, which has involved visiting many school buildings in Ohio and Pennsylvania, they have become thoroughly familiar with building procedure, the legal aspects involved, and state requirements necessary to the successful completion of a building program.

When this program is completed it will consist, briefly, of the following:

1. Construction of the new Edison Elementary School. This has been practically completed at this time, except for landscaping, black-topping the area under the building for a playground in bad weather and developing a playground area around the building.

2. Successful completion of the ultra-modern high school, which will provide both educational and social facilities.

3. Remodeling of the present high school building in Irondale, by converting it into a modern up-to-date elementary building.

4. Raze the old elementary building in Irondale.

5. Developing the area around the new high school into one of the finest physical education and athletic plants to be found anywhere, in order to provide proper facilities for our expanded athletic and recreational program.

6. Establish kindergarten classes for all children in the district.

7. Establish an adult education program upon completion of the new high school.

I believe that you will agree that this is a terrific responsibility, far greater than perhaps most of us realize. While this program is well under way, there is a vast amount of work to be done yet. Many, many important decisions are to be made. It is my firm belief that this can best be accomplished by a board that will cooperate and work together; by a board that is experienced in the work of the program.

If this program can be carried to a successful conclusion, I am sure that every resident of this school district can point to our educational program and facilities with a sense of pride.

An attempt has been made to confuse the voters in this school district by inferring that the Hammondsville Elementary School will be closed (although no one seems to be sure of the purpose of this rumor). If that is the purpose, it is a deliberate falsehood. The Board of Education has never considered closing the school. It is almost impossible to think that anyone could be so foolish as to think the Board of Education would spend a little over $28,000 to modernize this building and then abandon it.

Dr. Banfield, Irondale; McKinley Crook, Hammondsville; Lawrence Rudder, Empire; are candidates for re-election to the Stanton Board of Education.

Vote 'Yes' On The County Home Levy

Among issues Columbiana County voters will face at the polls Tuesday is a 0.7-mill tax levy to provide funds for the operation of the County Home near Lisbon.

While some improvements have been made during 1961, the need for further improvements is just as great as it was when a home levy was defeated by the voters two years ago.

This is more than just a county matter. Pressure is being exerted on the commissioners from the state level to correct various situations at the home — by the Ohio Department of Health, the Department of Public Relations and the state fire marshal. Failure to do so could bring drastic action.

Here are some of the improvements that have been made during 1961: The second floor of the hospital — the women's floor—has been completely redecorated; new lights and a new tile floor have been installed; new doors with crash bars have been installed in the hospital and some work has been done in the boiler house.

But — as the commissioners point out—many more things remain to be done to meet the requirements of the various state agencies.

If the tax levy is approved, here are some of the things they have in mind: A complete new sewage treatment plant at an estimated cost of $15,000; covering of the water reservoir at a cost of $3,500; a state-approved fire alarm system in the main building and hospital at an estimated cost of $7,500, and the building of a new wing on the present hospital equal in size to the one being used at present at an estimated cost of $150,000 to $165,000.

If you have toured the home, you will be well aware of the need for these and other improvements. If you haven't, take our word for it — the need is there.

The commissioners issued this warning, along with their plans for the future: "There is no more money available this year and unless there is additional money voted by the people for this work there will be no funds available in 1962. In fact, the budget at the County Home probably would be cut at least 20 per cent."

Caring for the aged is one of our responsibilities as residents of Columbiana County. The Review urges the passage of the County Home tax levy.

'Unimportant?' Not On Your Life!

"Why are you bothering to run for such an unimportant post?" That was the substance of a remark made to one of the nine candidates seeking a seat on the Board of Education for the East Liverpool School District.

The question perturbed the candidate no end, as well it should.

Anyone who calls a position on the school board "unimportant" has not taken the time to give full consideration to what the position means and the responsibility that goes with it.

The Board of Education in the East Liverpool School District has supervision over physical properties with an estimated valuation of $47,379,472. More than 5,000 youngsters attend the schools which come under their control. Scarcely an "unimportant" position!

And those who run for school board are in most cases dedicated people who have the interest of the schools and the communities they serve very much at heart. It's certainly not the salary that attracts them to the board.

Board members receive $36 per year, $3 per meeting for one meeting per month as required by state law. However, the East Liverpool board generally has two meetings per month. In addition, there is committee work, such as building committees visiting schools to plan repair work, and so on.

At this salary scale, only the truly dedicated would stick out their necks for the constant criticism that goes with the office. Being a member of the Board of Education is not a bed of roses. The problems are many and the verbal attacks frequent.

The district is most fortunate in having a group of highly-regarded people running for two vacant seats this year.

In the order in which they appear on the ballot, they are: Mrs. Verna R. Stone, Judson W. Allison, Samuel W. Brown, bidding for re-election, Mrs. Nessie Dunlop, John U. Fitch, William C. Heasley, Richard T. Judge, Mrs. Ruby Lacey and Harry D. McConville.

Their willingness to run in an effort to back up their convictions has been one of the more encouraging phases of the present campaign.

You Wouldn't Think It

The scene is the next generation.

It is what critics call impressionistic, because the next generation is what anyone wants it to be. That's why people talk about it. In the next generation, they are always saying, there will be the devil to pay.

Enter: A nurse holding a new-born infant wrapped in a blanket. She looks sad. She is sixtyish. "It's another fallout victim," she sobs, showing the baby to a young associate.

"What's its trouble?" asks the associate. "The kid looks all right to me."

"Look at that face," replies nurse No. 1. "Get a load of the freak hair. I can tell 'em every time. I can tell the way they cry and the way they make a fist. This one is wired up wrong. Too much radiation back there in the last generation. This is a clear case of mixed-up genes."

"I was, too," mused the associate nurse. "They say my mother cried when she looked at me. But I feel fine. I've read somewhere they used to blame babies like me on the luck of the draw. That's the way the genes divided, they used to say when things went haywire. But I suppose you're right. If this baby is what you say it is, the fault's the fallout."

"You can bet your Florence Nightingale button it's fallout," snapped nurse No. 1. "I can remember as a student nurse hearing about it. Some ruthless Russian named Stalinschev, Krooshin, Lenikov, or something like that, was hell-bent on radiation. This is what we get for it."

"Does it happen often?" inquired the associate. "I mean oftener than it used to happen before whathisname?"

"Certainly it does!" was the answer. "That's why we call it Russian radiation, to distinguish it from all other radiations, like French radiation, British radiation and American radiation. We also have Chinese radiation, Italian radiation, Israeli radiation, Japanese radiation and radiation from that big nuclear explosion that we call sun radiation."

"I see," said the associate. "It's perfectly clear. Russian radiation is the kind that makes babies less than they should be and all other radiations are good for babies. It must have been fun being born before Russian radiation and knowing these things. I must trot along now and see how the next generation is doing in the nursery, poor little things. You just wouldn't think to look at them that they've had it. You just wouldn't, that's all."

The Once Over

New York theater man, Harry Brandt, plans $5 million showhouse with auto parking underneath. Attendants will take cars from playgoers at entrance, getting them out for them after show. It's a wonderful idea but opening-night performance of attendants and playgoers could be more exciting than performance of actors on stage.

Broadway critics should cover this situation. Possible review:

"Last night's play was dull but parking performance was unforgettable. It had high elements of drama, whodunit mysteries and musical comedy. Allowance must be made for inexperience, as the underground parking system opened cold without tryout in New Haven.

But it must be said that the attendants seemed quite amateurish and unprepared, while theatergoers who came by auto were grossly lacking in poise and direction.

Several highly dramatic interludes came when owners got the wrong car back after show. Some gave better performances in scenes of violence than any observed this season.

Most explosive scene of night came when well known playgoer who had driven new car to theater got it back and found a scratch on the fender! Few more stirring fight scenes have been seen in theater history but this reviewer cannot give the outcome as he had to leave to write review. The show will probably close shortly, but the underground car parking performance will delight all lovers of excitement, suspense and tense drama. It could run for months.

NATIONAL HORSE SHOW is pretty much lost on many people these days. We took a typical New Yorker to it and had trouble with him.

"What's that?" he asked as blue ribbon contestant was performing. "It's a horse" we said. "Stop kidding. What would a horse be doing galloping indoors?" he replied. We tried to explain and he asked "Okay. I admit it's a horse. Where's the tote-board. I don't even have the morning line."

We explained horses are used in places other than race tracks and that at a horse show they are judged for traditional usefulness and ring performance. "All I want to know is what they did last time out and who's riding," he snapped.

He asked about two horses going through paces in ring. "They are working hunters," we explained. "I thought working hunters were people bettors hunting for stable information," he said. We showed impatience. "The whole scene is too strange for me," the man continued. "There are no people here whispering. I just asked a feller what time it was and he didn't answer out of the side of his mouth, looking around to see if anybody was listening!"

Behold those UN neutrals . . .
They sit upon the fence
And aid the terrorizer
With silences intense.

II

"How awful!" do they whisper
But when there is a plea
To stand in disapproval
They simply ask "Who, me?"

Broadway producers of "Look: We've Come Through," after three nights, published an ad reading "We still believe in the play. We have nothing but admiration and love for our young cast." Isn't this just saying, "Look: you're through" with deep affection? Remember when producers who really believed in their play managed to give it a chance and didn't dive into the cyclone cellar, leaving love and kisses for performers?

It's A Funny World

Pessimistic Outlook Settles Over UN

By Joseph Newman

UNITED NATIONS, "We are witnessing the decline and fall of the United Nations."

That was the view expressed by a number of seasoned diplomats as the United Nations observed its 16th anniversary.

The gloom and cynicism which settled over the world organization from the very outset of the current General Assembly could not be dispelled even during the brief interlude set aside for the anniversary celebration at U.N. headquarters.

"We will last only one or two more years," one veteran diplomat said.

His companion protested: "You are being very pessimistic."

"Not at all," replied the first. "I am being optimistic. If it lasts longer, it will be a catastrophe for humanity."

Everyone is blaming everyone else for the sorry state of affairs and the tragic-comedy which is being played in the glass house along side the East River.

The smaller countries blame the great powers, and the great powers blame each other or the "neutrals" of Africa and Asia for standing by and "fiddling" while the world is threatened with fire.

The U.N. has been a "headless" organization since the death of Secretary General Dag Hammarskjold Sept. 18, but the blame cannot be laid to that tragedy. The disorder is inherent in the new complexion of the world assembly and the men who are participating in it.

With the two great powers of East and West deadlocked on all major issues, it had been hoped that the smaller countries, now holding the balance, would have seized the opportunity to uphold the ideals and aims of the U.N. Charter.

But the smaller countries, notably those of Africa and Asia, have shown themselves unprepared or unwilling to fill the vacuum, and have engaged in the favorite U.N. pasttime of filling the halls of the U.N. with speeches leading nowhere.

In trying to be "neutral", countries of Asia and Africa have even obstructed action on a resolution which would register the great concern of the world and call on the Kremlin to halt its proposed explosion of a 50-megaton bomb.

In the words of a Western diplomat, "The neutrals add up to a zero."

In this "zero" climate the lack of effective leadership by the United States has come as a great disappointment to many West Europeans, Latin Americans and even Asians and Africans, especially those who are great admirers of Adlai Stevenson, head of the U.S. delegation.

In a U.N. Day address at San Francisco, Mr. Stevenson said: "As long as we of the United States continue as active leaders in the United Nations and continue to be faithful to our purposes, I have no fear that the organization will be turned against us."

Mr. Stevenson's powers of oratory continue to be highly esteemed but his political leadership now is being openly questioned and debated in the corridors of the U.N. Three examples are cited:

1. Lack of initiative and enterprise in mobilizing the world assembly to demand immediate suspension of nuclear testing in the atmosphere by the Soviet Union.

2. The handling of the crisis over appointment of a new secretary general.

3. The handling of the Assembly debate censuring the Union of South Africa.

On Point 1—On Sept. 1, when the Soviet Union broke the moratorium and exploded the first nuclear bomb in its current series, the United States had a golden opportunity to call an emergency session to open Sept. 19, to deal with Soviet poisoning of the atmosphere. It missed the opportunity.

The failure may not be Mr. Stevenson's. The Pentagon was reported interested in resuming testing underground. Military consideration in Washington evidently cancelled out political considerations in New York, and the United States stood by doing nothing.

When the Pentagon resumed underground testing, it compromised the U.S. position at the U.N., and neutrals seized on it to equate American testing with Soviet testing. This took the heat off the Soviet Union and transferred some of it to the United States.

On Point 2—Had the United States acted swiftly immediately after the death of Mr. Hammarskjold, many believe it could have led the Assembly to accept a successor without getting bogged down in endless negotiation and bargaining with the Soviet Union. Having failed to act at the opportune moment, the United States was drawn by the Soviet Union into the "numbers game."

Mr. Stevenson, standing on the U.N. Charter, maintained that the new secretary general himself should decide on his "cabinet" of advisers, yet he allowed himself to become involved in a debate as to whether the number should be five, as desired by the United States, or seven as now proposed by the Soviet Union.

The United States as well as the Soviet Union has now infringed to some extent on the rights and privileges hitherto enjoyed by the secretary general.

On Point 3—When the General Assembly bowed to the demands of irate Africans to censure an apartheid speech by the foreign minister of the Union of South Africa, the United States "sat on its hands" and did not participate in the vote. It thereby fell between two stools, reaping the displeasure of both parties.

Later, after the session was over, Mr. Stevenson issued a press statement reiterating American opposition to apartheid but upholding the right of free speech.

Had there been effective American leadership during the debate, the position taken by Stevenson in his press statement, largely lost to the rest of the world, might have been incorporated in a resolution which would have been more satisfactory than the one adopted.

Unfortunately, Mr. Stevenson was not present. Two American congressmen, sitting in the place of the U.S. delegation, lacked the parliamentary U.N. experience required to act in a situation of this kind.

This had led to some criticism of the general operational level of the United States mission at the U.N. and the absence of United States leaders at critical moments.

On Oct. 24, with issues over nuclear testing and selection of a new secretary general still up in the air, Mr. Stevenson was in San Francisco and Arthur Dean, the U.S. nuclear expert, was in Los Angeles, both delivering speeches, thousands of miles away from the scene of action at the U.N.

Through The Years

THIRTY YEARS AGO — Joseph T. Croxall, chemical supply distributor, nosed out James Hall, Pleasant Heights pottery worker, by 17 votes to win reelection as a member of the East Liverpool Board of Education.

Earl Herdman and his String-Breakers, an orchestra comprised of Newell musicians, was heard over radio station WNBO in Washington Pa.

TWENTY YEARS AGO — Mrs. Victor Harmon retained the presidency of the Elwood Farm Women's Club of Chester when the group met at the home of Mrs. A. R. McClain of near Congo.

Eleanor J. Mundy of Main St., a member of the 1941 class of Wellsville High School, accepted a position as stenographer in the emergency management office at Washington, D.C.

Dr. Robert W. Goodwin, son of Mr. and Mrs. Charles Goodwin of Thompson Ave., was elected a fellow of the American College of Surgeons at the group's meeting in Baltimore.

TEN YEARS AGO — For the third time, Arnold W. Devon, was elected East Liverpool mayor on the Democratic ticket.

Voters named James T. Fortiner, O. E. Hall and Vernon D. Sanford to the Board of Education.

Mayor C. C. Leatherberry, Wellsville Democrat, won a third term.

If this program can be carried to a successful conclusion, I am sure that every resident of this school district can point to our educational program and facilities with a sense of pride.

An attempt has been made to confuse the voters in this school district by inferring that the Hammondsville Elementary School will be closed (although no one seems to be sure of the purpose of this rumor). If that is the purpose, it is a deliberate falsehood. The Board of Education has never considered closing the school. It is almost impossible to think that anyone could be so foolish as to think the Board of Education would spend a little over $28,000 to modernize this building and then abandon it.

Dr. Banfield, Irondale; McKinley Crook, Hammondsville; Lawrence Rudder, Empire; are candidates for re-election to the Stanton Board of Education.

light, thousands of times brighter than the sun or a flash of lightning. There's no mistaking what it is.

—:—

IF YOU SENSE it, don't look at it. It could blind you.

Throw yourself instantly to the ground, and preferably behind some protection, such as a building, the curb of a street, a culvert, even a tree, anything to put protection between you and that flash. Lie as flat as you can.

With the light, the first effect is prompt or instant radiation from the nuclear burst. It is X-rays and neutrons flying out in straight lines in all directions from the burst. This is not fallout. The X-rays and gamma rays travel about 1,000 yards at most, then disappear.

With this radiation, at the same speed, comes heat. The heat from a 20-megaton bomb might cause second - degree burns at a distance of up to 25 miles, unless you were protected.

A hole in the ground could save you from such or all harm from the radiation and heat. Thousands of Japanese in Hiroshima or Nagasaki would have survived had they known this in time.

★ ★ ★

Then, travelling at the speed of sound, comes the blast effect, made all the worse because it picks up all kinds of objects and hurls them about like missiles.

Hiding, making yourself small, increases chances of survival. The chances improve the farther you happen to be from the bomb center.

Survive this, and you have probably an hour before fall out arrives.

Why? Because it consists of the nuclear ashes or coals from the burst, and sucked-up material. And it shoots up to 20 to 25 miles high, and has all that distance to fall back to earth.

Burglary

(Continued from Page One)

The entry was made between 4:30 p. m. yesterday and 4:42 a. m. today through a broken window on the north side of the roof, officers said. The intruder ransacked filing cabinets and a desk, taking the money.

Property destruction was reported at two more business places and two minor thefts also were listed.

An 8-x-10-foot plate glass window was broken sometime between Sunday and 12:30 this morning in the Higgins TV Store, located next door to the Loblaw Market on Bradshaw Ave., police said. Stones were hurled through the big pane, officers said.

Three windows 6-x-8 inches were broken between 5 p. m. Sunday and 12:30 a. m. today in the Winland Plate Glass Co. quarters in the VFW Building on Minerva St., officers said.

Ray Roberts, 501 College St., told police two spotlights were stolen from his auto while it was parked on College St. between 11 p. m. Friday and 5:29 p. m.

Mrs. Alberta Williams, 317 Summit Ln., reported a radio antenna was broken off her car while it was parked on W. 7th St. between 8 and 11 Saturday night.

All are in "fair" condition today at Salem City Hospital.

Columbiana County Coroner Dr. William Kolozsi ruled the death accidental.

The Ohio Highway Patrol at Lisbon said Miner was headed east on Route 14 when he lost control on a long gradual right curve and his 1957 coupe went left of center, hitting the left side of the westbound 1957 station wagon operated by Shofstahl.

Both vehicles were damaged extensively in the mishap officers reported.

61 Missing As Boat Blows Up And Sinks

TUNIS (AP) — The 7,129-ton Scottish tanker Clan Keith exploded and sank in heavy seas Sunday night off the north Tunisian coast. Sixty-one of her 68 European officers and Pakistani crewmen were reported missing.

Seven survivors were picked up, including the ship's captain, said a radio message from the scene. The ship owners said one of the rescued crewmen died later.

The seven were picked up by the British freighter Durham Trader.

Radio messages intercepted in Tunis said the Clan Keith exploded around midnight and sank in several minutes. A storm had battered the North African coast during the night.

sions for itself with regard to nuclear weapons tests. It gives without saying that full responsibility for the continuation of the nuclear arms race and for the colding of nuclear tests will be borne then by the United States government."

The warning was coupled with another call for a general and complete disarmament treaty, long proposed by Premier Khrushchev, and a reiteration that the Soviet Union is ready to ditch all its nuclear weapons if other nations do the same.

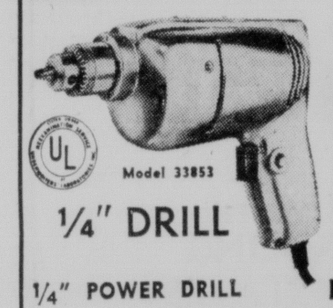

The statement said such a treaty should provide for "most strict international control." It did not elaborate. The Soviet Union in the past has rejected proposals to establish what the Western allies consider would be an adequate inspection system before conclusion of a disarmament treaty.

Major Elections Slated In New York, New Jersey

By JACK BELL

NEW YORK (AP) — Democrats and Republicans appeared likely today to share evenly in the spoils from two major election contests Tuesday that might have a bearing on 1962 and 1964 national races.

The Democrats went into these final battles, in New York City and New Jersey, with a weekend victory that demonstrated their party label represents money in the political bank in Texas when matched man-for-man against the kind of GOP conservatism represented by Sen. Barry Goldwater, R-Ariz.

Henry B. Gonzalez, a liberal Democrat who won a special congressional race from Republican John Goode Jr., in San Antonio, Tex., Saturday flew to New York to help Democratic Mayor Robert F. Wagner's bid for re-election. Gonzalez planned appeals to Spanish-speaking voters.

There was not much indication that Wagner needed Gonzalez' efforts to win over Republican State Atty. Louis J. Lefkowitz and City Comptroller Lawrence E. Gerosa, a Democrat running as an independent.

Gonzalez had said he hoped to campaign also in New Jersey for Democrat Richard J. Hughes in his contest with Republican James P. Mitchell for the governorship. But New Jersey Democratic leaders didn't show much enthusiasm for this idea. Hughes has canceled his remaining campaign appearances in view of the death of his 85-year-old father Sunday.

President Kennedy, former President Harry S. Truman and former President Dwight D. Eisenhower all have had a hand in the New York City and New Jersey contests. Kennedy gave a long-distance endorsement to Gonzalez and Eisenhower campaigned personally in Texas for Goode.

Vice President Lyndon B. Johnson got into the act with what some regarded as a pitch to help position himself for a possible 1968 bid for the Democratic presidential nomination. He did some on-the-ground campaigning for Gonzalez.

Kennedy could claim something of a victory in the election of Gonzalez, a liberal Democrat of the stripe Johnson was not accustomed to associating himself with in Texas.

The President seemed likely to field a left-handed victory if Wagner wins re-election in New York City, as now expected. This would tend to simplify Kennedy's problems in dealing with the divided Democrats of the state.

In 1964 he would have to look to Wagner to reorganize the party and to supply him with New York's 45 electoral votes, without which Kennedy could not have won the Presidency in 1960.

Lefkowitz was given only an outside chance to nose out Wagner, but GOP Gov. Nelson A. Rockefeller cheerfully put some of his 1962 and 1964 blue chips down on the line in the hope that make it close in a city that is 3-1 Democratic.

In New Jersey the journeys of the political Mohammeds to the mountains seemed to have had little outward affect on the outcome of a race for governor. Kennedy, Eisenhower and Truman all visited the state with receptions that varied in enthusiasm.

Supporters of Hughes were predicting that their candidate would win by a whisker. Sen. Harrison A. Williams Jr., D-N.J., said he is willing to bet that an upset is in the making and Hughes will be the winner.

Sen. Clifford P. Case, R-N.J., said in a separate interview he is confident Mitchell, Eisenhower's former secretary of labor, will take it handily. Sam Zagoria, Mitchell's campaign manager, predicted a 100,000 margin for his candidate out of an expected 2,225,000 vote.

HE GREW HAIR

Before Erickson Treatment — A Few Months Later

Mr. T. A. Melton, Jr., of Hollidaysburg, Pa. (above) gave about 20 minutes of his time for an interview with the Erickson representative — saved and regrew his hair in only a few months with the exclusive home method.

Erickson HAIR and SCALP SPECIALISTS
World's Largest Home Treatment System

Will be in East Liverpool, Ohio Tomorrow Tuesday Only

The Erickson Hair and Scalp Specialists' Staff Director, J. C. Kell, on his regularly scheduled visit will be at the Travelers Hotel, East Liverpool, Ohio, Tuesday, November 7. Every hair-worried person should take advantage of this great opportunity.

The Erickson method is known all over the United States. You can have a conference with the Erickson representative regarding your hair and scalp problems at no cost to you whatsoever, learn how the scalp treatments work, and the results you can expect in a short period of time.

Results guaranteed by the Erickson organization. We don't ask you to take our word. You will be given a written guarantee from the beginning to end on a pro-rated basis.

The Erickson scalp method, or any other method, is of no value against excessive hair loss due to male pattern baldness. The person shown above does not have male pattern baldness. If you are slick bald after years of gradual hair loss the Erickson scalp method cannot help you.

If you have dandruff, excessive hair fall, thinning hair, excessive oiliness or dryness, itchy scalp, or if your scalp is still creating hair you should take 20 minutes of your time to see what you can do.

Thousands have reported satisfaction from the Erickson Scalp Method. Why burden yourself with unhealthy hair and scalp? Anyway it costs you nothing to come in and learn how thousands have been been helped by the years of Erickson experience plus the wonderful opportunity for help it offers. Just go to the Travelers Hotel in East Liverpool, Ohio, on Tuesday, November 7 only, between 1 p. m. and 8:30 p. m. Ask the Hotel Desk Clerk for J. C. Kell, he will do the rest.

Interviews are given in private. You will not be embarrassed in any way.

Reds' Zorin Plans More Talks At UN

By WILLIAM N. OATIS

UNITED NATIONS, N.Y. (AP) —Soviet Deputy Foreign Minister Valerian A. Zorin planned more talks with other U.N. delegates today before calling a Security Council meeting to discuss the threat of civil war in the Congo.

Zorin is president of the council this month. One source said the 11-nation group might meet Tuesday or Wednesday, but another delegate dealing with the Congo case said he favored delaying it until next week to enable the U.N. secretariat to gather more information.

Ethiopia, Nigeria and Sudan sent Zorin a letter Friday night asking that he convene the council to consider the situation "caused by the lawless acts of mercenaries" in the Congo's secessionist Katanga Province.

The three African nations did not say what action they wanted the council to take.

At its last Congo meeting Feb. 21, the council (1) urged that measures be taken for the immediate withdrawal of all mercenaries from the Congo and (2) called for U.N. measures to prevent civil war, by force if necessary.

The U.N. force seized strongpoints in Katanga Sept. 13 in an attempt to oust the mercenaries, but Katangan troops fought it to a stalemate. Last week the central government announced its troops had penetrated 35 miles into Katanga in a police action to end the secession. But on Saturday it admitted the Katangans had driven its soldiers back.

Katanga's makeshift air force of less than 20 planes, manned by about 20 hired foreign fliers, was a major factor.

Despite the council's instructions to prevent civil war, the U.N. office in the Congolese capital of Leopoldville last July made known that the U.N. force would not act to stop the coalition central government from winning back Katanga.

Last Thursday it went even farther. In a report to U.N. headquarters, the officer-in-charge, Sture Linner of Sweden, said he had warned the Katangans the U.N. force would shoot down their military planes if they kept on bombing central government troops in Kasai Province, staging area for the Katanga invasion.

In Elisabethville, capital of Katanga, army chief of staff Joseph Yav said his force's only casualties in the border fighting were three slightly injured. But Associated Press correspondent Colin Frost, after a flight in a Katanga plane to the frontier region, reported: "Even on its so-far limited scale, the border war has been fought with a ferocity commonplace in the Congo."

Frost reported a U.N. estimate of 200 whites in the air force is not accurate, that there are about 20 Belgian, South African, Rhodesian, French and Canadian pilots, a handful of professional ground crewmen and a volunteer force of Belgian farmers living in Katanga who hlep with the servicing.

Good 'Skate,' 85, Gets Pass To Rink

HANCOCK, Wis. (AP) — Charles W. Christianson got a lifetime pass too Lo Nor Rollar Rink on his last birthday—when he turned 85.

The gift is more generous than it might appear to be. Christianson, a native of Copenhagen, Denmark, skates at the rink nearly every evening and is usually the first to arrive and the last to leave.

Christianson almost never misses a night in the winter and misses very few in the summer, despite his cultivation of a half-acre cucumber patch. He says, "Picking cucumbers all day and then roller skating at night equalizes me. I'm not tired after skating. I usually go home and read for two or three hours."

Boy Scores Luckiest Bullseye Of His Life

ST. PETERSBURG, Fla. (AP) — Michael Richardson, 2, scored the luckiest bull's - eye of his young life.

City Patrolman A. J. Beiner said Mike apparently wandered onto the balcony of his mother's apartment and fell through the railing. The courtyard of the apartment building is paved for a parking lot with the exception of a two-foot wide strip of sand near the building's edge.

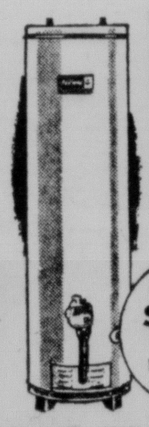

Mike fell three stories and landed in the strip of sand. A Mercy Hospital intern who examined Mike said he could find no sign of injuries, not even a scratch.

'Hot And Vital Issue'

Farmers Seen Big Loser In Redistricting Process

By OVID A. MARTIN

WASHINGTON (AP)—The National Grange predicts that farmers will lose 35 of the present 166 predominantly farm districts under congressional redistricting now under way as a result of the 1960 census. There are 435 congressional districts in all.

In a letter to its members, the farm organization said this redistricting by state legislatures promises to be one of the 'hottest and most vital issues affecting rural people during the next 10 years."

"The loss of farm representation in the U. S. House of Representatives will place rural people at a greater disadvantage than at any time since the first Congress assembled," the letter said.

But rural losses will not be confined to Congress, the Grange said. Similar losses in varying degrees will show up, it said, in state legislatures.

During the 1950s, farm population decreased about 15 per cent, while the nonfarm population increased by almost 25 per cent.

"In nearly all, if not all, states urban areas will gain in the redistricting," the letter said. "The problem will be to make certain that the redistricting is one in such a way that the rural vote is not overshadowed by urban votes in the same districts."

Child Disappeared In 1960

Mother And Daughter, 4, Reunited By FBI, Judge

OMAHA, Neb. (AP)—Don't say a word, the judge cautioned. So, though she had waited 16 months for this moment, Mrs. Harley Sax, 23, walked into the FBI office without a word.

The 4-year-old blonde she found there looked at Mrs. Sax. In her blue eyes the watching judge saw a look of recognition.

The young Albuquerque, N.M., mother broke into tears. The child ran into her arms.

There was no question, said Judge Seward L. Hart after the reunion Sunday, that the girl was Brenda Marlene Jennings, daughter of Mrs. Sax by a previous marriage. She had disappeared from her grandparents' home in Guthrie, Okla., June 27, 1960.

The mother had sought the child in 14 states, but it was the FBI and Judge Hart, of the Omaha Juvenile Court, who finally brought them together.

Judge Hart and Thomas Gearty, special agent in charge of the Omaha FBI office, said they had pieced together this story:

The night Brenda disappeared she had been permitted to accompany Billy Don Nelson, 29, of Guthrie, a family friend, on an errand. Nelson and the child vanished.

In August, 1960, neighbors in Omaha reported a little girl crying at an upstairs window. The child officers found behind a double-padlocked door had dyed hair. She was healthy, but the room was filthy.

The man who posed as her father used the name of Jack Wilbanks. He had served a 10-day vagrancy sentence.

Working with the name Wilbanks, Judge Hart and the FBI learned of the missing girl in Oklahoma. Wilbanks is the name of Mrs. Sax's parents with whom Brenda had been staying.

The FBI said a comparison of pictures indicated the man who used the Wilbanks name in Omaha and Billy Don Nelson are the same individual. He is sought under a federal warrant charging unlawful flight, Gearty said.

Spoils May Be Shared

Major Elections Slated In New York, New Jersey

By JACK BELL

NEW YORK (AP) — Democrats and Republicans appeared likely today to share evenly in the spoils from two major election contests Tuesday that might have a bearing on 1962 and 1964 national races.

The Democrats went into these final battles, in New York City and New Jersey, with a weekend victory that demonstrated their party label represents money in the political bank in Texas when matched man-for-man against the kind of GOP conservatism represented by Sen. Barry Goldwater, R-Ariz.

Henry B. Gonzalez, a liberal Democrat who won a special congressional race from Republican John Goode Jr., in San Antonio, Tex., Saturday flew to New York to help Democratic Mayor Robert F. Wagner's bid for re-election. Gonzalez planned appeals to Spanish-speaking voters.

There was not much indication that Wagner needed Gonzalez' efforts to win over Republican State Atty. Louis J. Lefkowitz and City Comptroller Lawrence E. Gerosa, a Democrat running as an independent.

Gonzalez had said he hoped to campaign also in New Jersey for Democrat Richard J. Hughes in his contest with Republican James P. Mitchell for the governorship. But New Jersey Democratic leaders didn't show much enthusiasm for this idea. Hughes has canceled his remaining campaign appearances in view of the death of his 85-year-old father Sunday.

In New Jersey the journeys of the political Mohammeds to the mountains seemed to have had little outward affect on the outcome of a race for governor. Kennedy, Eisenhower and Truman all visited the state with receptions that varied in enthusiasm.

Supporters of Hughes were predicting that their candidate would win by a whisker. Sen. Harrison A. Williams Jr., D-N.J., said he is willing to bet that an upset is in the making and Hughes will be the winner.

Sen. Clifford P. Case, R-N.J., said in a separate interview he is confident Mitchell, Eisenhower's former secretary of labor, will take it handily. Sam Zagoria, Mitchell's campaign manager, predicted a 100,000 margin for his candidate out of an expected 2,225,000 vote.

Man Hurt In Fall From Tree; Accidents Injure 10 Others

A city man injured in a fall from a tree was admitted Sunday to City Hospital, where 10 area youngsters and adults were treated over the weekend.

Perry Cooper, 27, of 1005 May St. was admitted Sunday afternoon with an ankle injury suffered in a fall from a tree while he was trimming it. Cooper, employed by American Bridge Co. at Duquesne, is in "good" condition.

Mrs. Linda Davis of Church St., Glenmoor, was treated last night for a laceration of the back of the right hand received on glass while washing dishes.

Ray Betteridge, 30, of Dixonville suffered a laceration of the ring finger when a car hood closed upon it.

Michael Petkovich, 5, son of Mr. and Mrs. John Petkovich of Hookstown, was treated yesterday afternoon for a laceration of the right eyebrow received in a fall upon a wheel barrow.

In a fall while roller skating, Yvonne Pucci, 9, daughter of Mr. and Mrs. Frank Pucci of Meadowbrook Estates near Midland, suffered a fractured right arm.

George Shuffert, 23, of Glenmoor, meat cutter at Loblaw's Market, was treated for a laceration of a finger of the right hand received at work.

Charles Cook, 6, son of Mr. and Mrs. Charles Cook of Georgetown R. D. 1, suffered a puncture wound of the right eye on a stick and was referred to a physician.

William Haney, 30, of Sprucevale Rd. received a fracture of a bone of the left foot when he stepped off a porch Saturday.

Mrs. Josephine Temple of Lytton St., Chester, was treated Saturday night for lacerations of fingers of a hand which became caught in a car door.

Frank Mitcheson, 57, of R. D. 3, employe of Hitt Builders, suffered a laceration of a finger on an electric saw while at work.

Howard J. Kevan, 56, of Township Line Rd., Wellsville, was treated Saturday for a laceration of the left thumb received on a grinder machine while at work at the Sterling China Co.

Ban On Trash Fires Lifted For Wellsville

Mayor William J. Shoub of Wellsville today announced he has lifted the ban against burning for two weeks so that residents can clear their yards and gardens of leaves and weeds.

The mayor warned against burning on blacktop streets, pointing out the heat causes serious damage. He said residents should use extreme caution in burning the leaves because they still are responsible for any damage should the fire get out of control.

The mayor said it still is unlawful to burn garbage and any heavy refuse. The ban usually is lifted in the spring and fall to allow residents to clean their yards.

Open House Planned

The Pughtown School will observe American Education Week, which opened today, by holding "open house" Thursday and Friday afternoons from 1 to 3.

"We hope that parents will visit the school and bring friends," Principal R. O. Stevens announced. Sitters will be available for children whose parents inspect the classrooms.

A social period will be held in the activity room following visits with teachers by the parents.

Driver Cited For 3 Counts After Crash

A 25-year-old motorist was cited on three charges Sunday night after a hit - skip crash on the Pennsylvania Ave. "Hill Rd." that damaged a Wellsville woman's auto heavily. It was one of eight mishaps that marred weekend traffic in East Liverpool.

Earl A. Walker of Waterford Park Race Track was charged with leaving the scene of an accident, using improper registration on his auto and operating a car without a driver's license as an aftermath of the collision Sunday at 8:27 p. m. on the "Hill Rd."

He was cited in connection with a crash that damaged the entire left side of a 1958 four-door sedan operated by Arlene A. Scotton, 609 17th St., Wellsville. The woman motorist told police she was driving west on the "Hill Rd." when an oncoming car, moving at a high rate of speed and weaving, crossed the center line, hit her auto and continued without stopping.

The charges were filed against Walker about two hours after the mishap by Patrolman Jack Strobel and Lt. Thomas A. Walker.

Walker drew fines totaling $55 and costs this morning in Municipal Court after pleading guilty to leaving the scene and driving without a permit and not guilty to a charge of illegal registration.

The race track worker was fined $25 and costs for leaving the scene and $15 and costs on the other two charges by Acting Judge Paul Tobin.

A young woman driver was cited and an infant was injured in a mishap Sunday at 7:54 p. m. on Dresden Ave. near Smith St., police said.

The crash involved a halted 1954 four - door sedan driven by Guy L. Coppock, 59, of Salem and a 1957 model car driven by Sally E. Leake, 17, of 343 Commerce St., Wellsville. Injured was Edmond Leake Jr., 5 months, a passenger in the Leake auto.

Coppock told police he was halted for a traffic signal when his car was hit from the rear. The young woman said she did not see the red traffic light or the halted car. She was cited into Juvenile Court as a traffic offender.

A Chester man's car struck the side of the Ceramic Hotel building at E. 4th and Walnut Sts. at 6:51 p. m. Sunday after drifting from a parking place, police said.

Anthony Skolny, 901 Phoenix Ave., Chester, told police he parked his 1960 sedan on E. 4th St. east of Walnut St. about 6:30. It apparently drifted and struck the wall on the east side of the building, police said.

An unidentified girl escaped injury when she ran into the side of an auto Saturday at 12:15 p. m. on Rural Ln. at Dresden Ave., police said.

Paul McHenry, 52, of 127 Columbia Dr., Chester, told police he was turning from Rural Ln. onto Dresden when the child ran into the side of his car. The girl said she was unhurt, McHenry told police.

A mishap on Dresden Ave. at Trentvale St. Saturday at 3 p. m. involved a 1956 two-door sedan driven by Richard L. Gettig, 40, of Washington, Pa., and a 1952 model pickup truck driven by E. L. Hunley, 27, of Trentvale St., police said.

Gettig told police he was halted in a line of traffic when his car was hit from the rear. Hunley told police he attempted to halt, but his foot slipped off the brake pedal.

A mishap on Broadway near E. 5th St. Saturday at 11:45 p. m. involved a 1955 two - door sedan driven by Arber Lee Parham, 36, of 449 1st Ave. and a 1961 sedan driven by Sara O. Todd, 21, of Conneaut Lake, Pa.

Two hit-skip crashes were reported.

Donald R. Golden, 1007 Ambrose Ave., told police the left front fender of his 1958 two-door sedan was damaged by a hit-skip car while it was parked on St. Clair Ave. Saturday night.

James J. Johnson Jr., 26, of Dresden Ave. told police his 1950 sedan was damaged in a hit-skip mishap Saturday at 11:30 p. m. on W. 6th St. near Jackson St.

Johnson said he was driving east on W. 6th when another car made a turn off Jackson onto W. 6th, hit the right front of his car and continued without stopping.

Disabled Car Hit In Mishap

Four members of a Geneva (Ohio) family were injured Saturday at 8:15 p. m. when their small foreign car crashed into the rear of an auto which had broken down on Route 168 about three miles south of Hookstown.

Admitted to City Hospital and in "fairly good" condition today are Edward Cunningham, 27, who received injuries of a hand and the left hip; his wife, Mrs. Geraldine Cunningham, 26, lacerations of the left knee and abrasions and contusions of the hands; Debra Cunningham, 6, contusions of the left thigh, and Ronald Cunningham, 9 months. All suffered facial lacerations, according to a report by Pennsylvania State Police.

Albert Hurst, 25, of Hartville R. D. 2, was the driver of the other car. He was unhurt, the Carnegie barracks of the Pennsylvania State Police reported.

Police said Cunningham apparently did not see the Hurst auto, lost control and crashed into the rear of it.

The foreign car was demolished and there was about $100 damage to the other, police said. The cars were headed in the direction of Frankfort Springs.

Cubs At St. Aloysius Hold Outing At Farm

Members of Cub Scout Pack 7 of St. Aloysius Catholic Church held a hayride and wiener roast Sunday afternoon at the farm of Mr. and Mrs. Philip Chronister of the Wellsville-Clarkson Rd.

The cubs were accompanied by Ernie Purton, Robert Hissam, James Sherwood, George Salsberry and Matt Kuzmich.

The boys attended the 9 a. m. Mass Sunday and received Holy Communion in a body. Breakfast followed in the school cafeteria.

A planning committee meeting will be held Tuesday at 7:30 p. m. at the school. Parents are invited.

4 Remain Hospitalized After Crash At Butler

Four city residents remain hospitlized today in Butler (Pa.) Hospital with injuries suffered in an auto crash Oct. 29 in East Brady.

Mr. and Mrs. Thomas Clark of Calcutta and Mr. and Mrs. LeRoy Clark of Lincoln Ave. are improving, but will remain in the hospital for several weeks, a relative reported.

They were returning from a brief vacation in New York when the brakes of their car failed as they proceeded down a steep grade about 21 miles from Butler. The car went over an embankment and crashed into a barrier of railroad ties.

Miss Sandra Shaw Weds In Church Rites At Lisbon

Wedding vows were pledged by Miss Sandra Ilene Shaw and Garth Rainey French in a double ring ceremony Sunday afternoon at 2:30 o'clock in Lisbon Trinity United Presbyterian Church, with the Rev. C. O. Armstrong, pastor, officiating. The custom of open church was observed.

The bride is a daughter of Mr. and Mrs. Clifford Shaw of Lincoln Highway, west, and Mr. and Mrs. Harold French of Minerva are the parents of the bridegroom.

Twin vases of white fugi chrysanthemums, palms and ferns decorated the altar. Mrs. William Bergert was at the organ and Mrs. William G. Bailey, sister of the bride, sang "O Perfect Love" and "Jesus, Thou Joy of Loving Hearts."

Escorted to the altar and given in marriage by her father, the bride wore a floor length gown of imported chantilly lace and nylon tulle, fashioned with a scoop neckline, long pointed sleeves and a fitted basque bodice of lace. The bouffant tulle skirt was graced with a peplum of lace and lace appliques. She observed all the familiar traditions.

Her fingertip veil of imported silk illusion was attached to a coronet of orange blossoms and she carried a white Bible topped with an orchid and flowing wedding streamers. The Bible was a gift from her friends, Mrs. Graydon Welling and Mrs. Alfred Cook.

Attending the bride as matron of honor was Mrs. Welling. Her gown of a mint green shade of silk organza over taffeta was strapless with a sleeveless jacket and was in street length. She wore a matching hat with theater veil and carried a hand bouquet of pink carnations with cascading satin streamers.

Miss Karen Shaw, sister of the bride, and Mrs. Cook were the bridesmaids. Their dresses were of pink silk organza over taffeta in street length. A cummerbund and the ruffles on the back of the bouffant skirts were of dark rose pink. They also wore matching hats with theater veils and carried hand bouquets of lilac colored mums.

Harold Bates of Minerva served as best man and Charles Harris and David Pannier, both of Lisbon, ushered.

Mrs. Shaw chose a grey sheath dress with black accessories for her daughter's wedding and complemented her attire with a corsage of pink carnations. The mother of the bridegroom wore a two-piece ensemble of plum velvet with white accessories and a white carnation corsage.

The church social room was used for the open reception following the ceremony. The bride's table was laid in white, centered with a three-tiered cake decorated with white and pink rose buds and topped with a miniature bride and bridegroom. Huckleberry foliage surrounded the base of the cake and pink tapers in crystal were at either side.

Miss Miriam Bates of Minerva, cousin of the bridegroom, presided at the silver service for coffee, Mrs. William Bailey and Mrs. Fred Bates of Lisbon, sisters of the bride, served the cake and Mrs. David Pannier, sister of the bride, was at the punch bowl.

Mrs. Charles Harris, also a sister of the bride, registered 150 guests from Salem, Columbiana, East Palestine, Canton, Ashland, Mansfield, New Philadelphia, Youngstown, Columbus, Ashville, Minerva, Lisbon and Pennsylvania.

The bride is a graduate of David Anderson High School of Lisbon. Her husband attended Minerva High School and has completed three years' service in the Army, having been stationed in Hawaii.

For a honeymoon trip of undisclosed destination, Mrs. French wore a light blue wool sheath dress with red accessories and her bridal orchids. Upon their return, they will reside at Lisbon R. D. 4.

Rehearsal was held Saturday night at the church followed by a party for the wedding participants given by the bridegroom's parents at their home in Minerva. Attendants were presented with gifts there.

Thanksgiving's Theme Of First Methodist WSCS

A Thanksgiving theme featured the worship services at circle meetings of the WSCS of the First Methodist Church Thursday afternoon.

Mrs. Charles R. Waggoner of McKinnon Ave. was hostess for the Martha Circle. Mrs. Theodore Scheffer conducted devotions, reading Scripture from Gal. 6: 1-10, along with a meditation, "Household of Faith." The group sang "The Church Is One Foundation" and "O Love that Will Not Faileth."

Mrs. H. T. Williams, program chairman, spoke on the three bodies that form ecumenical missions, the World Council of Churches, World Methodist Council and world federation of Methodist Women. The latter two are now in session at New Delhi, India. The World Council met last summer in Oslo, Norway.

Mrs. Frank C. Dawson, circle chairman, presided for business. Mrs. Waggoner reported on the progress of the bazaar slated for Nov. 29.

Dessert luncheon was served 18 by the hostess, assisted by Mrs. Harry Waggoner and Miss Pearl Henderson, associate. The buffet table featured a seasonal theme of miniature turkeys in pottery vases along with purple and gilded grapes and lighted tapers. Mrs. Dawson poured.

Next meeting is Dec. 7 with Miss Gladys DeBolt of W. 4th St. Mrs. Wilbur Betz will have the program and Miss Phyllis Crook, devotions. Mrs. Judson English is co-hostess.

The Susannah Wesley Circle met in the social rooms with Mrs. J. D. McGillivray and Mrs. Harry Walker hostesses. Dessert luncheon was served 21. Fall flowers decorated the tables. Mrs. James Hassall gave the prayer. Mrs. Earl Miller was a guest.

Mrs. Robert Miller was worship and program chairman. Her theme was "Thanksgiving Day — A Glorious Heritage." She was assisted by Mrs. Robert Risinger, Mrs. Gail Richmond and Mrs. Hassall.

Mrs. Albert Millward read an article, "There Is an Answer to Prayer." Piano selections by Mrs. John Shawke were "I Need Every Hour" and "I Walked Today Where Jesus Walked."

Mrs. Hassall, circle chairman, presided for business. Mrs. Risinger distributed tickets for the bazaar. Mrs. Francis Lang, vice president of the general society, urged attendance at the joint coverdish dinner for all the circles Nov. 13 when Mrs. Paul Spencer, president of the North-Central Jurisdiction, will speak.

Next meeting is Dec. 7 at the church Mrs. Lang is program chairman.

125 Attend Rally At Local Church

About 125 youths and adult advisors attended a Columbiana County Methodist Youth Fellowship sub-district youth rally Sunday at the Calvary Methodist Church.

The Rev. Kenneth L. Bowser of Hopewell spoke on "Youth are Not Important" and Vaughn King of Columbiana sub-district vice president, spoke on the Berea Methodist Children's Home.

Dave Garrod of Columbiana, sub-district president, announced that the sub-district officers are planning to begin a visitation program to churches.

The adoption of a constitution was led by Roger Hicks, of the local First Methodist Church, subdistrict publicity chairman. The worship service was led by Kathy Stamp of Salem, subdistrict faith chairman.

Singing was directed by the Rev. Thomas Hammerton of East Palestine. Hicks was in charge of recreation.

The Rev. William Brown of Lisbon is sub-district advisor.

Antisegregationist Leader Claimed At 79

NEW YORK (AP) — Dr. Channing H. Toabias, 79, nationally known Negro leader and militant but moderate antisegregationist, died Sunday.

Tobias was chairman emeritus of the board of directors of the National Association for the Advancement of Colored People. A major part of his career was devoted to the YMCA, which he served from 1911 to 1946.

Tobias was an alternate U.S. delegate to the sixth General Assembly of the United Nations in 1951-52.

He was born in Augusta, Ga.

Thanksgiving's Theme Of First Methodist WSCS

A Thanksgiving theme featured the worship services at circle meetings of the WSCS of the First Methodist Church Thursday afternoon.

Mrs. Charles R. Waggoner of McKinnon Ave. was hostess for the Martha Circle. Mrs. Theodore Scheffer conducted devotions, reading Scripture from Gal. 6: 1-10, along with a meditation, "Household of Faith." The group sang "The Church Is One Foundation" and "O Love that Will Not Faileth."

Mrs. H. T. Williams, program chairman, spoke on the three bodies that form ecumenical missions, the World Council of Churches, World Methodist Council and world federation of Methodist Women. The latter two are now in session at New Delhi, India. The World Council met last summer in Oslo, Norway.

Mrs. Frank C. Dawson, circle chairman, presided for business. Mrs. Waggoner reported on the progress of the bazaar slated for Nov. 29.

Dessert luncheon was served 18 by the hostess, assisted by Mrs. Harry Waggoner and Miss Pearl Henderson, associate. The buffet table featured a seasonal theme of miniature turkeys in pottery vases along with purple and gilded grapes and lighted tapers. Mrs. Dawson poured.

Next meeting is Dec. 7 with Miss Gladys DeBolt of W. 4th St. Mrs. Wilbur Betz will have the program and Miss Phyllis Crook, devotions. Mrs. Judson English is co-hostess.

Report Of Farm Agent

Cabbage Seen 'Good Buy' With Large Supply Due

With the change in seasons, more fresh fruits and vegetables are being shipped in to Northeast Ohio from producing areas favored by warmer climate, Richard W. Skinner, marketing agent with the Agriculture Extension Service in Canfield, pointed out today.

Cabbage heads the list of "budget stretchers" and supplies of three other members of the family — broccoli, brussels sprouts and cauliflower — are all increasing. Although fall production is a little below last year, seasonally large supplies can be expected for the next two or three months. All members of the cabbage family are low in calories and high in vitamin C.

Cold weather means hearty appetites. This means it is time to include more potatoes in your menus. The fall potato crop is a record breaker. Present wholesale and detail prices are below a year ago. The heavy supplies on hand promise relatives low prices in the months ahead.

Locally grown potatoes are of excellent quality and in good supply at local markets. They usually have lower price tags because of less transportation costs. The quality of local potatoes shipped into this area is equal in most cases. As a result, the local potatoes are usually the best buy.

Squash, especially acorn, butternut and hubbard types, is in peak supply at this time. Prices in the quick - changing lettuce market are now relatively low.

Apples continue to dominate area fruit counters. This is the time of year to buy by the bushel providing your family can use that amount within a two-week period. The cost per pound is usually much lower when purchased by the bushel.

The season of heavy orange supplies is just around the corner with the volume of Florida and Texas juice oranges increasing rapidly. Navels from California will start next month.

The crop prospects indicate a large supply of juice oranges for the next few months. This should mean fairly low retail prices on fresh oranges, plus an ample volume of oranges for processing.

Grapefruit supplies are also larger than last year. Quality is very good. When buying, remember that the heavier the grapefruit is for its size, the more juice it will likely have.

Cranberry supplies will be in peak volume during November. The crop is down slightly from last year, but is above average. This means cranberries will again be very economically priced.

Grapes seem to have unusually good flavor, size and color this year. Banana supplies will remain about the same. The quality of most bananas will not be excellent and the quality will vary from market to market and week to week.

Total supplies of canned vegetables for this year will be moderately larger than a year ago and well above average. Except for green beans, most major items will be in larger supply than a year ago.

Frozen vegetable supplies are also large, with Oct. 1 stocks of major frozen vegetables considerably above last year and average. Specials on many canned and frozen vegetables can be ex- supply situation.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in *suppository or ointment form* under the name *Preparation H®*. At all drug counters.

Parties Stage Voting Rallies

Preparing for Tuesday's election, with many borough offices at stake, both the Midland Democratic and Republican parties held rallies Sunday evening.

Rudolph Presutti, Democratic rally chairman, said 150 attended the Democratic meeting in Council Chambers in the Borough Building.

Mayor Eli Corak, chairman, presided. Presutti said Democrats are promising the voters progress in controlling the borough's air pollution problems over the next two years.

Candidates, committeemen, workers and the public attended.

John Reider, Republican chairman, reported about 50 candidates, committeemen, workers and volunteers attended the Republican meeting at the headquarters on Midland Ave. near 7th St. Instructions were given and watcher certificates handed out.

He said the party is appealing to the "good judgment" of voters for "a two-party system over the domination of the Democratic Party." He said candidates will be out again tonight knocking on doors, asking support.

Polls will be open Tuesday from 7 a. m. to 8 p. m.

Industry Crash Injures Couple

A Midland man and an Industry woman are in "good" condition today in Rochester General Hospital after brakes let loose on their car Saturday about midnight on "Mystery Mile Rd." in Industry, the hospital reported.

According to the hospital report, George Meyers, 47, of the Midland Hotel, Midland, suffered a possible head injury and lacerations and contusions.

Mrs. Lila Taylor, 50, of Industry R. D. 1, received an injury of the head, and contusions of the back and elbow. The hospital reported the woman was the driver. Both were admitted Sunday at 12:30 a. m.

Industry Police Chief Guy St. Esprit said he was not notified of the accident, which occurred on a large strip of new highway built by the Pennsylvania State Highway Department a couple years ago and never connected with any major highway.

Rusk Says Far East Talks 'Successful'

WASHINGTON (AP) — Secretary of State Dean Rusk has returned from what he termed successful conferences with leaders in Japan and South Korea.

Rusk, Secretary of Labor Arthur J. Goldberg and Secretary of Commerce Luther H. Hodges arrived Sunday night after a week in the Far East.

Rusk said three days of economic meetings with Japanese leaders at Hakone were very useful and very successful.

Rusk held a news conference during a stopover at Anchorage, Alaska. He said Berlin "is not lost and not going to be lost." The situation in Laos will require further planning, he said.

Irondale Driver Hurt As Auto Strikes Bank

An Irondale motorist was treated at City Hospital Saturday night for injuries received in a traffic crash on Route 213 about a half mile from the Yellow Creek junction.

Cecil Slusher, 38, received lacerations of the lower lip and contusions the chest when his auto struck an embankment on a curve.

He was taken to City Hospital by Jefferson County Sheriff's Deputy Thomas Blackburn of Irondale, who investigated. The left front of Slusher's car was damaged.

Deputy Blackburn has not fully recovered from a broken leg received this summer when he fell from a wall south of Toronto while directing traffic at the scene of an accident.

Man Nabbed In Car Theft

Apprehended in a car less than 30 minutes after it was reported stolen, a Chester man was bound to the Grand Jury today in Municipal Court after pleading guilty to a charge of operating a motor vehicle without the owner's consent.

Robert Lawrence Vaughn, 1030 Neptune St., was arrested on E. 3rd St. by Chester police who followed the car from Chester after receiving a police broadcast about the stolen car.

Vaughn signed a guilty plea and waived a preliminary hearing when arraigned before Acting Municipal Judge Paul Tobin on a charge filed by Lt. William E. McDaniel. His bond was set at $1,000.

McDaniel said Stanley Simcox reported to city police at 2:57 a. m. today that the 1957 auto owned by his sister, Suzanne Merchant, 317 Jackson St., had been taken. As Simcox was giving a description of the auto, the officer said he recalled seeing a car answering the description in the Diamond a few minutes earlier.

Police notified the Hancock County authorities and the Columbiana County sheriff's office.

Lt. McDaniel said Patrolman Clarence Lennens of Chester radioed police a few minutes later he was following the car headed toward East Liverpool from Chester and police sent a cruiser to aid in halting Vaughn. Lennens finally stopped the auto on E. 3rd St. and turned Vaughn over to city police.

Meanwhile, officers said a 1953 station wagon owned by Richard E. Monroe, 440 Orchard Grove Ave., which was stolen late Friday morning from Rural Ln., was recovered at 5:06 p. m. Saturday in a parking lot at E. 5th St. and Peach Alley by Patrolman Kent Garvey.

Driver Cited After Crash

A 19-year-old Salineville area youth was cited Sunday afternoon by the Ohio Highway Patrol at Lisbon after his car rammed the rear of another on Route 164 near Lisbon when he was unable to stop because of defective brakes.

Paul K. Stewart of Salineville R. D 1 was charged with failure to stop in the assured clear distance after his 1957 sedan hit the rear of a 1951 sedan operated by James L. Kinnard, 37, of Alliance.

The mishap occurred at 1:25 yesterday afternoon about 2.8 miles south of Lisbon.

Stewart, headed north, was unable to slow for Kinnard's car ahead, officers said, so he attempted to pass, crossing a yellow line.

When Stewart saw oncoming traffic, he had to cut back into the right lane, and his car hit Kinnard's, causing minor damage to both vehicles.

Grapes seem to have unusually good flavor, size and color this year. Banana supplies will remain about the same. The quality of most bananas will not be excellent and the quality will vary from market to market and week to week.

Total supplies of canned vegetables for this year will be moderately larger than a year ago and well above average. Except for green beans, most major items will be in larger supply than a year ago.

Frozen vegetable supplies are also large, with Oct. 1 stocks of major frozen vegetables considerably above last year and average. Specials on many canned and frozen vegetables can be ex- supply situation.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In case after case, while gently relieving pain, actual reduction (shrinkage) took place.

Most amazing of all—results were so thorough that sufferers made astonishing statements like "Piles have ceased to be a problem!"

The secret is a new healing substance (Bio-Dyne®)—discovery of a world-famous research institute.

This substance is now available in *suppository or ointment form* under the name *Preparation H®*. At all drug counters.

Parties Stage Voting Rallies

Preparing for Tuesday's election, with many borough offices at stake, both the Midland Democratic and Republican parties held rallies Sunday evening.

Rudolph Presutti, Democratic rally chairman, said 150 attended the Democratic meeting in Council Chambers in the Borough Building.

Mayor Eli Corak, chairman, presided. Presutti said Democrats are promising the voters progress in controlling the borough's air pollution problems over the next two years.

Candidates, committeemen, workers and the public attended.

John Reider, Republican chairman, reported about 50 candidates, committeemen, workers and volunteers attended the Republican meeting at the headquarters on Midland Ave. near 7th St. Instructions were given and watcher certificates handed out.

He said the party is appealing to the "good judgment" of voters for "a two-party system over the domination of the Democratic Party." He said candidates will be out again tonight knocking on doors, asking support.

Polls will be open Tuesday from 7 a. m. to 8 p. m.

Industry Crash Injures Couple

A Midland man and an Industry woman are in "good" condition today in Rochester General Hospital after brakes let loose on their car Saturday about midnight on "Mystery Mile Rd." in Industry, the hospital reported.

According to the hospital report, George Meyers, 47, of the Midland Hotel, Midland, suffered a possible head injury and lacerations and contusions.

Mrs. Lila Taylor, 50, of Industry R. D. 1, received an injury of the head, and contusions of the back and elbow. The hospital reported the woman was the driver. Both were admitted Sunday at 12:30 a. m.

Industry Police Chief Guy St. Esprit said he was not notified of the accident, which occurred on a large strip of new highway built by the Pennsylvania State Highway Department a couple years ago and never connected with any major highway.

Rusk Says Far East Talks 'Successful'

WASHINGTON (AP) — Secretary of State Dean Rusk has returned from what he termed successful conferences with leaders in Japan and South Korea.

Rusk, Secretary of Labor Arthur J. Goldberg and Secretary of Commerce Luther H. Hodges arrived Sunday night after a week in the Far East.

Rusk said three days of economic meetings with Japanese leaders at Hakone were very useful and very successful.

Rusk held a news conference during a stopover at Anchorage, Alaska. He said Berlin "is not lost and not going to be lost." The situation in Laos will require further planning, he said.

Only a tiny amount of electric or magnetic force is needed to control the action of electrons at very low temperatures.

Irondale Driver Hurt As Auto Strikes Bank

An Irondale motorist was treated at City Hospital Saturday night for injuries received in a traffic crash on Route 213 about a half mile from the Yellow Creek junction.

Cecil Slusher, 38, received lacerations of the lower lip and contusions the chest when his auto struck an embankment on a curve.

He was taken to City Hospital by Jefferson County Sheriff's Deputy Thomas Blackburn of Irondale, who investigated. The left front of Slusher's car was damaged.

Deputy Blackburn has not fully recovered from a broken leg received this summer when he fell from a wall south of Toronto while directing traffic at the scene of an accident.

Man Nabbed In Car Theft

Apprehended in a car less than 30 minutes after it was reported stolen, a Chester man was bound to the Grand Jury today in Municipal Court after pleading guilty to a charge of operating a motor vehicle without the owner's consent.

Robert Lawrence Vaughn, 1030 Neptune St., was arrested on E. 3rd St. by Chester police who followed the car from Chester after receiving a police broadcast about the stolen car.

Vaughn signed a guilty plea and waived a preliminary hearing when arraigned before Acting Municipal Judge Paul Tobin on a charge filed by Lt. William E. McDaniel. His bond was set at $1,000.

McDaniel said Stanley Simcox reported to city police at 2:57 a. m. today that the 1957 auto owned by his sister, Suzanne Merchant, 317 Jackson St., had been taken. As Simcox was giving a description of the auto, the officer said he recalled seeing a car answering the description in the Diamond a few minutes earlier.

Police notified the Hancock County authorities and the Columbiana County sheriff's office.

Lt. McDaniel said Patrolman Clarence Lennens of Chester radioed police a few minutes later he was following the car headed toward East Liverpool from Chester and police sent a cruiser to aid in halting Vaughn. Lennens finally stopped the auto on E. 3rd St. and turned Vaughn over to city police.

Meanwhile, officers said a 1953 station wagon owned by Richard E. Monroe, 440 Orchard Grove Ave., which was stolen late Friday morning from Rural Ln., was recovered at 5:06 p. m. Saturday in a parking lot at E. 5th St. and Peach Alley by Patrolman Kent Garvey.

Driver Cited After Crash

A 19-year-old Salineville area youth was cited Sunday afternoon by the Ohio Highway Patrol at Lisbon after his car rammed the rear of another on Route 164 near Lisbon when he was unable to stop because of defective brakes.

Paul K. Stewart of Salineville R. D 1 was charged with failure to stop in the assured clear distance after his 1957 sedan hit the rear of a 1951 sedan operated by James L. Kinnard, 37, of Alliance.

The mishap occurred at 1:25 yesterday afternoon about 2.8 miles south of Lisbon.

Stewart, headed north, was unable to slow for Kinnard's car ahead, officers said, so he attempted to pass, crossing a yellow line.

When Stewart saw oncoming traffic, he had to cut back into the right lane, and his car hit Kinnard's, causing minor damage to both vehicles.

Now Is Time To Check On Screen Door

By DOUGLAS TUOMEY
Home Construction Writer

The approaching winter season may not be the time we usually think about screens and screened doors, but there is no denying it is the best time for the home owner to recondition his summer equipment.

No lawns to cut, no roadways to edge and weed, and it is a bad time for exterior painting.

The average wooden screened door, because of its necessarily light construction, gives more trouble than solid or glazed doors.

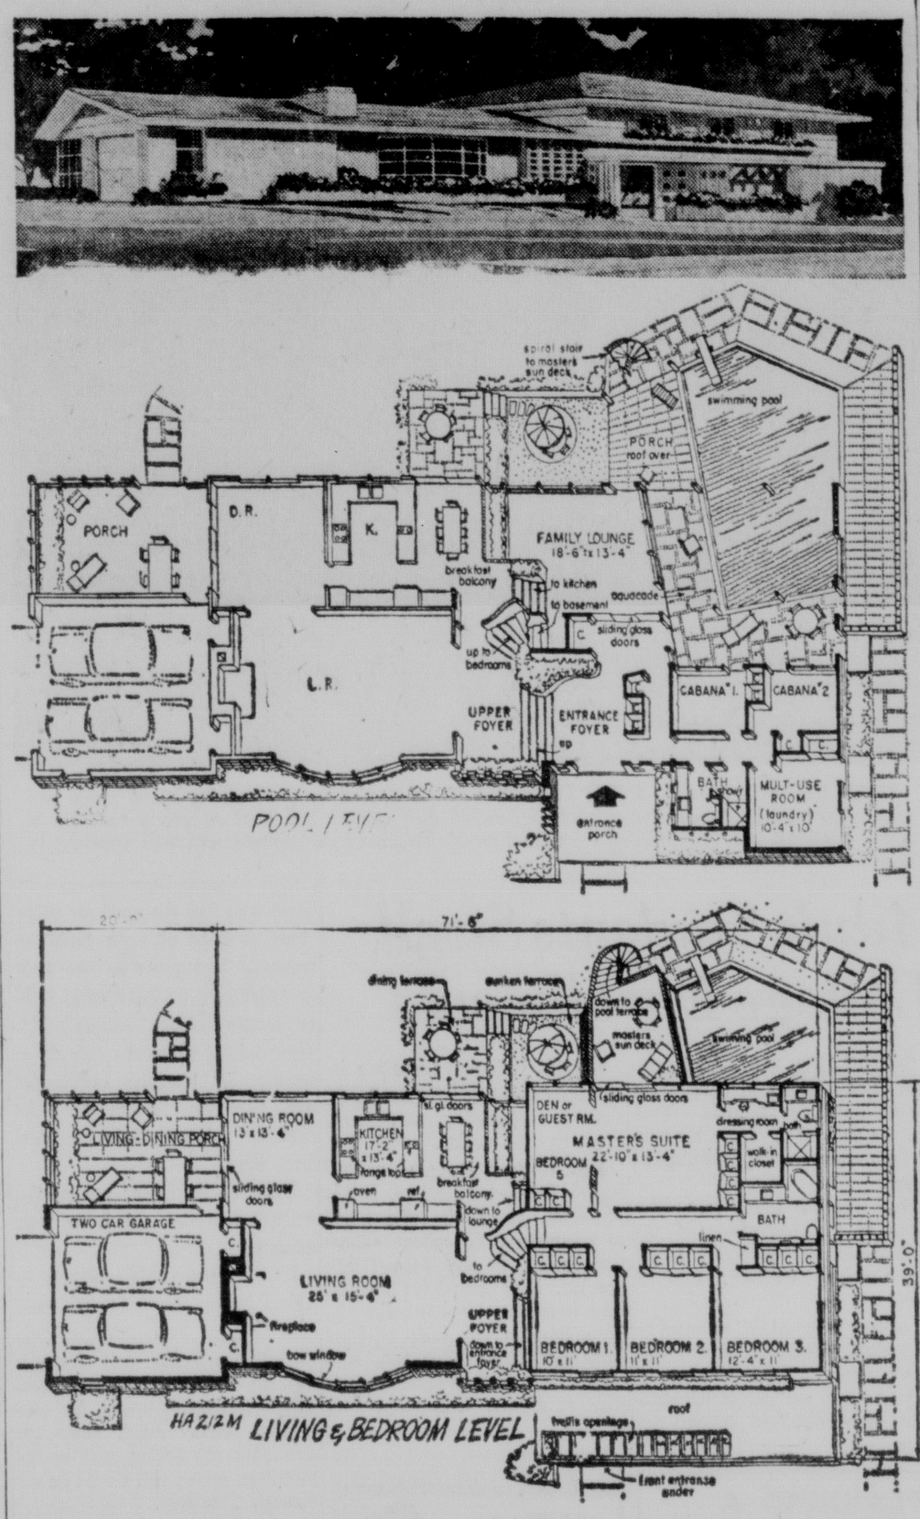

The large open areas covered by screening do not furnish the stiffening effect of a sheet of glass or a wood panel. Therefore, the door which shows signs of breaking apart at the corners should be stiffened promptly with small iron angles set at the corners. These cost only a few cents each in any hardware store.

The screening itself comes in for a large amount of abuse. Some of its from the children who are too small to reach the doorknob and push against the screen, and more from adults with an armful of bundles who stick an elbow out to keep the door from slamming.

This can be done away with by setting two light battens of ¼-by-1¼-inch wood strip at the proper location to protect the screen. The bulges in your own screen will show you where the battens belong. Should you care to be particularly fancy about your screened door, you can buy brass rods with a fitting at each end which can be screwed into the door frame, spanning the screened area.

Screened doors should always have closers. These may be spring hinges, regular automatic closers or the economical coil spring which costs so little and lasts so long.

Light Vote Expected In Pennsylvania

HARRISBURG, Pa. (AP) — A light turnout is expected Tuesday in Pennsylvania's election because of only one statewide race —for state supreme court justice.

But many political observers believe the outcome could indicate how voter sentiment is running for next year's election when Pennsylvanians will select a governor and U.S. senator.

Justice Anne X. Alpern, former Democratic attorney general who was the first woman ever to be appointed to the Pennsylvania Supreme Court, will be seeking a full 21-year term on the high court. Her opponent is Republican Judge Henry X. O'Brien, of Allegheny County (Pittsburgh) Court.

Miss Alpern was appointed last summer by Gov. David L. Lawrence to fill a vacancy on the supreme court caused by the retirement of another justice.

In Pennsylvania Democrats hold the registration edge — 2,841,144 to 2,685,505 for the Republicans.

There also will be balloting in scores of county and municipal races. Pittsburgh Mayor Joseph M. Barr, a Democrat, is a heavy favorite to win re-election over Republican William J. Crehan.

Bringing Up A Family

By GARRY C. MEYERS

Political Debates Should Be Objective

As Election Day approaches, there may be considerable talk in the family about the opposing issues and candidates. Children of the upper grades, junior and senior high school, may be greatly interested in these. Their opinions may not agree with yours. Even you parents may take opposite sides with each other. Although the excitement of the coming election may not, usually, run nearly so high as it does during a presidential campaign, there may be some vigorous local contests.

Dr. Garry Meyers

We parents need to ask ourselves how grown - up and objective we are about candidates and issues and how much our talk within the family, alone or with guests, is ruled by our prejudices and party affiliations and how much by our reasoning.

—:—

IF WE BELIEVE we should always be loyal to the party, except in extreme cases, then we should try to make clear in our discussion that we have this conviction, in which case we would do well to restate in a few words what our party stands for — and also state, as accurately as we can, the basic claims of the opposing party.

If our preference is for a particular candidate, then we should make clear the reason for our preference. Most of all, we should try to let our children see that we are really trying to be reasonable and not just speaking as if we were children six or eight years old.

Not only should we try to give reasons for the issue or candidate we prefer but we also should temper our remarks about the opposing issues and candidates. Rarely does it happen that we could not find something to commend in the issues and candidates we oppose.

—:—

WHEN WE ARE big enough to utter some such commendation, we demonstrate bigness and sportsmanship to our children. We would also do well to have in the home at least two newspapers giving different points of view, and to listen on the air to both sides.

Why should we not tell our children how we are going to vote and the reasons why? Most of all, we want our children to know that we do go to the polls and consider voting an important duty of citizenship.

If our children strongly disagree with our choices, let us not be angry with them but encourage them by precept and example to give good reasons for their opinions.

My "A Parent's Prayer" may be had by sending a self - addressed stamped envelope to me in care of this newspaper.

24 Overpaid Workers Return Excess Funds

CANTON, Ohio (AP) — Twenty-four city workers overpaid as a result of alleged payroll cheating have returned the excess funds, $2,279, to the city, according to City Solicitor Harold E. DeHoff.

The overpayments allegedly came from forged sick leave certificates, pay for days not worked and improper handling of time cards, according to a state examiner's report.

Ohio Jobless Shows Drop During October

COLUMBUS, Ohio (AP) — The number of state jobless benefit checks cleared by the state treasurer's office during October dropped more than 43 per cent from the number cleared six months ago.

"Last month our office cleared 416,040 unemployment checks," State Treasurer Joseph T. Ferguson said today. "This represents a decrease of 320,045 from the 736,085 cleared in April."

The October figure included temporary extended unemployment benefits. It was down by 5,384, or about 1.3 per cent, from the same month a year ago when the temporary benefits were not in effect, Ferguson noted.

Mining Figure Dies

SOUTH SHAFTSBURY, Vt. (AP)—F. Cecil Baker, 72, a leading figure in the mining industry for many years, died Sunday. He was born in London.

When Confederate soldiers sang their ironic song about "goober peas," they were singing about peanuts.

Ingot Output Hits '61 High

CLEVELAND (AP)—Ingot production, cut back when automotive strikes reduced early autumn demand, is on the rise again and October's 9.1 million ingot ton output was the highest of any month this year, Steel Magazine said today.

At their weekly rate of 2.1 million tons, the mills produced enough ingots during October to exceed by nearly 400,000 tons the amount required to keep even with the month's shipment of 6.6 million tons of finished steel.

For the first 10 months of this year, the industry has turned out 79.6 million tons against 87. 3 million tons in the like period of 1960, the wekly journal of metalworking said.

The magazine said the Youngstown district steelmaking rate held unchanged at 61 per cent of 1960 capacity for the week ended Nov. 4, and producers reported a slowdown in automotive orders. Cincinnati's rate rose to 84 per cent of 1960 capacity, with one area mill running close to 100 per cent of capacity in the weekended Nov. 4, Steel said.

Scrap prices fell off by $3.66 a gross ton last week to $34.67, whic is the lowest since February, the metalworking journal said.

Minute Men Set CD Promotion

LOS ANGELES (AP) — The leader of a group known as Minute Men, intended for civil defense in event of a Communist invasion or takeover, plans a 10-day series of meetings with followers on the West Coast.

Robert B. DePugh said the wildcat organization's only purpose is to promote civil defense at the grass roots and to train civilians in event of war or insurrection.

California Gov. Edmund G. Brown last week called the Minute Men guerrilla bands and estimated they have 2,500 members in California.

DePugh said at his home in Norborne, Mo., he will hold meetings this week in Los Angeles, San Diego, San Francisco, Portland, Seattle, Tucson and Phoenix.

Noted Writer Dies

CLARK, N.J. (AP)—Louis Vincent Hunter, 49, one of Canada's best-known correspondents in World War II, died Saturday. Hunter, one of 12 Canadian newspapermen named an officer of the Order of the British Empire for wartime service, had a heart ailment. He covered the war for the Canadian Press.

Farm Bureau Names 7 For Board Posts

LISBON — Seven were elected to posts on the Board of Directors of the Columbiana County Farm Bureau at the annual meeting Saturday night at Knox Local School. Over 260 attended.

Named were Dawson Irey of Lisbon R. D. 4, Donald Smith of Lisbon R. D. 3, Richard Denny of Beloit R. D. 2, Galen Greenisen of Salem R. D. 3, Allen Chamberlin of Leetonia R. D. 2, Leland Baker of Lisbon R. D. 5 and Herbert Frischkorn of Wellsville R. D. 1.

The election followed a report of the nominating committee given by Mrs. Evelyn Hoopes of Beloit R. D. 2. Mrs. Arlen Weaver of East Rochester R. D. 1 and Mrs. Floyd Sidwell of Columbiana R. D. 2 were returned as women members of the board. Leland Baker and Ronald Rupert of New Waterford R. D. 1 were named delegates.

Reorganization of the board is set Thursday night at 8 in the county offices on S. Market St.

Principal speaker was C. N. Griffith, director of personnel and public relations for the Farm Burea Association. Whitney Ingraham, Farm Bureau manager, gave a series of annual reports. G. V. Weinstock, district sales manager, reported on insurance.

The reports showed there are 497 Farm Bureau families — 11 more than in 1960. Three new advisory councils were organized during the year.

Allen Chamberlin, president of the board, presided. Mrs. Sidwell gave the secretary's report and the Rev. Richard Borngen of the United Church of Christ near North Georgetown presented the invocation. Special music was given by the Dwight Wafler family, the Minerva Quartet and Lynn Dildreth.

Publisher Claimed

VICKSBURG, Miss. (AP)—Louis P. Cashman Sr., 74, editor and publisher of the Vicksburg Evening Post and president of the Delta Broadcasting Co. (WQBC), died Sunday after an illness of several months. Cashman, who had been in newspaper work 53 years, was first employed by his father, the late John G. Cashman, who founded the Evening Post in 1883.

Windows Developed For Fallout Shelter

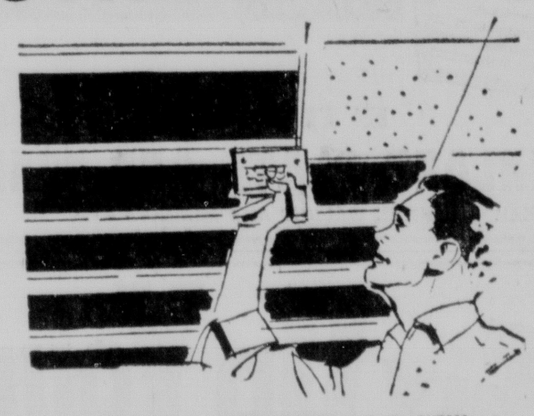

CORNING, N.Y. (AP) — Radiation-tight windows that would provide a glimpse of the outside from a family fallout shelter have been developed by Corning Glass Works.

The glass portholes, four inches square and up to 36 inches thick, are designed to ease the mental strain of confinement. The company said a 24-inch-thick window with frame and casing is priced at "less than $100."

24 Overpaid Workers Return Excess Funds

CANTON, Ohio (AP) — Twenty-four city workers overpaid as a result of alleged payroll cheating have returned the excess funds, $2,279, to the city, according to City Solicitor Harold E. DeHoff.

The overpayments allegedly came from forged sick leave certificates, pay for days not worked and improper handling of time cards, according to a state examiner's report.

Tax Official Dies

COLUMBUS, Ohio (AP)—Ferd F. Becker, 70, chief of the county affairs division of the Ohio Department of Taxation and a former Auglaize County auditor in the 1920s, died Sunday at University Hospital after an extended illness.

Ohio Jobless Shows Drop During October

COLUMBUS, Ohio (AP) — The number of state jobless benefit checks cleared by the state treasurer's office during October dropped more than 43 per cent from the number cleared six months ago.

"Last month our office cleared 416,040 unemployment checks," State Treasurer Joseph T. Ferguson said today. "This represents a decrease of 320,045 from the 736,085 cleared in April."

The October figure included temporary extended unemployment benefits. It was down by 5,384, or about 1.3 per cent, from the same month a year ago when the temporary benefits were not in effect, Ferguson noted.

Mining Figure Dies

SOUTH SHAFTSBURY, Vt. (AP)—F. Cecil Baker, 72, a leading figure in the mining industry for many years, died Sunday. He was at one time president of the American Potash & Chemical Company and chairman of the advisory committee in the United States for Consolidated Goldfields of South Africa, Lt., a British firm with operations all over the world. He was born in London.

When Confederate soldiers sang their ironic song about "goober peas," they were singing about peanuts.

Ingot Output Hits '61 High

CLEVELAND (AP)—Ingot production, cut back when automotive strikes reduced early autumn demand, is on the rise again and October's 9.1 million ingot ton output was the highest of any month this year, Steel Magazine said today.

At their weekly rate of 2.1 million tons, the mills produced enough ingots during October to exceed by nearly 400,000 tons the amount required to keep even with the month's shipment of 6.6 million tons of finished steel.

For the first 10 months of this year, the industry has turned out 79.6 million tons against 87. 3 million tons in the like period of 1960, the wekly journal of metalworking said.

The magazine said the Youngstown district steelmaking rate held unchanged at 61 per cent of 1960 capacity for the week ended Nov. 4, and producers reported a slowdown in automotive orders. Cincinnati's rate rose to 84 per cent of 1960 capacity, with one area mill running close to 100 per cent of capacity in the weekended Nov. 4, Steel said.

Scrap prices fell off by $3.66 a gross ton last week to $34.67, whic is the lowest since February, the metalworking journal said.

Minute Men Set CD Promotion

LOS ANGELES (AP) — The leader of a group known as Minute Men, intended for civil defense in event of a Communist invasion or takeover, plans a 10-day series of meetings with followers on the West Coast.

Robert B. DePugh said the wildcat organization's only purpose is to promote civil defense at the grass roots and to train civilians in event of war or insurrection.

California Gov. Edmund G. Brown last week called the Minute Men guerrilla bands and estimated they have 2,500 members in California.

DePugh said at his home in Norborne, Mo., he will hold meetings this week in Los Angeles, San Diego, San Francisco, Portland, Seattle, Tucson and Phoenix.

Noted Writer Dies

CLARK, N.J. (AP)—Louis Vincent Hunter, 49, one of Canada's best-known correspondents in World War II, died Saturday. Hunter, one of 12 Canadian newspapermen named an officer of the Order of the British Empire for wartime service, had a heart ailment. He covered the war for the Canadian Press.

Despite decades of careful study, ornithologists still do not know why birds rub their feathers with live ants.

Farm Bureau Names 7 For Board Posts

LISBON — Seven were elected to posts on the Board of Directors of the Columbiana County Farm Bureau at the annual meeting Saturday night at Knox Local School. Over 260 attended.

Named were Dawson Irey of Lisbon R. D. 4, Donald Smith of Lisbon R. D. 3, Richard Denny of Beloit R. D. 2, Galen Greenisen of Salem R. D. 3, Allen Chamberlin of Leetonia R. D. 2, Leland Baker of Lisbon R. D. 5 and Herbert Frischkorn of Wellsville R. D. 1.

The election followed a report of the nominating committee given by Mrs. Evelyn Hoopes of Beloit R. D. 2. Mrs. Arlen Weaver of East Rochester R. D. 1 and Mrs. Floyd Sidwell of Columbiana R. D. 2 were returned as women members of the board. Leland Baker and Ronald Rupert of New Waterford R. D. 1 were named delegates.

Reorganization of the board is set Thursday night at 8 in the county offices on S. Market St.

Principal speaker was C. N. Griffith, director of personnel and public relations for the Farm Burea Association. Whitney Ingraham, Farm Bureau manager, gave a series of annual reports. G. V. Weinstock, district sales manager, reported on insurance.

The reports showed there are 497 Farm Bureau families — 11 more than in 1960. Three new advisory councils were organized during the year.

Allen Chamberlin, president of the board, presided. Mrs. Sidwell gave the secretary's report and the Rev. Richard Borngen of the United Church of Christ near North Georgetown presented the invocation. Special music was given by the Dwight Wafler family, the Minerva Quartet and Lynn Dildreth.

Publisher Claimed

VICKSBURG, Miss. (AP)—Louis P. Cashman Sr., 74, editor and publisher of the Vicksburg Evening Post and president of the Delta Broadcasting Co. (WQBC), died Sunday after an illness of several months. Cashman, who had been in newspaper work 53 years, was first employed by his father, the late John G. Cashman, who founded the Evening Post in 1883.

Windows Developed For Fallout Shelter

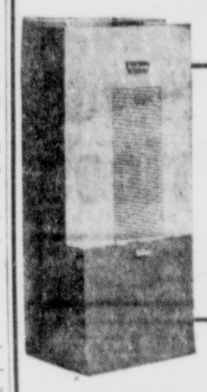

CORNING, N.Y. (AP) — Radiation-tight windows that would provide a glimpse of the outside from a family fallout shelter have been developed by Corning Glass Works.

The glass portholes, four inches square and up to 36 inches thick, are designed to ease the mental strain of confinement. The company said a 24-inch-thick window with frame and casing is priced at "less than $100."

Seek Contributions

CLEVELAND (AP) — Contributions from 600 Cleveland business firms will be sought Tuesday through Thursday by presidents of 19 colleges that are members of the Ohio Foundation of Independent Colleges (OFIC). The contributions will be applied toward the operating expenses of the 32 non-tax supported OFIC member schools.

Tips Offered On Removing Of Old Wax

AP Newsfeatures

Question: The hardwood floor in our dining room was waxed a couple of years ago and hasn't been done since.

We'd like to redo it. Can you tell us how to clean off the old wax, which has turned slightly yellow, and what kind of wax to use to get the best result?

Answer: The fact that the old wax turned yellow indicates that it may have been one of the synthetic resin waxes, which are fine for vinyl and most types of resilient flooring but not recommended for wood. To remove the old wax, get a wax remover from your hardware dealer, explaining to him that it's for a wooden floor.

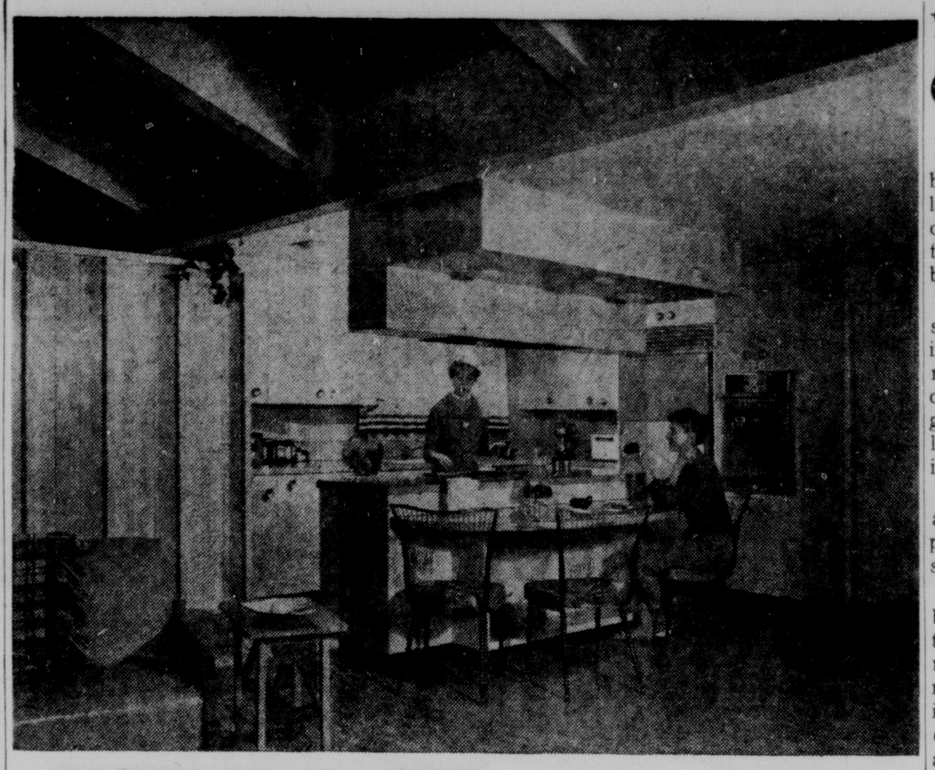

In getting a new wax to re-do the floor, be sure to select one of the good quality buffing waxes rather than the self-polishing type. Most self-polishing waxes have a water base — and water tends to cause the surface grain of wood to rise and swell.

The self - polishing waxes are excellent for vinyl, asphalt tile and linoleum. The buffing waxes are better for wood and cork. These waxes are known as solvent waxes.

Vice Investigation Will Be Continued

NEWPORT, Ky. (AP) — Campbell Circuit Judge Ray L. Murphy was to enpanel a grand jury today to continue an investigation of northern Kentucky vice.

The Court of Appeals Saturday refused to grant a temporary writ which would have barred Judge Murphy from empaneling the jury.

Adult Students Swell College Enrollments

CLEVELAND (AP)—Adult students are flocking to colleges in record numbers for part - time courses and are playing a big part in the post-war college enrollment boom.

That was the word from delegates to the convention of the Association of University Evening Colleges (AUEC), meeting here.

Leaders in the AUEC referred to the adult enrollment, which has grown from almost nothing 25 25 years ago, as "one of the post-war phenomena" of college development.

The 141 U.S. and Canadian institutions who belong to the AUEC have total part-time enrollments of nearly one million.

Most of these students, according to Richard A. Matre, AUEC president, are adults who failed to complete their college educations while in the normal age bracket. Now they have decided they would have much better opportunities in life with at least some college education, said Matre, dean of the University College at Loyola University, Chicago.

Then there are graduate students who feel the need for more study to keep up with rapid increase in technology or who want to broaden their knowledge. Other groups include graduate students taking education courses to qualify for teaching certificates and employes in industry who seek to increase their technical knowledge.

Many of the latter get partial or full financial aid from their employers.

Five Northern Ohio schools — Akron University, Baldwin - Wallace College, Fenn College, John Carroll University and Western Reserve University — were hosts at a social hour opening the convention Sunday night. Some 200 educators are taking part in the meetings, which will continue through Thursday.

Wood Boasts Of Durability

AP Newsfeatures

New building materials have been getting so much attention lately that some people are inclined to forget that wood continues to be the number one home-building product.

Since durability is so often associated with the new materials, it might be well to point out that many species of wood also lay claim to long life. In the top category of these durable kinds of lumber is redwood, which grows in such profusion in California.

A prime example of redwood's ability to remain intact for a long period occurred recently in that state.

A redwood building that had been built on the campus at Whittier College back in 1909 was moved to another site, there to be remodeed and expanded. The original intention had been to tear down the 52-year-old building, but a thorough examination disclosed that the wood was as sound as when it was built. The decision to move the structure resulted in large savings.

Redwood's durability is due to certain natural substances in the red heartwood. The cream-colored sapwood is as subject to decay or insect attack as that of any other species. For this reason, all-heart grades have been set up so that the consumer will have no trouble purchasing what he wants.

Thus, the advice: if the redwood is to be used outdoors or any other place where durability is a factor, be sure you get heartwood, which varies in color from cherry to a dark mahogany tone. The grades containing sapwood, which is almost white, are more economical.

The contrast of creamy sapwood and rich red heartwood makes striking interior paneling.

The Forest Products Laboratory of the United States Agriculture Department lists redwood in the ' most decay - resistant" class, those few specise which are "durable even when used under conditions that favor decay."

Redwood also is one of the few American woods known to be naturally termite-resistant. It is most important commercially because of the greater proportion of heartwood available.

Redwood needs no finish and can be left to weather naturally. However, it is very often finished to enhance, modify or change its natural appearance. The natural finishes retain the regular grain and texture and modify the color only slightly. Water repellents, stains, bleaches, linseed oil and paints are among the finishing materials used.

Varnishes are not recommended.

West Point Plebe Faces Probe In Mystery Flight

WEST POINT, N.Y. (AP) — United States Military Academy Plebe Paul M. Weaver II was confined to his quarters today pending an investigation of his mysterious flight from the Academy Aug. 30.

Weaver, 18, turned up in his hometown of Portsmouth, Ohio, Saturday after hitchhiking about the South and doing odd jobs as he went.

He was returned here Sunday by military officials after his father notified the FBI that he was home.

The father, Paul M. Weaver, said the youth was "bewildered" and had been unaware that he was the object of a nationwide search.

After young Weaver was gone from the Academy 30 days, he was dropped from its rolls and declared a deserter — a routine administrative procedure.

Portsmouth sources said they understood Weaver may be allowed to resign from the Academy instead of facing disciplinary action.

Students And Faculty Protest Atomic Tests

BAY CITY, Mich. (AP)—A sit-in by students and faculty members of Delta College in protest against nuclear weapons testing continued Sunday night in a farmer's field near the college, despite cold weather.

The sit-in was organized by Bernard F. Heidtman, 21-year-old Bay City sophomore, near a country road leading to the college southwest of here. It started Saturday, and so far has been orderly.

Heidtman said the group intended to sit in groups of three to five for two-hour stretches until 168 hours had elapsed.

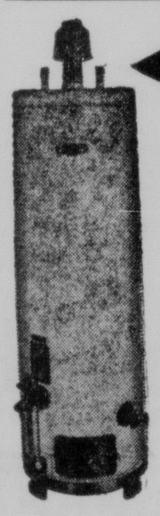

Bay County sheriff's deputies said about 12 persons gathered at the site Sunday night around a huge fire.

A raw egg is often mixed with buckwheat groats before the cereal is cooked as a meat or poultry accompaniment. If you do this, break the egg right into the groats and mix well with a fork or spoon; the egg does not have to be beaten before it is added.

Walk On Cloud Of Color

By VIVIAN BROWN
AP Newsfeatures Writer

Time was when only beat-up floors were painted.

But now it is fashionable to paint floors for contrast or to give a lift to a tired, dull room. One is likely to see the best of floors wearing a coat of paint in the newest, gayest decorator colors.

West Virginia Wrecks Kill 7

By The Associated Press

Rain helped contribute to another costly weekend on West Virginia highways, with at least seven persons reported dead. Wet roads figured in five or more of the fatalities.

At dusk yesterday, one car hit another broadside on the West Virginia Turnpike about 12 miles south of Charleston, killing a West Virginia woman and a Virginia couple.

The dead were identified as Arlie O. Dolin, 24, and his wife, 27, both of Roanoke, Va., and Linda Lee McManus, 20, of Oak Hill.

State Trooper R. M. Hoffman said the McManus woman's car, heading toward Charleston, went into a slide as she passed another car. The McManus vehicle collided broadside with the southbound Dolin car.

Near Huntington, 39-year-old Wendell Adkins, died when his auto left U. S. 52. His 10-year-old son, Wendell Lee, and another passenger, William Hughes, 41, also of Huntington, were seriously hurt.

Bill Joe Hall, 17, of Wharton, died in a Charleston hospital yesterday a few hours after the automobile in which he was riding left a Boone County road and overturned.

Two fatal accidents Saturday occurred on rain-slick highways.

The victims of those mishaps were Dan Chafin of Newton, Mingo County and Roger Ferguson, 17, of Route 1, Kenova.

Chafin, 23, was killed when an automobile left U. S. 52 and plunged 90 feet into a ravine about 20 miles southeast of Williamson.

Baseboard Heating Serves To Update An Older System

CHICAGO — Baseboard heating can be installed in any existing house or other building without fuss or muss and without cutting into walls or floors.

Thus, baseboard heating is an ideal way to bring the heating system in a middle-aged house up to date or to expand the system to heat additional rooms.

Also contributing to the ease with which a baseboard heating system can be installed is the use of small diameter pipe or tubing. There is no need for chopping into walls or ripping up floors because the pipe or tubing can be "snaked" through small spaces as easily as electrical conduit, the Plumbing - Heating - Cooling Information Bureau says.

When a baseboard heating system is being installed in a new home or in an existing building, this is the time to "zone" the home. This means dividing the system into different control areas with the temperature in each region or zone controlled by a separate thermostat.

Baseboards are a popular form construction as well as modernization. Baseboard heating offers wrap-around warmth along the cold outside walls and windows of every room in the house.

The strategic location of these heat distributors counteracts the cold and dampness at its source, for 60 to 80 per cent of the home's total heat loss occurs at the outside walls and windows.

Ohio Treasurer Shows Alarm At Check Forgeries

COLUMBUS, Ohio (AP)—State Treasurer Joseph T. Ferguson expressed alarm today at what he said was a substantial increase in the number of state checks bearing forged endorsements.

He issued a warning to all persons and businesses cashing such checks to be sure to know the endorser.

Ferguson said that in a 10-day period during October his office received 141 affidavits of forgery regarding checks totaling $5,728 drawn on the state for unemployment compensation benefits.

A breakdown showed that 33 per cent of these checks were cashed in bars and restaurants, 32 per cent in grocery stores and the remainder in drug stores, service stations and other business places.

Ferguson said 77 per cent of these state warrants were cashed in the Northeastern Ohio area, including Cleveland, Youngstown, Akron and Canton. Thirteen per cent were cashed in the Cincinnati area and the other 10 per cent in the Columbus area.

The treasurer said that in addition to forged endorsements, several attempts have been made to alter the monetary figures on the checks.

He said forged endorsements also have been reported on checks drawn on funds credited to the various state retirement systems, the Industrial Commission and the state auditor.

Ohio's Chief Problem Seen As Education

CLEVELAND (AP) — Ohio has many problems, but education is the biggest, Gov. Michael V. DiSalle told a television audience here.

The governor answered questions on KYW-TV's "Open Circuit" Sunday and urged support of his program, which he said is aimed at improvements in mental health, juvenile training, welfare and education.

Asked by one viewer what he considered the state's biggest problem, DiSalle said the largest increase in costs in Ohio has been in the area of education. Of the increase in Ohio's population, 49 per cent has been in the under-18 group and 25 per cent in the over-65 age group, he said. "More money must be spent in education and more in the area of aid to senior citizens," he declared.

Ohio ranks 21st among the states in teachers' salaries and 40th in aid to education, he said, adding, "I'm almost ashamed to have to say so on television."

The governor, who has been conducting a drive to convince Ohioans of the need for his program, charged that funds provided by the legislature have been less than adequate.

Asked, "Why did you raise taxes so high?" the governor said:

"Taxes are not so high. Ohio is 43rd when you measure state taxes against personal income. And I'll measure our industrial taxes against any state's."

Time was when only beat-up floors were painted.

But now it is fashionable to paint floors for contrast or to give a lift to a tired, dull room. One is likely to see the best of floors wearing a coat of paint in the newest, gayest decorator colors.

Old floors may require preparation before they are painted. Cracks should be filled in. Caulking compounds are available for that purpose and their oil ingredients permit the part that is exposed to air to harden as it protects and keeps elastic the compound not on the surface.

You can't sand over these floor fillings so it is best to sand in advance of the floor treatment.

MANY PEOPLE prefer a professional sander. The job is dirty, tiresome, noisy and unpleasant and amateurs are likely to give up in despair or do a slipshod job. Sanding machines may be rented at hardware, lumber and general stores and the rental agent will give instructions on the operation of the machine and use of sandpaper.

You may prefer to paint your floors without any sanding. It has been done successfully and works out best when a darker color is used over existing paint or when the floors have not been previously painted.

But paint experts advise that it is always better to prepare a surface that is to be painted, for more satisfactory paint adhesion.

Floors should be painted when the room is relatively cool and dry.

Ann Landers

ANSWERS YOUR PROBLEMS

Dear Ann Landers: Our daughter went away to college in September. She is 18 and sensible. Her dad and I eagerly await her letters, as you can understand.

Yesterday she wrote: "My roommate and I had a great time Saturday night. We went to George and Tom's apartment and fixed dinner. Am I ever glad you made me learn how to cook, Mom! They were flabbergasted. After dinner we cleaned the place up and played bridge. It was a swell evening."

My husband hit the ceiling. He said the girls had no business going to the boys' apartment and that college life was going to turn our daughter into a little tramp.

Is he right? Frankly, I didn't know what to say to him. Other mothers must write about this. What do you tell them?—TTO.

-:-

Dear TTO: One of the nice things about going away to college is that the parents can't go along.

By the time a girl is 18 her pattern of behavior is fairly well set. If your daughter was properly reared, you don't have to worry. If she wasn't, worrying won't help now.

Cooking dinners in apartments is part of college life. It offers the students relief from dormitory fare and affords the gals a chance to show off their domestic skills. It gets my okay.

Stepson's Dilemma

Dear Ann: When I was 12 my father married a very nice woman. I was happy for him because my mother died when I was a baby and I knew Dad was lonesome.

For reasons I don't understand the marriage didn't work out and two years later they separated. My stepmother moved to another city.

Now I am 16, and quite a grown-up young man. There was no divorce, so this woman is still my legal stepmother. Next month she is coming to this city to visit her parents. She has written and invited me to come to their home to see her. I asked Dad what he thought and he said it was all right with him.

Should I kiss her, shake hands—or what? She was very good to me and I liked her a great deal.—GROWN UP.

-:-

Dear Grown Up: Wait until you see her — then let your heart make the decision.

Ungrateful Relatives

Dear Ann: My brother and his family needed a place to live temporarily. We rented them our lovely two-bedroom home at a very low figure. They seemed grateful and said they'd pay us back some day.

Well — this is how they paid us back:

Last week they moved out. After 10 months the house is a wreck. My brother's daughter pounded 33 holes in her bedroom wall hanging up pictures of Fabian. The bathroom tile is cracked because their son produced a small explosion with a chemistry set. The lawn furniture is wrecked, as it was left outside. Doorknobs are missing and two windows are broken.

We asked them to please put the house back in shape. They said, "This is the owners' responsibility."

Why are relatives such pigs? Shall we sue?—VJ.

-:-

Dear VJ: Strangers can behave like pigs, too. It's just worse when relatives do.

You should have had their promise in writing that they would leave the house in first class condition. Don't sue. It would be messy, expensive and probably unavailing.

Ann Landers will be glad to help you with your problems. Send them to her in care of The Review, enclosing a stamped, self-addressed envelope.

Democrat Says Ike Helped Him Win In Election

SAN ANTONIO, Tex. (AP)—Henry B. Gonzalez, a liberal Democrat and Texas' newest congressman, says he owes his election in the 20th District in part to ex-President Dwight D. Eisenhower.

Eisenhower stumped San Antonio last week for Gonzalez' principal opponent in Saturday's special election, conservative Republican John Goode Jr.

Gonzalez defeated Goode by 52,855 to 42,553 with three other Democrats polling a total of about 1,500 votes. He will succeed Rep. Paul Kilday, Democrat, who resigned to become a federal judge.

Gonzalez left for New York where he'll join the campaign of Mayor Robert F. Wagner for re-election.

$27,430 Set As Budget Of Church Camp

A budget of $27,430 was approved at a meeting of the trustees of the Beaver Creek United Presbyterian Church Saturday afternoon at the camp lodge at Grimms Bridge.

Robert Hummer of Girard, chairman, appointed a nominating committee comprised of the Rev. Ralph Johnson of Salem, the Rev. Calvin Martin of Mineral Ridge and the Rev. Gene Toot of East Liverpool.

The Rev. Mark Allen of Toronto announced that the Synod of Ohio will assist with the leadership for "Family Camp" next year.

The Rev. Ralph Johnson of Salem, in the absence of the Rev. Raymond Brubaker of Columbiana, operations committee chairman, reported that the camp is being prepared for winter weather. The committee will call a meeting on the 1962 staff in the near future.

The Rev. Boyd Burd of Kensington, chairman of the administration committee, gave a report on insurance coverage of campers. He said that the company recommends all campers have their family doctors sign registration blanks, but this is not mandatory.

New place mats were on display. They will be sent to any United Presbyterian Church free of charge upon request. They can be used for coverdish suppers or for meetings of women's associations.

Reports were given by Marion Horger, treasurer, and Mrs. Allen Pepin, secretary. Both are of East Liverpool.

The opening prayer was given by Rev. Burd and the closing prayer by Rev. Johnson.

Refreshments were served by Mrs. George Reynolds.

The next meeting will be Jan. 13 at 1:30 p. m. at the Longs Run United Presbyterian Church.

Defense Attorney Has Mumps, Trial Delayed

ATHENS, Ohio (AP)—A second-degree murder trial was postponed three weeks because the defense attorney showed up in court today with mumps.

The attorney, James F. Shumaker, is counsel for Donald J. Miller, 21. Miller is charged with the shotgun slaying last February of Edward F. Bobo, 40, of Rt. 3 Athens in a barn behind the house where they lived.

Shumaker said he could go on with the trial, but the three-judge panel decided not to risk the attorney's health and the Athens County prosecutor concurred by setting the trial back to Nov. 27.

Electronic Device To Speed Processing Of Tax Returns

MARTINSBURG, W.Va. (AP)—The Internal Revenue Service announced today a two-year speedup in its program to process all tax returns automatically at an electronic computer center in this Shenandoah Valley city.

Internal Revenue Commissioner Mortimer M. Caplin said IRS expects to complete the conversion to computer operations by 1966. The agency had been thinking earlier in terms of 1968 or possibly 1969.

The speedup announcement was made in a speech Caplin prepared for the dedication of a $750,000 national computer center here. This brick structure eventually will house a master file on 80 million individual and corporate taxpayers. The file will cover 400 miles of magnetic tape to be stored in a single room about 30 by 40 feet.

As part of the shift to electronic tax processing, every taxpayer will be given an identity number so individual accounts won't get mixed up. For 85 per cent of all taxpayers, this will be their Social Security number. All others will be assigned numbers similar to those used in the Social Security program.

The government is counting on the computers to help detect tax cheats, who are estimated to evade about $5 billion in taxes each year. The computers will cross-check the figures on every tax return against reported payments to taxpayers in the form of wages, dividends and interest. This task must now be done by hand, so only spot checks are possible.

Except for the assignment of identity numbers, the new system will not directly affect individual taxpayers. Returns still will be filed with district offices, which will forward them to nine regional service centers now being set up. At the regional centers, information from the returns will be transcribed on punch cards, then on magnetic tape to be shipped to the national center here.

At Martinsburg, incoming tapes will be run against the master file, to see whether everything is in order. The computers also will figure out refunds and obvious underpayments. In addition, they will automatically flag those returns which seem suspicious and these will be returned to district offices for checking.

Caplin said plans for regional centers "are substantially ahead of our original timetable." He said that "at the rate we are now proceeding, every taxpayer in the United States will have his returns processed under this new system by 1966."

Gets Federal Grant

CLEVELAND (AP)—A $254,763 grant from the U.S. Atomic Energy Commission to finance a study on the effects of radiation on the human body has been announced by Western Reserve University. Purposes of the research are to develop protective agents against harmful radiation and to find means of stepping up the killing effects of radiation when it is used intentionally, as in treatment of cancer.

Needle Pattern

By LAURA WHEELER

Warm as a winter coat, wonderful for skating, skiing, casual wear! Goes with skirts, slacks.

New, long jacket — a big-stitch bulky beauty. Knit with jumbo needles, 2 strands of knitting worsted. Note shorter version. Pattern 535: sizes 32-34, 36-38.

Send 35 cents in coins for this pattern to Laura Wheeler, in care of the East Liverpool Review, 45 Needlecraft Dept., P. O. Box 161, Old Chelsea Station, New York 11, N. Y. Print plainly your name, address and the pattern number.

Don't let that parsley go to waste! You may have bought it originally to flavor a soup or a stew, or to serve as a garnish; keep using the rest of it in tossed salads, adding tiny sprigs or mincing.

Marietta College Faces Gigantic Moving Problem

MARIETTA, Ohio (AP)—Problem: How to move 120,000 books and hundreds of magazines from an old library into a new one.

Marietta College faced up to it with all the intellectual ingenuity expected of an institution of higher learning.

The answer arrived at by librarian Richard K. Gardner was surprisingly simple.

Organize the school's 1,500 students and faculty members into a giant book brigade, he said, one that could tote the 120,000 books from the old library across a street into the new $865,000 Dawes Memorial Library.

So that's just what will happen Nov. 15.

Each boy and girl will be limited to carrying a stack of books about 12 inches high, Gardner said, adding: "If the majority of the students turn out, each person will have to make only about 11 trips."

All who work on the project will be compensated—a free lunch on the college.

College Talks Set

YELLOW SPRINGS, Ohio (AP)—About 100 college and secondary school administrators concerned with the problem of financial aid for college students are expected to attend a three-day conference on the subject at Antioch College here starting next Monday. Representatives of tax-supported financial aid programs and privately endowed foundations will be present to explain the roles of their groups.

Electronic Device To Speed Processing Of Tax Returns

MARTINSBURG, W.Va. (AP)—The Internal Revenue Service announced today a two-year speedup in its program to process all tax returns automatically at an electronic computer center in this Shenandoah Valley city.

Internal Revenue Commissioner Mortimer M. Caplin said IRS expects to complete the conversion to computer operations by 1966. The agency had been thinking earlier in terms of 1968 or possibly 1969.

The speedup announcement was made in a speech Caplin prepared for the dedication of a $750,000 national computer center here. This brick structure eventually will house a master file on 80 million individual and corporate taxpayers. The file will cover 400 miles of magnetic tape to be stored in a single room about 30 by 40 feet.

As part of the shift to electronic tax processing, every taxpayer will be given an identity number so individual accounts won't get mixed up. For 85 per cent of all taxpayers, this will be their Social Security number. All others will be assigned numbers similar to those used in the Social Security program.

The government is counting on the computers to help detect tax cheats, who are estimated to evade about $5 billion in taxes each year. The computers will cross-check the figures on every tax return against reported payments to taxpayers in the form of wages, dividends and interest. This task must now be done by hand, so only spot checks are possible.

Except for the assignment of identity numbers, the new system will not directly affect individual taxpayers. Returns still will be filed with district offices, which will forward them to nine regional service centers now being set up. At the regional centers, information from the returns will be transcribed on punch cards, then on magnetic tape to be shipped to the national center here.

At Martinsburg, incoming tapes will be run against the master file, to see whether everything is in order. The computers also will figure out refunds and obvious underpayments. In addition, they will automatically flag those returns which seem suspicious and these will be returned to district offices for checking.

Caplin said plans for regional centers "are substantially ahead of our original timetable." He said that "at the rate we are now proceeding, every taxpayer in the United States will have his returns processed under this new system by 1966."

Gets Federal Grant

CLEVELAND (AP)—A $254,763 grant from the U.S. Atomic Energy Commission to finance a study on the effects of radiation on the human body has been announced by Western Reserve University. Purposes of the research are to develop protective agents against harmful radiation and to find means of stepping up the killing effects of radiation when it is used intentionally, as in treatment of cancer.

Needle Pattern

By LAURA WHEELER

Warm as a winter coat, wonderful for skating, skiing, casual wear! Goes with skirts, slacks.

New, long jacket — a big-stitch bulky beauty. Knit with jumbo needles, 2 strands of knitting worsted. Note shorter version. Pattern 535: sizes 32-34, 36-38.

Send 35 cents in coins for this pattern to Laura Wheeler, in care of the East Liverpool Review, 45 Needlecraft Dept., P. O. Box 161, Old Chelsea Station, New York 11, N. Y. Print plainly your name, address and the pattern number.

Don't let that parsley go to waste! You may have bought it originally to flavor a soup or a stew, or to serve as a garnish; keep using the rest of it in tossed salads, adding tiny sprigs or mincing.

Marietta College Faces Gigantic Moving Problem

MARIETTA, Ohio (AP)—Problem: How to move 120,000 books and hundreds of magazines from an old library into a new one.

Marietta College faced up to it with all the intellectual ingenuity expected of an institution of higher learning.

The answer arrived at by librarian Richard K. Gardner was surprisingly simple.

Organize the school's 1,500 students and faculty members into a giant book brigade, he said, one that could tote the 120,000 books from the old library across a street into the new $865,000 Dawes Memorial Library.

So that's just what will happen Nov. 15.

Each boy and girl will be limited to carrying a stack of books about 12 inches high, Gardner said, adding: "If the majority of the students turn out, each person will have to make only about 11 trips."

All who work on the project will be compensated—a free lunch on the college.

College Talks Set

YELLOW SPRINGS, Ohio (AP)—About 100 college and secondary school administrators concerned with the problem of financial aid for college students are expected to attend a three-day conference on the subject at Antioch College here starting next Monday. Representatives of tax-supported financial aid programs and privately endowed foundations will be present to explain the roles of their groups.

4th-Period TD Nets Beavers 6-0 Victory Over Wellsville

5,000 See Hoppel Score; Gaydos Is Standout

By CHUCK CRONIN
Review Sports Writer

They say one game hardly makes a season, but perhaps an exception is warranted for Beaver Local High's well-conditioned football squad.

Erasing all doubts that their upset victory over Wellsville High's Tigers two years ago was no fluke, the Beavers repeated the feat Saturday night, grinding out a 6-0 triumph in a dramatic defensive struggle.

The difference was wider than the score indicates, however, as the superbly-coached Beavers had helpless Wellsville on the ropes most of the way, with a crowd of nearly 5,000 looking on at Patterson Field.

The arch-rivals battled through three scoreless periods before constantly-plugging Beaver Local registered the touchdown with 3:17 left in a magnificent game of well-matched opponents.

A tremendous defensive effort by Beaver Local's forward wall—which yielded only 56 yards in rushing to Wellsville — plus the running of fullback George Gaydos and halfback Carl Hoppel produced one of the biggest victories in the Williamsport school's six years of football.

—:—

THE SURPRISING Gaydos, a 160-pounder, didn't figure as one of the pre-game principals, but was as hard to stop as a run on the bank in providing an added offensive weapon for Beaver

Local after an injury - marred season spent mostly in faking and secondary roles.

But Gaydos turned out to be one of the deciding factors in gaining 100 yards in 19 carries, intercepting a pass to choke off an attempted late rally by Wellsville and recovering a fumble.

Hoppel maintained his record of having scored at least once against every foe this season, crashing over from the one-foot line for the game's only touchdown.

Like Gaydos, the dimunitive Hoppel was also a terror for Beaver Local, gaining 74 yards in 22 attempts, although he was "keyed" throughout by the Tiger defenders.

Costly penalties, fumbles and an offense that sputtered out added to the woes of Coach Ken Woods' Tigers, who had been rated a one-touchdown favorite in their third meeting with Beaver Local on a neutral gridiron.

The Tigers were penalized 75 yards and a 15-yarder charged against end Jack Culp for piling on was one of the game's turning points.

—:—

COMING LATE in the final period, the infraction moved Beaver Local a vital 15 yards from the Wellsville 30 to the 15, providing opportunity for the Beavers to tally.

With a first down on the Wellsville 15, the Beavers sent utility back John Broadbent over left tackle to the 9, Gaydos plunged to the 4 and another first down, Hoppel bucked to the one-foot line on his 20th carry of the game, then plunged over on the next play.

A holding penalty nullified Hoppel's crash for the conversion and the Tigers smeared Broadbent on a pass attempt on the second try at the two-pointer.

"It was one of our greatest victories, our kids just outplayed them in every respect and I'm real proud of them," Beaver Coach Jack O'Rourke declared.

O'Rourke had plenty of praise for Gaydos, in particular, who was slowed this season with injuries and hadn't lived up to expectations until Saturday night.

—:—

"GAYDOS did a real good job for us with exceptional punting and running, and our two tackles —Roger Walker and Keith Berger—also did exceptionally good jobs," O'Rourke said.

In defeating his high school alma mater, O'Rourke hoisted his record in four years at Beaver Local to 18-16-2 and 28-16-2 counting one year at a Colorado school.

The squad is 6-1-2 this season and now points for Springfield of Mahoning County with everyone in good shape but tackle Gary Bookman and halfback Francis Possage. Each was injured against Wellsville, although apparently not seriously. Gary Rambo missed Saturday's action as the result of a practice injury.

The Beavers made two serious touchdown threats in the second half, while the best Wellsville could do was pick up 18 yards on short runs and passes.

—:—

GAYDOS supplied one opportunity for the Beavers in the third quarter when he raced 40 yards for the night's only exciting scrimmage run to the Wellsville 19.

Quarterback Mike Klembara then lost two yards on an end run, Gaydos picked up only a yard on a slam over the middle and two attempted passes fell far to end the drive.

In another drive, the Beavers marched from their own 44 to the Wellsville 9 and a first down in only eight quick - hitting plays.

On the first down, Hoppel swept end and was brought down at the seven by halfback Alvin Thompson of Wellsville. Sub end Tim Barborak crashed through on second down to drop Hoppel for a two-yard loss. Gaydos picked up two on a plunge, then Hoppel skirted end and got to the four on last down as the Tigers came through with a solid goal line stand.

—:—

"WE WERE outplayed and outhustled, there is no question about it," a dejected Ken Woods said after the game.

"It seems we just can't learn a lesson in losing to a rival school," Woods said in referring to the 6-2 defeat of 1959.

"Our punting was horrible, and our offense really folded. Trying for the big gains was a big mistake, although we can't fumble four times and lose that many yards in penalties and expect to win," he added.

The Tiger offensive attack was almost futile against the aroused Beaver Local line, anchored by tackles Berger and Walker, ends Gary Berhar and George Wilkinson, and guards Dave Stacey and Dave Myers.

Quarterback Roger Ours' 23 yards in seven carries topped the Wellsville runners. Alvin Thompson picked up 12 yards in eight carries, fullback John Euill 13 yards in seven carries, and halfback Mark Leyda eight yards in four attempts.

The Beavers so dominated the action that they got off 67 running-passing plays to only 48 by Wellsville.

—:—

PERHAPS THE only consolation of the Tigers is that they were the first squad to hold star halfback Carl Hoppel to under 100 yards this year.

But Hoppel came through with the touchdown, boosting his season point total to 86 to remain the leading scorer in the district.

The record also should show the clutch running of the Beavers' utility back John Broadbent, whose six-yard run from the Wellsville 15 to the 9 after the roughness penalty was an important effort. Broadbent averaged four-yards per carry in his substitute role. He also spelled at one point for Klembara, who had the most difficult night of the year in hitting his receivers with passes. The Beavers failed to complete any of 10.

It also should be noted that a 15-yard penalty against Beaver Local aided Wellsville's only touchdown bid of the game.

—:—

FOLLOWING a pass interception by Alvin Thompson, the Tigers got a first - quarter march under way from their own 45. Ours picked up nine on a bootleg. Leyda gained one to the Beaver 45, where Hoppel was charged with roughness and a 15-yard penalty.

That moved the ball to the Beaver 29. Leyda scotted to the 22 on a cross-buck and Euill followed with a run to the 19 and a first down.

Then the Tigers were caught offside and were penalized back to the 24. Ours flipped to Dash for six yards to the 19. On a bootleg, Ours was held without gain, then threw short on a pass try. A penalty against the Tigers for delay of game sent the ball back to the Beaver 24 and an incomplete pass on fourth down ended their only threat.

Tiger end Andy Dash suffered a wrenched back in the action, the lone member of the squad to be injured.

Steelers Trip Browns, 17-13

Cleveland Blows 10-0 Advantage

CLEVELAND (AP) — Hopes of a Cleveland Brown championship in the National Foootball League's eastern division were a bit hazy today.

Sunday's weird 17-13 loss to the rampaging Pittsburgh Steelers before a shocked Lakefront Stadium crowd of 62,723 left the Clevelanders two full games behind the defending champion Philadelphia Eagles and one behind the New York Giants with six to go. Cleveland has won five and lost three.

The Browns built up a 10-0 lead in the third period, but a pair of great runbacks by Pittsburgh's John Sample—59 yards with a kickoff and 47 with a punt—allowed the Steelers to tie it.

Reliable Lou Groza kicked a 37-yard field goal—his second of the game and 13th of the season—to give the Browns a 13-10 edge with less than four minutes to go, and then the ceiling caved in.

Bob Franklin's kickoff was fumbled, and two Steelers bobled attempts to pick it up. Then halfback Dick Haley tucked it under his arm and raced 50 yards through the Browns defenders to the Cleveland 37. Two plays later quarterback Rudy Bukich hit Bob Schnelker, the former Bowling Green and New York Giant luminary, with a 26-yard scoring pass to wrap it up for the Steelers.

Schnelker, released by the Browns as a rookie nine years ago, caught the first pass of the game for 59 yards and the last one for 26. In all he snagged 7 of the 12 Steeler completions for a resounding 160 yards.

Buddy Dial, who caught nine for 235 yards as the Browns beat the Steelers 30-28 two weeks ago, snared only one Sunday for 16 yards.

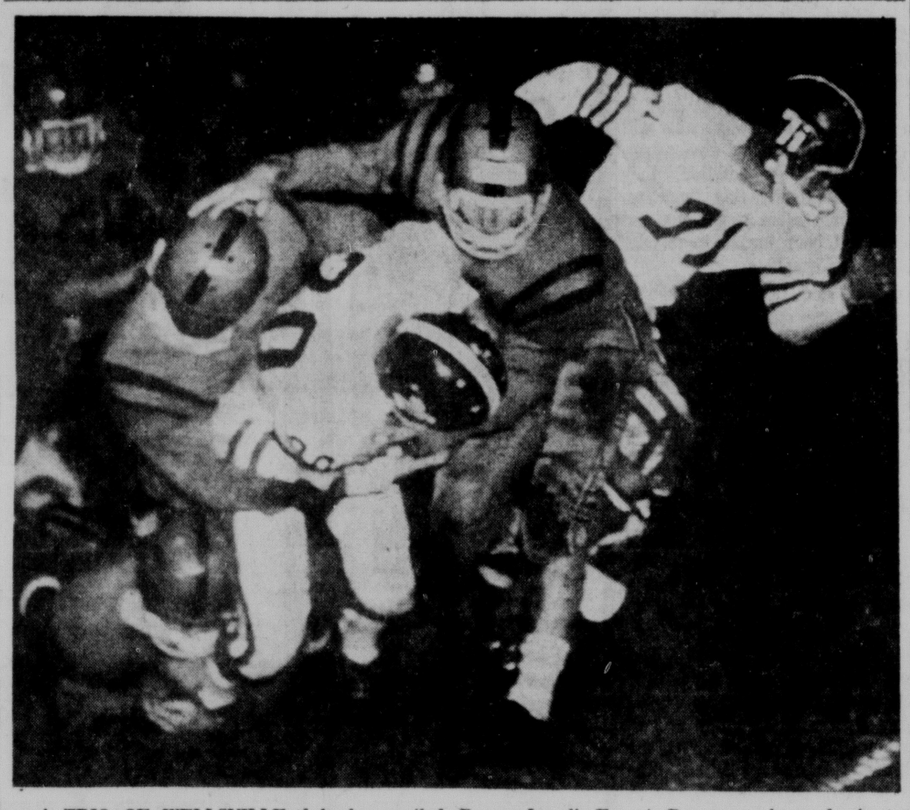

Bobby Mitchell, ace Cleveland halfback who entered the Army last week and whose absence was expected to hamper the club, came home on a weekend pass and wound up losing eight yards in four carries. Tom Watkins, his replacement, went for 46 in 10 tries but suffered a dislocated shoulder and is expected to miss the next two or three tilts.

Cleveland's Jimmy Brown, league rushing leader the last four years, regained the yardage lead from Green Bay's Jim Taylor when he raced for 110 yards in 18 tries and a year's total of 720. He also caught four passes for 38 yards.

Coach Paul Brown summed it up with "those long runbacks ruined us."

Eagles Nip Bears; Packers Lose To Colts

By BOB GREEN
Associated Press Sports Writer

The Philadelphia Eagles won the battle, but suffered a casualty that could make a big difference in the final results of the National Football League war.

Tom Brookshier, the Eagles' defensive captain, suffered a compound fracture of the right leg in the fourth quarter of Philadelphia's 16-14 verdict over Chicago Sunday.

The 1960 all-pro defensive halfback, generally regarded as one of the league's finest pass defenders, will be out for the season.

"It's a costly blow to us," Philadelphia Coach Nick Skorich said. "One of our rookies will have to grow up in a hurry."

He named Glen Amerson and Irv Cross as replacements for the veteran from Colorado this week when the Eagles, leading the Eastern Conference with a 7-1 record, play the first of two vitally important matches with pressing New York.

The Giants stayed one game back of the Eagles, winning their sixth against two losses in a 53-0 rout of winless Washington.

Green Bay, the Western Conference leader at 6-2, was victimized by Johnny Unitas and the Baltimore Colts 45-21, but retained its one-game lead over Chicago.

In other games, San Francisco and Detroit remained tied for third in the West, playing a 20-20 tie; Pittsburgh upset Cleveland 17-13; St. Louis used pass interceptions to beat Dallas 31-17 and Los Angeles took Minnesota, also 31-17.

The Detroit-San Francisco game changed complexion three times in the last 65 seconds. Tommy Davis kicked a 34-yard field goal with 1:05 left to pull the 49ers into a 17-17 tie. Then Jim Martin booted one from the 24, giving Detroit a 20-17 lead. With four seconds left, Davis tied it again on a 41-yard effort.

It left each team with a 4-3-1 record, and coaches Red Hickey of San Francisco and George Wilson of Detroit both say they still have a shot at the title.

Unitas, showing his old-time form, passed for four touchdowns as the Colts beat Green Bay. They played on even terms until Lenny Moore got off on a 38-yard touchdown run with a flat pass just before the half ended. That gave the Colts a 21-14 lead, and they took it from there.

Clarence Peaks bulled over from the two in the third quarter, giving Philadelphia a 16-14 lead over Chicago. The Bears failed on two field goals in the fourth that would have won it. Roger LeClerc missed from the 17 and Ed Brown from the 13.

Y. A. Tittle, Del Shofner and Pat Summerall were the standouts in the Giants' rout of Washington. Tittle passed for three touchdowns, Shofner caught three and Summerall ran his consecutive string of points after touchdown to 107.

Veteran Bob Schnelker was the big gun in the Pittsburgh upset of Cleveland that dropped the Browns out of a share of second place in the East.

Schnelker, released by Minnesota two weeks ago, picked up 160 yards on seven receptions and scored the winning touchdown on a 26-yard pass from Rudy Bukich in the last three minutes.

Billy Stacy ran back two pass interceptions for second-period touchdowns that made the difference in the St. Louis victory over Dallas. Los Angeles used a pair of last-quarter touchdowns to break out of a 17-17 tie with Minnesota.

THE SURPRISING Gaydos, a 160-pounder, didn't figure as one of the pre-game principals, but was as hard to stop as a run on the bank in providing an added offensive weapon for Beaver Local after an injury - marred season spent mostly in faking and secondary roles.

But Gaydos turned out to be one of the deciding factors in gaining 100 yards in 19 carries, intercepting a pass to choke off an attempted late rally by Wellsville and recovering a fumble.

Hoppel maintained his record of having scored at least once against every foe this season, crashing over from the one-foot line for the game's only touchdown.

Like Gaydos, the dimunitive Hoppel was also a terror for Beaver Local, gaining 74 yards in 22 attempts, although he was "keyed" throughout by the Tiger defenders.

Costly penalties, fumbles and an offense that sputtered out added to the woes of Coach Ken Woods' Tigers, who had been rated a one-touchdown favorite in their third meeting with Beaver Local on a neutral gridiron.

The Tigers were penalized 75 yards and a 15-yarder charged against end Jack Culp for piling on was one of the game's turning points.

—:—

COMING LATE in the final period, the infraction moved Beaver Local a vital 15 yards from the Wellsville 30 to the 15, providing opportunity for the Beavers to tally.

With a first down on the Wellsville 15, the Beavers sent utility back John Broadbent over left tackle to the 9, Gaydos plunged to the 4 and another first down, Hoppel bucked to the one-foot line on his 20th carry of the game, then plunged over on the next play.

A holding penalty nullified Hoppel's crash for the conversion and the Tigers smeared Broadbent on a pass attempt on the second try at the two-pointer.

"It was one of our greatest victories, our kids just outplayed them in every respect and I'm real proud of them," Beaver Coach Jack O'Rourke declared.

O'Rourke had plenty of praise for Gaydos, in particular, who was slowed this season with injuries and hadn't lived up to expectations until Saturday night.

—:—

"GAYDOS did a real good job for us with exceptional punting and running, and our two tackles —Roger Walker and Keith Berger—also did exceptionally good jobs," O'Rourke said.

In defeating his high school alma mater, O'Rourke hoisted his record in four years at Beaver Local to 18-16-2 and 28-16-2 counting one year at a Colorado school.

The squad is 6-1-2 this season and now points for Springfield of Mahoning County with everyone in good shape but tackle Gary Bookman and halfback Francis Possage. Each was injured against Wellsville, although apparently not seriously. Gary Rambo missed Saturday's action as the result of a practice injury.

The Beavers made two serious touchdown threats in the second half, while the best Wellsville could do was pick up 18 yards on short runs and passes.

—:—

GAYDOS supplied one opportunity for the Beavers in the third quarter when he raced 40 yards for the night's only exciting scrimmage run to the Wellsville 19.

Quarterback Mike Klembara then lost two yards on an end run, Gaydos picked up only a yard on a slam over the middle and two attempted passes fell far to end the drive.

In another drive, the Beavers marched from their own 44 to the Wellsville 9 and a first down in only eight quick - hitting plays.

On the first down, Hoppel swept end and was brought down at the seven by halfback Alvin Thompson of Wellsville. Sub end Tim Barborak crashed through on second down to drop Hoppel for a two-yard loss. Gaydos picked up two on a plunge, then Hoppel skirted end and got to the four on last down as the Tigers came through with a solid goal line stand.

—:—

"WE WERE outplayed and outhustled, there is no question about it," a dejected Ken Woods said after the game.

"It seems we just can't learn a lesson in losing to a rival school," Woods said in referring to the 6-2 defeat of 1959.

"Our punting was horrible, and our offense really folded. Trying for the big gains was a big mistake, although we can't fumble four times and lose that many yards in penalties and expect to win," he added.

The Tiger offensive attack was almost futile against the aroused Beaver Local line, anchored by tackles Berger and Walker, ends Gary Berhar and George Wilkinson, and guards Dave Stacey and Dave Myers.

Quarterback Roger Ours' 23 yards in seven carries topped the Wellsville runners. Alvin Thompson picked up 12 yards in eight carries, fullback John Euill 13 yards in seven carries, and halfback Mark Leyda eight yards in four attempts.

The Beavers so dominated the action that they got off 67 running-passing plays to only 48 by Wellsville.

—:—

PERHAPS THE only consolation of the Tigers is that they were the first squad to hold star halfback Carl Hoppel to under 100 yards this year.

But Hoppel came through with the touchdown, boosting his season point total to 86 to remain the leading scorer in the district.

The record also should show the clutch running of the Beavers' utility back John Broadbent, whose six-yard run from the Wellsville 15 to the 9 after the roughness penalty was an important effort. Broadbent averaged four-yards per carry in his substitute role. He also spelled at one point for Klembara, who had the most difficult night of the year in hitting his receivers with passes. The Beavers failed to complete any of 10.

It also should be noted that a 15-yard penalty against Beaver Local aided Wellsville's only touchdown bid of the game.

—:—

FOLLOWING a pass interception by Alvin Thompson, the Tigers got a first - quarter march under way from their own 45. Ours picked up nine on a bootleg. Leyda gained one to the Beaver 45, where Hoppel was charged with roughness and a 15-yard penalty.

That moved the ball to the Beaver 29. Leyda scotted to the 22 on a cross-buck and Euill followed with a run to the 19 and a first down.

Then the Tigers were caught offside and were penalized back to the 24. Ours flipped to Dash for six yards to the 19. On a bootleg, Ours was held without gain, then threw short on a pass try. A penalty against the Tigers for delay of game sent the ball back to the Beaver 24 and an incomplete pass on fourth down ended their only threat.

Tiger end Andy Dash suffered a wrenched back in the action, the lone member of the squad to be injured.

Eagles Nip Bears; Packers Lose To Colts

By BOB GREEN
Associated Press Sports Writer

The Philadelphia Eagles won the battle, but suffered a casualty that could make a big difference in the final results of the National Football League war.

Tom Brookshier, the Eagles' defensive captain, suffered a compound fracture of the right leg in the fourth quarter of Philadelphia's 16-14 verdict over Chicago Sunday.

The 1960 all-pro defensive halfback, generally regarded as one of the league's finest pass defenders, will be out for the season.

"It's a costly blow to us," Philadelphia Coach Nick Skorich said. "One of our rookies will have to grow up in a hurry."

He named Glen Amerson and Irv Cross as replacements for the veteran from Colorado this week when the Eagles, leading the Eastern Conference with a 7-1 record, play the first of two vitally important matches with pressing New York.

The Giants stayed one game back of the Eagles, winning their sixth against two losses in a 53-0 rout of winless Washington.

Green Bay, the Western Conference leader at 6-2, was victimized by Johnny Unitas and the Baltimore Colts 45-21, but retained its one-game lead over Chicago.

In other games, San Francisco and Detroit remained tied for third in the West, playing a 20-20 tie; Pittsburgh upset Cleveland 17-13; St. Louis used pass interceptions to beat Dallas 31-17 and Los Angeles took Minnesota, also 31-17.

The Detroit-San Francisco game changed complexion three times in the last 65 seconds. Tommy Davis kicked a 34-yard field goal with 1:05 left to pull the 49ers into a 17-17 tie. Then Jim Martin booted one from the 24, giving Detroit a 20-17 lead. With four seconds left, Davis tied it again on a 41-yard effort.

It left each team with a 4-3-1 record, and coaches Red Hickey of San Francisco and George Wilson of Detroit both say they still have a shot at the title.

Unitas, showing his old-time form, passed for four touchdowns as the Colts beat Green Bay. They played on even terms until Lenny Moore got off on a 38-yard touchdown run with a flat pass just before the half ended. That gave the Colts a 21-14 lead, and they took it from there.

Clarence Peaks bulled over from the two in the third quarter, giving Philadelphia a 16-14 lead over Chicago. The Bears failed on two field goals in the fourth that would have won it. Roger LeClerc missed from the 17 and Ed Brown from the 13.

Y. A. Tittle, Del Shofner and Pat Summerall were the standouts in the Giants' rout of Washington. Tittle passed for three touchdowns, Shofner caught three and Summerall ran his consecutive string of points after touchdown to 107.

Veteran Bob Schnelker was the big gun in the Pittsburgh upset of Cleveland that dropped the Browns out of a share of second place in the East.

Schnelker, released by Minnesota two weeks ago, picked up 160 yards on seven receptions and scored the winning touchdown on a 26-yard pass from Rudy Bukich in the last three minutes.

Billy Stacy ran back two pass interceptions for second-period touchdowns that made the difference in the St. Louis victory over Dallas. Los Angeles used a pair of last-quarter touchdowns to break out of a 17-17 tie with Minnesota.

Steelers Trip Browns, 17-13

Cleveland Blows 10-0 Advantage

CLEVELAND (AP) — Hopes of a Cleveland Brown championship in the National Foootball League's eastern division were a bit hazy today.

Sunday's weird 17-13 loss to the rampaging Pittsburgh Steelers before a shocked Lakefront Stadium crowd of 62,723 left the Clevelanders two full games behind the defending champion Philadelphia Eagles and one behind the New York Giants with six to go. Cleveland has won five and lost three.

The Browns built up a 10-0 lead in the third period, but a pair of great runbacks by Pittsburgh's John Sample—59 yards with a kickoff and 47 with a punt—allowed the Steelers to tie it.

Reliable Lou Groza kicked a 37-yard field goal—his second of the game and 13th of the season—to give the Browns a 13-10 edge with less than four minutes to go, and then the ceiling caved in.

Bob Franklin's kickoff was fumbled, and two Steelers bobled attempts to pick it up. Then halfback Dick Haley tucked it under his arm and raced 50 yards through the Browns defenders to the Cleveland 37. Two plays later quarterback Rudy Bukich hit Bob Schnelker, the former Bowling Green and New York Giant luminary, with a 26-yard scoring pass to wrap it up for the Steelers.

Schnelker, released by the Browns as a rookie nine years ago, caught the first pass of the game for 59 yards and the last one for 26. In all he snagged 7 of the 12 Steeler completions for a resounding 160 yards.

Buddy Dial, who caught nine for 235 yards as the Browns beat the Steelers 30-28 two weeks ago, snared only one Sunday for 16 yards.

Bobby Mitchell, ace Cleveland halfback who entered the Army last week and whose absence was expected to hamper the club, came home on a weekend pass and wound up losing eight yards in four carries. Tom Watkins, his replacement, went for 46 in 10 tries but suffered a dislocated shoulder and is expected to miss the next two or three tilts.

Cleveland's Jimmy Brown, league rushing leader the last four years, regained the yardage lead from Green Bay's Jim Taylor when he raced for 110 yards in 18 tries and a year's total of 720. He also caught four passes for 38 yards.

Coach Paul Brown summed it up with "those long runbacks ruined us."

A TRIO OF WELLSVILLE defenders nailed Beaver Local's Francis Possage as he made short yardage in the first quarter in Saturday night's game at Patterson Field. Roger Ours (right) is one of the Wellsville tacklers on this play.

Wins In Senior Golf

SEA ISLAND, Ga. (AP)—A retired auto dealer who used to win with regularity in his home state of Ohio has claimed the Southern Senior golf title.

The victor, Dorsey Nevergall, had a 54-hole total of 225. He fired a steady 3-over-par 75 in the final round Sunday, staving off a fast finish by former British amateur champion Dick Chapman, who carded a 227 for second place.

Midland Drops Season's Finale To Freedom Eleven, 12-0

Leopards Stopped By Strong Line

By ANDY NUZZO

The Midland Leopards ended the season on a sad note, bowing to the powerful Freedom Bulldogs, 12-0, Saturday night at Freedom before some 2,000 fans.

A hard-charging Freedom defensive line held the Leopards to their lowest offensive output of the season, 22 yards rushing and 41 passing, while Freedom rolled up 199 yards on the ground and 77 in the air.

Freedom threatened first when halfback Bob Rupert picked off Midland quarterback Steve Trbovich's aerial at mid-field and returned to the Midland 37 with some five minutes left in the first quarter.

—:—

THREE RUNNING plays netted a first down on the Midland 25. Quarterback Denny Haglan then rolled around right end on a keeper for 13 yards to the Midland eight and a personal foul against Midland moved the ball to the four.

Fullback Rich Ciani hit the line, but Freedom was in motion and that moved the ball back to the Midland nine.

Haglan fumbled and halfbacks Rich Lake and Tim Epley fell on the ball on the Midland eight with 3:30 left in the first quarter.

Midland then drove to its 43, where a clipping penalty set them back to the 25. Two passes fell incomplete and Sam Zigerelli punted to Haglan on the Freedom 39. He returned one yard to the 40 as the quarter ended.

On the first play of the second quarter, Haglan faded to pass and was hit by end John Girting, fumbled and tackle Tom Flasco fell on the ball for Midland on the Freedom 33.

—:—

LAKE AND halfback Rick Spanik moved the ball to the Freedom 26, from where a Trbovich aerial bounced off the hands of ends Gary Perkins and Girting and Haglan intercepted it on the 15.

After an exchange of punts, Freedom had the ball on its 27 from where it started its first touchdown drive.

Operating out of a short punt formation with center Jim Karwoski throwing. Freedom moved the 72 yards in eight plays — all passes.

Karwoski finally hit Rich Carroll for the 28 yards and a TD. Haglan was stopped short on his attempt to run for the PAT and Freedom led 6-0, as the half ended.

In the second half the strong defensive line of Freedom held Midland to a minus 9 yards rushing. Trbovich completed all of his passes in the second half.

Freedom took the second half kickoff, but after moving for one first down was forced to punt.

Haglan kicked out to his 47-yard line and Midland couldn't move and Zigerelli punted to the Freedom 13 to Rich Carroll, who lost two yards on the return.

Freedom started to move at this point with Ciani, Carroll and Haglan doing most of the carrying and advanced to the Midland 24 with 2:05 left in the third quarter. With a fourth and 10 situation on the 24, Haglan was hit attempting to pass by Midland end Obrad Cvetovich on the Midland 35 and the Leopards took over with 1:40 remaining in the third quarter.

—:—

AFTER TAKING a Midland punt on its 12 early in the fourth quarter, Freedom started the drive that led to its final touchdown. They went the 88 yards in 17 plays — all on the ground. The drive ate up eight minutes of the final quarter.

Ciani, Carroll and halfback Jim Emrick did the major part of the ball carrying on the drive, with Ciani going over from 12 yards out. Carroll attempted to run for the PTA, but Spanik nailed him on the five and Freedom led, 12-0, with 2:23 left in the game.

Midland took the kickoff and Trbovich started to pick his receivers and the game ended with the Leopards on the Freedom 20-yard line.

Ciani led the Bulldogs, grinding out 85 yards in 16 carries. Carroll backed him with 68 yards in 14 carries.

For the Leopards, fullback Earl Vaughn had 21 yards in five carries and Lake rolled up 20 yards in six carries.

Seniors playing their last game for the Leopards were: End — Girting; tackle — Bob Love; guards — Henry Tookes, Lou Kruel and Dave Troup; center—Paul Anthony; quarterback—Trbovich; halfbacks — Epley and Spanik. Halfback Pete Brozic did not get into the game and end Paul Cacic sat it out due to injuries.

Upset Binge Hits College Football As Powers Fall

By JACK CLARY
Associated Press Sports Writer

Texas has won the statistical debate—at least for the present—from Alabama as to who should get the No. 1 spot this week among the nation's college football teams.

The Longhorns, the movingest team in college football with 1.7 miles in yardage in seven winning games so far, have the over-all edge on the Crimson Tide, which has also won seven games and can't enhance its reputation much this week against Richmond of the Southern Conference.

The Longhorns should replace fallen Michigan State as the No. 1 team in the next Associated Press poll after the Spartans and second-ranked Mississippi got bitten by the jinx bug last Saturday. The Spartans (5-1) lost their fourth straight game to Minnesota in Minneapolis, 13-0, while Mississippi (6-1) failed to get by Louisiana State in their big one for the third consecutive year, and had its winning streak broken at 21 games, 10-7.

Texas, ranked first in over-all offense and with a defense that is as stingy as its offense is mobile, racked up Southern Methodist 27-0 after being ranked third last week. This week the Longhorns, first in the Southwest Conference with a 4-0 mark, go against foe Baylor, gradually working its powerful offense back into condition after being riddled by early season injuries.

Alabama, No. 4, which will play Georgia Tech and Auburn after Richmond and lay its claim to national honors on those games, skipped through Mississippi State 24-0 and took over as solid Southeastern Conference leader with a 5-0 mark. LSU is 4-0.

Texas and Alabama, in addition to Ohio State, which knocked off Iowa 29-13 in a Big Ten battle, Colorado, atop the Big Eight after beating Missouri 7-6, and Georgia Tech, 20-0 victor over Florida in an SEC game, plus Ole Miss, LSU and Minnesota are solid bowl prospects.

Minnesota's upset of Michigan State and Ohio State's victory over Iowa put the Big Ten into a two-way tie. Each has a 4-0 record but Minnesota plays one more conference game than Ohio State and the two clubs don't meet. Colorado is 7-0 over-all and leads the Big Eight with a 5-0 record.

Other conference pictures are also clouded. Duke and North Carolina, co-leaders in the Atlantic Coast with 3-1 records, are both outside this week, against Navy and LSU, respectively, but settle things on Nov. 18.

UCLA climbed atop the Big Five with a 2-0 mark after beating California 35-15 as Southern Cal and Washington played a 0-0 tie.

Princeton, after beating Brown 52-0, is 4-0 in the Ivy League and plays Harvard. The Citadel clinched its first Southern Conference title, beating Virginia Military 14-8, and Rutgers, the nation's other major undefeated team, made it 6-0 with a 37-6 victory over Lafayette.

Chargers Clinch Tie

Bland-Led Houston Routs Denver To Continue Climb

By HAROLD V. RATLIFF
Associated Press Sports Writer

The resurgence of Houston under Wally Lemm, and led by the inimitable George Blanda, brings speculation that the American Football League playoff in December will match the same clubs that battled for the first title.

San Diego's Chargers, who were the Los Angeles Chargers then, have won nine straight and have clinched at least a tie for the Western Division championship. They are due to sew it up Sunday when they play hapless Denver.

Houston, which won the 1960 title, is pushing upward in the Eastern Division and is only one-half game behind leading Boston. The Oilers, paced by Blanda who is averaging better than three touchdown passes per game and kicking field goals from most any distance, meet Boston at Houston Sunday and can take over the lead by toppling the Patriots.

It was after Houston had tied Boston 31-31 that the Oilers began their drive. They have won three straight since then, including a 55-14 rout of Denver Sunday. Boston, too, has taken three straight, climaxed by a 28-21 decision over Dallas last Friday.

San Diego, which galloped over New York 48-13 Sunday to knock the Titans down to third place in the Eastern Division standings, will take on Denver next Sunday.

San Diego can't count too strongly on going through the regular season undefeated. While the Chargers get Denver and Dallas in their next two games, they then run into Houston and wind up against Boston.

In other action Sunday, Oakland defeated Buffalo 31-22 in a battle between the last-place teams in each division.

Crimson Satan Captures Rich Garden State Event

By The Associated Press

Crimson Satan won the world's richest horse race—the $301,365 Garden State—last Saturday, but he didn't cinch the honor of being named the champion 2-year-old colt of 1961.

The chestnut son of Spy Song-Papila might convince doubtful voters in the yearend polls by winning the Pimlico Futurity on Nov. 18, but all his Garden State triumph did was pad his bankroll and scramble the juvenile picture.

The post-time 6-to-5 favorite, Crimson Satan was given a masterful ride by Willie Shoemaker in beating the morning line choice, Donut King, by 2½ lengths in 1:44 1-5 for the 1 1-16 mile golden gallop. Obey was third, In Force fourth and Green Ticket, the early leader, fifth.

Peter Salem Sr., Detroit, owner of Crimson Satan, picked up a small fortune of $180,819, but the money angle is only one of the factors involved in the yearend voting by racing secretaries and sports writers.

The racing spotlight shifts this week to Maryland where the $100,000 Washington D.C. International is on tap at Laurel Saturday.

The 10th running of the 1½ mile International over a grass course will pit Kelso, regarded as one of the best race horses ever, and T. V. Lark as the two United State entries against a strong contingent from overseas.

Celtics, Lakers, Hawks, Warriors Win NBA Games

By The Associated Press

"We'll win. Even if we're bad, we'll win."

That was the candid, pre-season comment of Bob Cousy, captain of the Boston Celtics, when asked about the prospects of a fourth straight National Basketball Association championship.

So far, he appears to be a prophet, as well as backcourt magician. Boston has yet to lose, though coach Red Auerbach does have a gripe.

"The schedule is hurting us," Auerbach said recently. "We're not playing enough. You have to play to stay sharp. You just can't do it in our intra-squad games."

With the season into the fourth week, the Celtics have played only four times, as compared with nine for Los Angeles.

But it wasn't apparent in Boston's 127-107 romp over Syracuse Saturday in a nationally televised game. And if Cousey, now 33, is beginning to feel his age, that isn't apparent either.

Cousey flipped in 23 points, and sparked and directed the Celtics' 38-point third quarter that wrapped it up.

In other games, Jerry West hit 39 points and Elgin Baylor 38 in leading Los Angeles to a 125-112 conquest of Chicago; Freddie Lacour led a rally in the closing minutes as St. Louis came from behind and beat New York 112-111 and Eddie Conlin's last second basket and free throw brought Philadelphia a 135-132 decision over Detroit. Wilt Chamberlain poured in 58 points for the Warriors.

Browns Lost Game, But 'Won' Footballs

CLEVELAND (AP)—The Cleveland Browns may have lost the football game but they won 4-0 in the battle with the bleacher fans over who gets the ball after an extra point or field goal is kicked.

The Browns roped off a section of 150 seats behind the goal posts for Sunday's game with the Pittsburgh Steelers. Thirty-three off-duty policemen were posted to make sure no fans got into the section.

This was not out of stinginess. The Browns' management took the drastic action to stop rowyism and fighting over balls kicked into the stands.

Four balls booted fell into the bleachers section. All were retrieved by the Browns to be presented to youth and charitable groups.

United Drops 4th Tilt Of Season To Canfield

CANFIELD — United which closes its 1961 campaign Friday night at Carrollton, fell beford Canfield, 26-0, here Saturday.

The Eagles found themselves behind, 6-0, at the end of the first period and Canfield added two more in the second and one in the third.

Bill Arnold put on an offensive show for the Cardinals who now stand, 5-4. Arnold tallied three of the four TD's, one on a four-yard run and two from one yard out. Jim Chapman scored the other on a 42-yard burst.

United needs a victory Saturday to finish the campaign with a .500 mark of 5-5.

WVU To Face Penn State After Topping GW, 12-7

MORGANTOWN (AP) — West Virginia's football team was to begin drills today for its homecoming battle here Saturday against ancient rival Penn State.

The Mountaineers evened their record at 4-4 last Saturday with a 12-7 come-from-behind victory over George Washington. Penn State has a 4-3 record after losing to Maryland last week.

WVU coach Gene Corum discounts the Nitanny Lions' record. "They probably will be the toughest team we've met this season," he said.

Corum warned that Penn State quarterback Galen Hall, a 5-9, 195-pound senior, may be the best quarterback to face the Mountaineers this year.

"Hall is both a good passer and a good runner," Corum said. "He is an excellent quarterback and Penn State is an excellent team."

Corum said the Mountaineers played one of their finest defensive games against George Washington. The Colonials were stymied through the entire second half after taking a 7-6 halftime lead.

"It was a hot day and I think the Colonials spent themselves in the first half," Corum said. "We had a few more players than they did."

Corum also gave ample credit to the WVU defense which held GW to 83 yards rushing and 74 passing, most of it in the first half.

"We came out strong in the second half," Corum said. "George Washington just couldn't move against us at all."

West Virginia had taken an early 6-0 lead when Fred Colvard hit little Jim Procopio with a 41-yard scoring pass in the first quarter.

GW came back in the second quarter to go ahead after Tony Fredicine intercepted a Mountaineer pass. Nine plays covered 48 yards with Lou Desimone scoring from the five. Warren Corbin kicked the extra point.

But the second half was all West Virginia as the Colonials failed to advance the ball beyond their own 46.

Salem scored on a 30-yard pass play with nine seconds remaining in the game to nip the East Liverpool reserves, 12-6, Saturday morning at Salem.

The loss was the second for the Potters who have won two and tied another.

East Liverpool drew first blood with a third period touchdown coming on a 25-yard pass from quarterback Frank McComas to halfback Bob Bowyer.

The young Quakers struck early in the fourth quarter to knot the score at 6-6, then won the game in the last few seconds.

Coach Rey Peduzzi praised the work of McComas and Bowyer along with the defensive play of sophomore ends Tom Baker and Bill Hall.

East Liverpool travels to Lisbon next Saturday for a 10 a. m. contest.

Midland Drops Season's Finale To Freedom Eleven, 12-0

Leopards Stopped By Strong Line

By ANDY NUZZO

The Midland Leopards ended the season on a sad note, bowing to the powerful Freedom Bulldogs, 12-0, Saturday night at Freedom before some 2,000 fans.

A hard-charging Freedom defensive line held the Leopards to their lowest offensive output of the season, 22 yards rushing and 41 passing, while Freedom rolled up 199 yards on the ground and 77 in the air.

Freedom threatened first when halfback Bob Rupert picked off Midland quarterback Steve Trbovich's aerial at mid-field and returned to the Midland 37 with some five minutes left in the first quarter.

—:—

THREE RUNNING plays netted a first down on the Midland 25. Quarterback Denny Haglan then rolled around right end on a keeper for 13 yards to the Midland eight and a personal foul against Midland moved the ball to the four.

Fullback Rich Ciani hit the line, but Freedom was in motion and that moved the ball back to the Midland nine.

Haglan fumbled and halfbacks Rich Lake and Tim Epley fell on the ball on the Midland eight with 3:30 left in the first quarter.

Midland then drove to its 43, where a clipping penalty set them back to the 25. Two passes fell incomplete and Sam Zigerelli punted to Haglan on the Freedom 39. He returned one yard to the 40 as the quarter ended.

On the first play of the second quarter, Haglan faded to pass and was hit by end John Girting, fumbled and tackle Tom Flasco fell on the ball for Midland on the Freedom 33.

—:—

LAKE AND halfback Rick Spanik moved the ball to the Freedom 26, from where a Trbovich aerial bounced off the hands of ends Gary Perkins and Girting and Haglan intercepted it on the 15.

After an exchange of punts, Freedom had the ball on its 27 from where it started its first touchdown drive.

Operating out of a short punt formation with center Jim Karwoski throwing. Freedom moved the 72 yards in eight plays — all passes.

Karwoski finally hit Rich Carroll for the 28 yards and a TD. Haglan was stopped short on his attempt to run for the PAT and Freedom led 6-0, as the half ended.

In the second half the strong defensive line of Freedom held Midland to a minus 9 yards rushing. Trbovich completed all of his passes in the second half.

Freedom took the second half kickoff, but after moving for one first down was forced to punt.

Haglan kicked out to his 47-yard line and Midland couldn't move and Zigerelli punted to the Freedom 13 to Rich Carroll, who lost two yards on the return.

Freedom started to move at this point with Ciani, Carroll and Haglan doing most of the carrying and advanced to the Midland 24 with 2:05 left in the third quarter. With a fourth and 10 situation on the 24, Haglan was hit attempting to pass by Midland end Obrad Cvetovich on the Midland 35 and the Leopards took over with 1:40 remaining in the third quarter.

—:—

AFTER TAKING a Midland punt on its 12 early in the fourth quarter, Freedom started the drive that led to its final touchdown. They went the 88 yards in 17 plays — all on the ground. The drive ate up eight minutes of the final quarter.

Ciani, Carroll and halfback Jim Emrick did the major part of the ball carrying on the drive, with Ciani going over from 12 yards out. Carroll attempted to run for the PTA, but Spanik nailed him on the five and Freedom led, 12-0, with 2:23 left in the game.

Midland took the kickoff and Trbovich started to pick his receivers and the game ended with the Leopards on the Freedom 20-yard line.

Ciani led the Bulldogs, grinding out 85 yards in 16 carries. Carroll backed him with 68 yards in 14 carries.

For the Leopards, fullback Earl Vaughn had 21 yards in five carries and Lake rolled up 20 yards in six carries.

Seniors playing their last game for the Leopards were: End — Girting; tackle — Bob Love; guards — Henry Tookes, Lou Kruel and Dave Troup; center—Paul Anthony; quarterback—Trbovich; halfbacks — Epley and Spanik. Halfback Pete Brozic did not get into the game and end Paul Cacic sat it out due to injuries.

Spartans, Old Miss Victims

Upset Binge Hits College Football As Powers Fall

By JACK CLARY
Associated Press Sports Writer

Texas has won the statistical debate—at least for the present—from Alabama as to who should get the No. 1 spot this week among the nation's college football teams.

The Longhorns, the movingest team in college football with 1.7 miles in yardage in seven winning games so far, have the over-all edge on the Crimson Tide, which has also won seven games and can't enhance its reputation much this week against Richmond of the Southern Conference.

The Longhorns should replace fallen Michigan State as the No. 1 team in the next Associated Press poll after the Spartans and second-ranked Mississippi got bitten by the jinx bug last Saturday. The Spartans (5-1) lost their fourth straight game to Minnesota in Minneapolis, 13-0, while Mississippi (6-1) failed to get by Louisiana State in their big one for the third consecutive year, and had its winning streak broken at 21 games, 10-7.

Texas, ranked first in over-all offense and with a defense that is as stingy as its offense is mobile, racked up Southern Methodist 27-0 after being ranked third last week. This week the Longhorns, first in the Southwest Conference with a 4-0 mark, go against foe Baylor, gradually working its powerful offense back into condition after being riddled by early season injuries.

Alabama, No. 4, which will play Georgia Tech and Auburn after Richmond and lay its claim to national honors on those games, skipped through Mississippi State 24-0 and took over as solid Southeastern Conference leader with a 5-0 mark. LSU is 4-0.

Texas and Alabama, in addition to Ohio State, which knocked off Iowa 29-13 in a Big Ten battle, Colorado, atop the Big Eight after beating Missouri 7-6, and Georgia Tech, 20-0 victor over Florida in an SEC game, plus Ole Miss, LSU and Minnesota are solid bowl prospects.

Minnesota's upset of Michigan State and Ohio State's victory over Iowa put the Big Ten into a two-way tie. Each has a 4-0 record but Minnesota plays one more conference game than Ohio State and the two clubs don't meet. Colorado is 7-0 over-all and leads the Big Eight with a 5-0 record.

Other conference pictures are also clouded. Duke and North Carolina, co-leaders in the Atlantic Coast with 3-1 records, are both outside this week, against Navy and LSU, respectively, but settle things on Nov. 18.

UCLA climbed atop the Big Five with a 2-0 mark after beating California 35-15 as Southern Cal and Washington played a 0-0 tie.

Princeton, after beating Brown 52-0, is 4-0 in the Ivy League and plays Harvard. The Citadel clinched its first Southern Conference title, beating Virginia Military 14-8, and Rutgers, the nation's other major undefeated team, made it 6-0 with a 37-6 victory over Lafayette.

Chargers Clinch Tie

Blanda-Led Houston Routs Denver To Continue Climb

By HAROLD V. RATLIFF
Associated Press Sports Writer

The resurgence of Houston under Wally Lemm, and led by the inimitable George Blanda, brings speculation that the American Football League playoff in December will match the same clubs that battled for the first title.

San Diego's Chargers, who were the Los Angeles Chargers then, have won nine straight and have clinched at least a tie for the Western Division championship. They are due to sew it up Sunday when they play hapless Denver.

Houston, which won the 1960 title, is pushing upward in the Eastern Division and is only one-half game behind leading Boston. The Oilers, paced by Blanda who is averaging better than three touchdown passes per game and kicking field goals from most any distance, meet Boston at Houston Sunday and can take over the lead by toppling the Patriots.

It was after Houston had tied Boston 31-31 that the Oilers began their drive. They have won three straight since then, including a 55-14 rout of Denver Sunday. Boston, too, has taken three straight, climaxed by a 28-21 decision over Dallas last Friday.

San Diego, which galloped over New York 48-13 Sunday to knock the Titans down to third place in the Eastern Division standings, will take on Denver next Sunday.

San Diego can't count too strongly on going through the regular season undefeated. While the Chargers get Denver and Dallas in their next two games, they then run into Houston and wind up against Boston.

In other action Sunday, Oakland defeated Buffalo 31-22 in a battle between the last-place teams in each division.

Crimson Satan Captures Rich Garden State Event

By The Associated Press

Crimson Satan won the world's richest horse race—the $301,365 Garden State—last Saturday, but he didn't cinch the honor of being named the champion 2-year-old colt of 1961.

The chestnut son of Spy Song-Papila might convince doubtful voters in the yearend polls by winning the Pimlico Futurity on Nov. 18, but all his Garden State triumph did was pad his bankroll and scramble the juvenile picture.

The post-time 6-to-5 favorite, Crimson Satan was given a masterful ride by Willie Shoemaker in beating the morning line choice, Donut King, by 2½ lengths in 1:44 1-5 for the 1 1-16 mile golden gallop. Obey was third, In Force fourth and Green Ticket, the early leader, fifth.

Peter Salem Sr., Detroit, owner of Crimson Satan, picked up a small fortune of $180,819, but the money angle is only one of the factors involved in the yearend voting by racing secretaries and sports writers.

The racing spotlight shifts this week to Maryland where the $100,000 Washington D.C. International is on tap at Laurel Saturday.

The 10th running of the 1½ mile International over a grass course will pit Kelso, regarded as one of the best race horses ever, and T. V. Lark as the two United State entries against a strong contingent from overseas.

Second in interest to the International is the $50,000-added Roamer Handicap, a 1 3-16 mile test for 3-year-olds at Aqueduct Saturday. United Drops 4th Tilt Of Season To Canfield

CANFIELD — United which closes its 1961 campaign Friday night at Carrollton, fell beford Canfield, 26-0, here Saturday.

The Eagles found themselves behind, 6-0, at the end of the first period and Canfield added two more in the second and one in the third.

Bill Arnold put on an offensive show for the Cardinals who now stand, 5-4. Arnold tallied three of the four TD's, one on a four-yard run and two from one yard out. Jim Chapman scored the other on a 42-yard burst.

United needs a victory Saturday to finish the campaign with a .500 mark of 5-5.

CANFIELD	6	14	6	0	—26
UNITED	0	0	0	0	— 0

Canfield scoring: Touchdowns—Arnold (3), Chapman. Points after touchdowns—Williams (run).

WVU To Face Penn State After Topping GW, 12-7

MORGANTOWN (AP) — West Virginia's football team was to begin drills today for its homecoming battle here Saturday against ancient rival Penn State.

The Mountaineers evened their record at 4-4 last Saturday with a 12-7 come-from-behind victory over George Washington. Penn State has a 4-3 record after losing to Maryland last week.

WVU coach Gene Corum discounts the Nitanny Lions' record. "They probably will be the toughest team we've met this season," he said.

Corum warned that Penn State quarterback Galen Hall, a 5-9, 195-pound senior, may be the best quarterback to face the Mountaineers this year.

"Hall is both a good passer and a good runner," Corum said. "He is an excellent quarterback and Penn State is an excellent team."

Corum said the Mountaineers played one of their finest defensive games against George Washington. The Colonials were stymied through the entire second half after taking a 7-6 halftime lead.

"It was a hot day and I think the Colonials spent themselves in the first half," Corum said. "We had a few more players than they did."

Corum also gave ample credit to the WVU defense which held GW to 83 yards rushing and 74 passing, most of it in the first half.

"We came out strong in the second half," Corum said. "George Washington just couldn't move against us at all."

West Virginia had taken an early 6-0 lead when Fred Colvard hit little Jim Procopio with a 41-yard scoring pass in the first quarter.

GW came back in the second quarter to go ahead after Tony Fredicine intercepted a Mountaineer pass. Nine plays covered 48 yards with Lou Desimone scoring from the five. Warren Corbin kicked the extra point.

But the second half was all West Virginia as the Colonials failed to advance the ball beyond their own 46.

Salem Edges Potter Subs

Salem scored on a 30-yard pass play with nine seconds remaining in the game to nip the East Liverpool reserves, 12-6, Saturday morning at Salem.

The loss was the second for the Potters who have won two and tied another.

East Liverpool drew first blood with a third period touchdown coming on a 25-yard pass from quarterback Frank McComas to halfback Bob Bowyer.

The young Quakers struck early in the fourth quarter to knot the score at 6-6, then won the game in the last few seconds.

Coach Rey Peduzzi praised the work of McComas and Bowyer along with the defensive play of sophomore ends Tom Baker and Bill Hall.

East Liverpool travels to Lisbon next Saturday for a 10 a. m. contest.

HAL HUMPHREY

Comedy Writer Turns Into Angry Man

The recent rash of magazine articles and verbose politicians telling us what's wrong with television is beginning to bug the more responsible people in TV.

Hal Humphrey

"I would like to know why these periodicals, which love to blame all TV for the bad TV, never feel called upon to answer for the mess of girlie books and gushy fan magazines which cover the magazine stands," demands Sol Saks. Saks is one of the better comedy writers in TV with credits including "My Favorite Husband," "Ozzie and Harriet" and "Mr. Adams and Eve" (Ida Lupino-Howard Duff).

Currently he is laboring at Dick Powell's Four Star Studios on a pilot for a new comedy TV series.

-:-

HIS POINT about the magazine industry's never feeling compelled to defend itself for the high proportion of junky magazines is well taken.

Everybody in television is held responsible for whatever hits the airwaves, but the editors of the Saturday Evening Post naturally refuse to be held accountable for magazines like Adam or Man to Man.

"I believe the most discriminating viewer must admit he can find at least three or four good hours of entertainment on TV a week. What more does he want, and what entertainment medium has ever given him more?" Saks wants to know.

"WE CAN'T count the legitimate stage any more," he adds. "It has taken its place beside grand opera as an anachronism. The entire medium can accommodate, in a few drafty theaters, at great expense and inconvenience, fewer people in an entire year than see one Ed Sullivan show.

"Even when the stage was in its heyday on the road as our mass entertainment medium, the bulk of its material made our daytime TV soap operas sound like Shakespeare."

Saks also feels that the movie people have no legitimate license for criticizing TV.

"When they look patronzingly down their noses at TV, they look very carefully, because TV is one of their best sources for performers, writers and stories," Saks charges.

"TV HAS PRODUCED more good writers and directors in the handful of years of its existence than were developed in pictures all the way back to 'The Great Train Robbery.'

"Also, since we're on the subject, how does it happen there never was a congressional investigation of that period when the picture industry had us sitting in the dark wearing those ridiculous 3D glasses in their creatively bankrupt attempt to get out of the red?"

Saks is the last person in the industry one could label as an apologist. He is as critical of TV's faults as any paid critic or irate parent. He simply is tired of seeing his colleagues and himself cowering in a corner as if they had created something to be ashamed of.

"AT LEAST," says Saks, "give us credit for the good things done on TV. I confess I never have understood those critics who go to great pains to pick apart a special production of Shakespeare, or a 'Playhouse 90' drama; then on the same page of their paper, they rave about a 'Dobie Gillis' episode.

"I don't know," continues Saks, "whether sponsors and Madison Avenue need defending, but I for one must say, too, that in 20 years in radio and TV, I got less interference and restrictions from them than I got from the publisher in my one year on a newspaper."

It is a good thing to have Saks turning into an angry TV man, and we should hope that more and more of his colleagues in TV do the same—especially those on the creative side of the medium.

If they get angry enough, and filled with more pride about what they are doing, then TV and everyone else is going to benefit. Meanwhile, the press, movies and theaters had better get busy on an improvement campaign, too. Otherwise, Saks and his gang could bury them.

Ohioans Wait Vote On Four Amendments

COLUMBUS, Ohio (AP)—Somewhat less than 50 per cent of Ohio's potential voters are expected to visit the polls Tuesday. Only statewide issues in the odd-year election are four proposed constitutional amendments.

Secretary of State Ted W. Brown forecasts a total vote of 2,618,100 against a potential of 5,187,618.

Primary interest in Tuesday's voting around the state centers on municipal elections and local issues—bond issues, operating levies, charter revisions and the like.

Of the four constitutional proposals placed on the ballot by this year's General Assembly, only one has drawn opposition.

That is proposition No. 1 on the ballot which would give the Ohio Senate the right to fill vacancies in its own ranks. The amendment provides that a vacancy must be filled by a person of the same political party as the last person elected to the vacant seat. Senators of that party would make the selection in caucus.

Opposition to the amendment appears to come from the Ohio delegation to the U.S. House of Representatives. Some members of the delegation — all of whom have two-year terms—feel it is unfair for state senators with four-year terms to have the opportunity to run for Congress without jeopardizing their state senate tenure.

Both houses of the Legislature, however, voted overwhelmingly for the proposal primarily designed to avoid the necessity for expensive special elections to fill vacancies.

No. 2 would give the legislature emergency power to provide for continuity of state and local government in event of enemy attack.

No. 3 proposes to make the militia section of the constitution conform with federal provisions, increase the present 18-45 age limits for male enrollments, and make all Ohioans between 17 and 67 eligible regardless of sex, color or creed.

No. 4 would give the state senate the right to advise and consent to major appointments by the governor, a prerogative they thought they had until a recent ruling by the Ohio Supreme Court.

Also on tap is the selection of nine members to the 23-member State Board of Education. Members are elected by congressional districts.

Eight of the nine elections will be for full terms. The ninth, in the Third District, will be for an unexpired term.

In four districts, only one candidate filed, so there will be no contest. The only contests are in the 6th, 8th, 15th and 18th Districts.

Stark Deputies Holding Man, 54, In Fatal Shooting

CANTON, Ohio (AP) — Stark County sheriff's deputies are holding Tom Davis, 54, for questioning in the fatal shooting of one man and the wounding of another man at Waynesburg Saturday night.

Killed was Lewis W. Hackathorne, 46. Marion Mason, 24, who lived with Hackathorne in a house trailer at Waynesburg, was wounded.

A Waynesburg youth, Martin Albright, discovered the victims of the shooting and told deputies he saw Hackathorne writhing on the pavement beside a parked car.

Inside the car was Mason, wounded. Hackathorne died a few minutes later.

Deputies said there had long been a feud between Davis and the men who were shot. They quoted Davis as saying the two had made advances toward his married stepdaughter, who lived across the street from the house trailer.

A .38 caliber revolver believed by deputies to have been used in the shootings was recovered early Sunday morning.

Sitting In Mud, Filth

30,000 Baluba Natives Tell Sad Story Of Congo

ELISABETHVILLE, Katanga, (AP)—Some 30,000 Baluba tribesmen, sitting in mud and filth on the northern outskirts of Elisabethville, tell the sad story of the Congo.

They include men, women and children. Fear sent them to this camp for U.N. protection—fear of primitive brutality by the police, and maybe imagined terrors unknown to modern man.

The Baluba of Katanga are political followers of Jason Sendwe insofar as they have any political consciousness.

Now vice premier in the central Congolese government at Leopoldville, Sendwe is an exile from Katanga.

The Baluba began to leave their homes in the African townships of Katanga more than two months ago. They said police of Tshombe's interior minister, Godefroid Munongo, had circulated through the townships, threatening and maltreating them.

The Balubas settled down in what once was a handsome suburban area, with a few handsome villas and many trees. Soon they were arriving by the thousands, bringing pots, pans, chairs, sewing machines.

They hacked limbs from trees, gathered grass and made thousands of huts. Trees, grass, shrubs and flowers have disappeared. The Balubas squat in their huts waiting in fear.

Swedish U.N. troops make regular patrols through the camp in armored cars. Once they opened fire when youths seized a Swedish soldier. Eight Balubas died.

Ten days later it was discovered the bodies were being preserved with ice from a brewery. The Balubas said they were preserving the bodies as proof that the United Nations killed the tribesmen.

The 30,000 Balubas sitting in the mud illustrate the deep tribal suspicions and intense hatred which motivate the Congolese.

They show why it is so difficult to form a central government representative of all sections of the Congo. The colonial powers for years made no effort to integrate the tribes. Instead they used these primitive divisions to consolidate control.

Katangan leaders insist they have nothing in common with the politicians in Leopoldville, 1,200 miles away. Katanga, they say, was included in the new republic simply because the Belgian colonial authorities arbitrarily included it to suit their purposes.

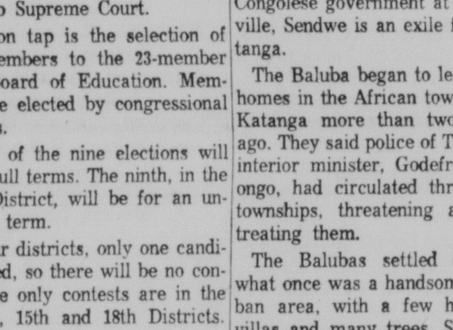

The Congo now has three armies: those of Gen. Joseph Mobutu in Leopoldville, Victor Lundula in Stanleyville, and Norbert Muke in Elisabethville.

The U.N. task in reconciling these conflicting forces and maintaining order in the Congo's 900,000 square miles will take many years.

Boy, Girl Injured As Car Hits Wagon

CHARDON, Ohio (AP)—A teenage boy and girl from Middlefield suffered severe injuries when a car hit their horse-drawn wagon on Ohio 87. Lester Mast, 19, and Ida Gingerich, 18, were reported in fair condition at Geauga Community Hospital as a result of the accident Saturday night. The horse was killed.

The driver of the car, Erwin J. Byers of Chagrin Falls, told police he did not see the wagon until the last moment and an oncoming car kept him from swerving around the buggy.

In Wake Of Irregularities

Election Inspectors Eye Cleveland Vote Tuesday

CLEVELAND (AP)—State employes, an expanded force of election inspectors and a detail of police will be keeping an eye on voting in Tuesday's election here.

The extra measures were taken in the wake of reports of irregularities in primary voting Oct. 3.

In three East Side wards with a total of 32,000 registered voters, orders were to arrest persons suspected of giving false addresses when they voted Oct. 3.

The election board said it had mailed cards to all registered voters in the three wards and 7,200 cards came back not delivered because the post office was unable to find the person at the address given.

However, it has been estimated that fewer than 10 per cent of the 7,200 were among those who voted in the primary. And, with the publicity given the measures to be taken, it was believed unlikely that persons voting illegally in the primary would return to the booths Tuesday.

"In view of the positive action the board has taken, the situation is pretty well under control," commented Ted. W. Brown, Ohio secretary of state. "I doubt that the vote chiselers will show up to ask for a ballot."

Brown said he is sending two deputies to Cleveland to help Thomas B. Crisafi, Brown's trouble-shooter here.

The election board said it has hired 20 additional inspectors, bringing the total to 50. In addition, on request from the board, Police Chief Frank Story is assigning an undisclosed number of plainclothesmen to voting booths.

The police officers have orders to arrest anyone pointed out to them by booth officials as being persons who do not live at addresses given when they voted Oct. 3.

Out Of The Air

HAL HUMPHREY

Comedy Writer Turns Into Angry Man

The recent rash of magazine articles and verbose politicians telling us what's wrong with television is beginning to bug the more responsible people in TV.

Hal Humphrey

"I would like to know why these periodicals, which love to blame all TV for the bad TV, never feel called upon to answer for the mess of girlie books and gushy fan magazines which cover the magazine stands," demands Sol Saks. Saks is one of the better comedy writers in TV with credits including "My Favorite Husband," "Ozzie and Harriet" and "Mr. Adams and Eve" (Ida Lupino-Howard Duff).

Currently he is laboring at Dick Powell's Four Star Studios on a pilot for a new comedy TV series.

-:-

HIS POINT about the magazine industry's never feeling compelled to defend itself for the high proportion of junky magazines is well taken.

Everybody in television is held responsible for whatever hits the airwaves, but the editors of the Saturday Evening Post naturally refuse to be held accountable for magazines like Adam or Man to Man.

"I believe the most discriminating viewer must admit he can find at least three or four good hours of entertainment on TV a week. What more does he want, and what entertainment medium has ever given him more?" Saks wants to know.

"WE CAN'T count the legitimate stage any more," he adds. "It has taken its place beside grand opera as an anachronism. The entire medium can accommodate, in a few drafty theaters, at great expense and inconvenience, fewer people in an entire year than see one Ed Sullivan show.

"Even when the stage was in its heyday on the road as our mass entertainment medium, the bulk of its material made our daytime TV soap operas sound like Shakespeare."

Saks also feels that the movie people have no legitimate license for criticizing TV.

"When they look patronzingly down their noses at TV, they look very carefully, because TV is one of their best sources for performers, writers and stories," Saks charges.

"TV HAS PRODUCED more good writers and directors in the handful of years of its existence than were developed in pictures all the way back to 'The Great Train Robbery.'

"Also, since we're on the subject, how does it happen there never was a congressional investigation of that period when the picture industry had us sitting in the dark wearing those ridiculous 3D glasses in their creatively bankrupt attempt to get out of the red?"

Saks is the last person in the industry one could label as an apologist. He is as critical of TV's faults as any paid critic or irate parent. He simply is tired of seeing his colleagues and himself cowering in a corner as if they had created something to be ashamed of.

"AT LEAST," says Saks, "give us credit for the good things done on TV. I confess I never have understood those critics who go to great pains to pick apart a special production of Shakespeare, or a 'Playhouse 90' drama; then on the same page of their paper, they rave about a 'Dobie Gillis' episode.

"I don't know," continues Saks, "whether sponsors and Madison Avenue need defending, but I for one must say, too, that in 20 years in radio and TV, I got less interference and restrictions from them than I got from the publisher in my one year on a newspaper."

It is a good thing to have Saks turning into an angry TV man, and we should hope that more and more of his colleagues in TV do the same—especially those on the creative side of the medium.

If they get angry enough, and filled with more pride about what they are doing, then TV and everyone else is going to benefit. Meanwhile, the press, movies and theaters had better get busy on an improvement campaign, too. Otherwise, Saks and his gang could bury them.

Ohioans Wait Vote On Four Amendments

COLUMBUS, Ohio (AP)—Somewhat less than 50 per cent of Ohio's potential voters are expected to visit the polls Tuesday. Only statewide issues in the odd-year election are four proposed constitutional amendments.

Secretary of State Ted W. Brown forecasts a total vote of 2,618,100 against a potential of 5,187,618.

Primary interest in Tuesday's voting around the state centers on municipal elections and local issues—bond issues, operating levies, charter revisions and the like.

Of the four constitutional proposals placed on the ballot by this year's General Assembly, only one has drawn opposition.

That is proposition No. 1 on the ballot which would give the Ohio Senate the right to fill vacancies in its own ranks. The amendment provides that a vacancy must be filled by a person of the same political party as the last person elected to the vacant seat. Senators of that party would make the selection in caucus.

Opposition to the amendment appears to come from the Ohio delegation to the U.S. House of Representatives. Some members of the delegation — all of whom have two-year terms—feel it is unfair for state senators with four-year terms to have the opportunity to run for Congress without jeopardizing their state senate tenure.

Both houses of the Legislature, however, voted overwhelmingly for the proposal primarily designed to avoid the necessity for expensive special elections to fill vacancies.

No. 2 would give the legislature emergency power to provide for continuity of state and local government in event of enemy attack.

No. 3 proposes to make the militia section of the constitution conform with federal provisions, increase the present 18-45 age limits for male enrollments, and make all Ohioans between 17 and 67 eligible regardless of sex, color or creed.

No. 4 would give the state senate the right to advise and consent to major appointments by the governor, a prerogative they thought they had until a recent ruling by the Ohio Supreme Court.

Also on tap is the selection of nine members to the 23-member State Board of Education. Members are elected by congressional districts.

Eight of the nine elections will be for full terms. The ninth, in the Third District, will be for an unexpired term.

In four districts, only one candidate filed, so there will be no contest. The only contests are in the 6th, 8th, 15th and 18th Districts.

Stark Deputies Holding Man, 54, In Fatal Shooting

CANTON, Ohio (AP) — Stark County sheriff's deputies are holding Tom Davis, 54, for questioning in the fatal shooting of one man and the wounding of another man at Waynesburg Saturday night.

Killed was Lewis W. Hackathorne, 46. Marion Mason, 24, who lived with Hackathorne in a house trailer at Waynesburg, was wounded.

A Waynesburg youth, Martin Albright, discovered the victims of the shooting and told deputies he saw Hackathorne writhing on the pavement beside a parked car.

Inside the car was Mason, wounded. Hackathorne died a few minutes later.

Deputies said there had long been a feud between Davis and the men who were shot. They quoted Davis as saying the two had made advances toward his married stepdaughter, who lived across the street from the house trailer.

A .38 caliber revolver believed by deputies to have been used in the shootings was recovered early Sunday morning.

Sitting In Mud, Filth

30,000 Baluba Natives Tell Sad Story Of Congo

ELISABETHVILLE, Katanga, (AP)—Some 30,000 Baluba tribesmen, sitting in mud and filth on the northern outskirts of Elisabethville, tell the sad story of the Congo.

They include men, women and children. Fear sent them to this camp for U.N. protection—fear of primitive brutality by the police, and maybe imagined terrors unknown to modern man.

The Baluba of Katanga are political followers of Jason Sendwe insofar as they have any political consciousness.

Now vice premier in the central Congolese government at Leopoldville, Sendwe is an exile from Katanga.

The Baluba began to leave their homes in the African townships of Katanga more than two months ago. They said police of Tshombe's interior minister, Godefroid Munongo, had circulated through the townships, threatening and maltreating them.

The Balubas settled down in what once was a handsome suburban area, with a few handsome villas and many trees. Soon they were arriving by the thousands, bringing pots, pans, chairs, sewing machines.

They hacked limbs from trees, gathered grass and made thousands of huts. Trees, grass, shrubs and flowers have disappeared. The Balubas squat in their huts waiting in fear.

Swedish U.N. troops make regular patrols through the camp in armored cars. Once they opened fire when youths seized a Swedish soldier. Eight Balubas died.

Ten days later it was discovered the bodies were being preserved with ice from a brewery. The Balubas said they were preserving the bodies as proof that the United Nations killed the tribesmen.

The 30,000 Balubas sitting in the mud illustrate the deep tribal suspicions and intense hatred which motivate the Congolese.

They show why it is so difficult to form a central government representative of all sections of the Congo. The colonial powers for years made no effort to integrate the tribes. Instead they used these primitive divisions to consolidate control.

Katangan leaders insist they have nothing in common with the politicians in Leopoldville, 1,200 miles away. Katanga, they say, was included in the new republic simply because the Belgian colonial authorities arbitrarily included it to suit their purposes.

The Congo now has three armies: those of Gen. Joseph Mobutu in Leopoldville, Victor Lundula in Stanleyville, and Norbert Muke in Elisabethville.

The U.N. task in reconciling these conflicting forces and maintaining order in the Congo's 900,000 square miles will take many years.

Boy, Girl Injured As Car Hits Wagon

CHARDON, Ohio (AP)—A teenage boy and girl from Middlefield suffered severe injuries when a car hit their horse-drawn wagon on Ohio 87. Lester Mast, 19, and Ida Gingerich, 18, were reported in fair condition at Geauga Community Hospital as a result of the accident Saturday night. The horse was killed.

The driver of the car, Erwin J. Byers of Chagrin Falls, told police he did not see the wagon until the last moment and an oncoming car kept him from swerving around the buggy.

In Wake Of Irregularities

Election Inspectors Eye Cleveland Vote Tuesday

CLEVELAND (AP)—State employes, an expanded force of election inspectors and a detail of police will be keeping an eye on voting in Tuesday's election here.

The extra measures were taken in the wake of reports of irregularities in primary voting Oct. 3.

In three East Side wards with a total of 32,000 registered voters, orders were to arrest persons suspected of giving false addresses when they voted Oct. 3.

The election board said it had mailed cards to all registered voters in the three wards and 7,200 cards came back not delivered because the post office was unable to find the person at the address given.

However, it has been estimated that fewer than 10 per cent of the 7,200 were among those who voted in the primary. And, with the publicity given the measures to be taken, it was believed unlikely that persons voting illegally in the primary would return to the booths Tuesday.

"In view of the positive action the board has taken, the situation is pretty well under control," commented Ted. W. Brown, Ohio secretary of state. "I doubt that the vote chiselers will show up to ask for a ballot."

Brown said he is sending two deputies to Cleveland to help Thomas B. Crisafi, Brown's trouble-shooter here.

The election board said it has hired 20 additional inspectors, bringing the total to 50. In addition, on request from the board, Police Chief Frank Story is assigning an undisclosed number of plainclothesmen to voting booths.

The police officers have orders to arrest anyone pointed out to them by booth officials as being persons who do not live at addresses given when they voted Oct. 3.

Ohio Traffic Fatal To 23

Traffic	23
Fire	1
Miscellaneous	2
Total	26

By The Associated Press

Ohio came close to exceeding the worst traffic death toll for a non-holiday weekend this year—the 25 recorded May 19-21.

In the past 54 hours, from 6 p.m. Friday through midnight Sunday, at least 23 persons lost their lives in highway accidents over the state.

Amont the crashes were four multiple fatality accidents which killed a total of nine persons.

The worst occurred in Butler County when a moving van climbed up and over the rear of a car carrying a Hamilton father and his four children. Only the father and one child survived, and they were seriously hurt.

According to an eyewitness, "The car skidded around. Its rear section ripped open like a tin can from roof to bumper. Bodies popped out . . . The truck driver, glassy-eyed and shocked, stumbled among the bodies. 'Those kids,' he kept mumbling, over and over."

Two of the multiple fatality accidents involved collisions between cars and trains.

In one, in Lorain county, two persons were killed and four injured. In the other, in Fulton County, a man and his wife were the victim.

A Portsmouth man and his wife perished in a two - car collision near Circleville.

A race between two cars on a Cincinnati street turned out to be a race with death. In one car were two women. The other auto was driven by the husband of one of the women. His 38-year-old wife was killed when the car missed a curve, hit three utility poles and two parking meters and Slid about 200 yards on its top.

In addition to the traffic slaughter, Ohio also recorded at least one death due to fire and two in a miscellaneous accident.

A car also was involved in the miscellany category. It was found east of Canton, parked off a road with its windows rolled up and gas tank empty. Inside were two boys and two girls. One couple in the front seat died of carbon monoxide poisoning. The other couple were overcome in the back seat and taken to a hospital in serious condition.

The fatalities:

Friday Night

Richard Williams, 37, North Bloomfield, when his car collided with a pickup truck on a Trumbull County road east of Warren.

William R. Powell, 37, Homeworth, when his car went off a Columbiana County road and hit an embankment, throwing him out, west of North Georgetown.

Clarence Gable, 49, of head injuries suffered in a two-car accident on U.S. 25 south of Dayton.

Saturday

Mary Brinkley, 36, Dayton, when the car in which she was riding left Ohio 201 northeast of Dayton.

Jesse Smith, 51, Cleveland, struck by a car as he crossed a street near his home.

Jack Kinker and his wife, Norma, 35, Portsmouth, when the car in which they were riding collided with another at the intersection of Ohio 56 and 104 west of Circleville.

Nona, 12, Gregory, 9, and Jan, 5, children of Rufford V. Lainhart, 36, Hamilton, when his car was hit from behind by a moving van on Interstate 75 near Monroe (Butler County).

Csaba Thoma, 10, Cleveland, when a runaway motorcycle jumped the curb there and hit him.

Mrs. Bertha Ann Noble, 38, Cincinnati, when the car in which she was riding missed a curve on a street there, hit three utility poles and two parking meters and slid about 200 yards on its top, during a race with another car driven by her husband.

John E. Custer, 20, and Meta Arrendale, 18, both of Canton, poisoned by carbon monoxide fumes as they sat in a car, found with its windows rolled up and gas tank empty, parked off Ohio 153 near Fairhope (Stark County).

Leo W. Ware, 62, Newton Falls, when his car and another collided on Ohio 5 about 1½ miles east of that Trumbull County community.

Gene J. Bukky, 23, Madison, when his car crashed on a Lake County road about two miles west of the Ashtabula County line.

Harmon Lohse, 59, and his wife, Anna, 51, Rt. 1, Archbold, when their car was struck by a westbound freight train at a New York Central Railroad crossing a mile west of that Fulton County community.

John J. Baumhardt, 21, Vermilion, and Earl Schaeffer, 17, Amherst, who died Sunday, when the car in which they were riding smashed into a stopped New York Central train at a crossing in Amherst Twp. near Elyria.

Sunday

Raymond C. Shofstahal, 53, Petersburg, when his car and another collided on Ohio 14 about five miles east of Columbiana, not far from his Mahoning County home.

Miller Appointed As West Virginia University Head

DR. PAUL A. MILLER
Now Michigan State Official.

Dr. Paul Ausborn Miller, provost of Michigan State University and a 44-year-old native of East Liverpool, was named late Sunday afternoon to the $30,000-a-year post of president of West Virginia University, his alma mater.

Dr. Miller will assume the post in January, replacing Dr. Clyde L. Colson, who has acted as head of the university since Dr. Elvis J. Stahr Jr. took a leave of absence last January to become Secretary of the Army.

—:—

DR. MILLER was born in East End, a son of the late Harry A. Miller and Mrs. Mary Miller, who now resides on 3rd St., Chester. He is a brother of Bernie Miller of Wyoming Ave., Glenmoor, and Mrs. Ethel Conkle, whose husband is associated with the agriculture department at the Morgantown school.

Dr. Miller attended elementary classes at Horace Mann School in East End. Later, when his family moved to another home near Chester, he attended Wells High School at Newell, graduating at the top of his class in 1935.

—:—

HE ATTENDED Bethany College for a year, then transferred to West Virginia University, where he was awarded a bachelor of science degree in agriculture in 1939. In 1947, he won a master of arts degree at Michigan State and six years later was awarded a doctorate at the same institution in sociology and anthropology.

He joined the Michigan State faculty as assistant professor in 1957 and became a full professor in 1959. He became deputy director of the co-operative extension service at MSU in 1954 and was promoted to director a year later.

—:—

IN 1955, he was named vice president of the university and in 1959 he was appointed provost. As such, he was chief academic officer of the institution.

Announcement of Dr. Miller's appointment to head West Virginia's largest seat of higher education was made by Forrest H. Kirkpatrick, president of the Board of Governors, at a meeting of a committee of the board with the University Senate, which approved the appointment.

—:—

"DR. MILLER was the unanimous choice of the Board of Governors and we are delighted that he has accepted," Kirkpatrick said. "He is a highly - respected scholar with high level administrative experience and he has a sincere and dedicated interest in this state and in West Virginia University."

Dr. Miller's wife is the former Catherine Spiker of Harrisville, W. Va. They have two children, Paula, 16, and Thomas, 6.

—:—

FOLLOWING graduation from WVU, he served as county agriculture agent in Harris County and later in Ritchie County. It was while serving in Harris County that he met and married the former Miss Spiker, who was employed at the Courthouse.

During World War II, he enlisted in the Air Force and became a navigator, holding assignments in Africa, India and South America.

Dr. Miller is a member of the Peoples Church of East Lansing, Mich. He has served as chairman of the Joint Commission on Higher Agricultural Education in Columbia, South America, and is a member of many professional organizations.

—:—

DURING 1952, he served on the President's Commission on the Health Needs of the Nation.

He has published a book on community development and more than 40 articles, most of them dealing with sociology, rural health and anthropology.

Through his brother in Glenmoor, Dr. Miller earlier had accepted an invitation from Mayor Bert H. Goodballet to speak on community development to interested East Liverpool groups. Dr. Miller told his brother Sunday evening he hopes to make a trip here to speak early next year.

Dr. Miller and his family spent the weekend with his mother.

Man Denies Fight Charge

An East End man, one of two wounded Friday night in a struggle over a shotgun in an alley alongside the Veterans Social Club, entered a not guilty plea on a fighting charge today as police continued their investigation.

Atty. W. S. Foulks entered the innocent plea for Joseph Moss, 503 Virginia Ave., who received a superficial wound of the thigh in the struggle with Lawrence A. Turner of Grove City, a Waterford Park employe.

City Hospital officials said Turner is "slightly improved" today. He had been listed in "poor" condition with wounds of the chest, abdomen, left thigh, right arm and wrist.

The fighting charge was filed against Moss by Lt. Thomas A. Walker. Moss' property bond of $65 was continued.

Meanwhile, Turner's brother, Ralph, and Richard Willard, a companion, remain in city jail on open charges as the investigation continues.

Lt. Walker was to confer today with Asst. Solicitor Richard J. Clark about the case.

The shooting allegedly followed a fight between Moss and Turner after four men invited Mrs. Jane Moss to get into their car parked in Long Alley besides the Veterans Social Club. Mrs. Moss was returning from the club where she had gone to get her husband, police said.

Monument Sought For Fish Fossil Bed

FOSSIL, Wyo. (AP) — Efforts are under way to establish a national monument here commemorating what may be the best fish fossil bed in the world.

State geologist Horace D. Thomas said the 700-foot butte which contains the fossils once was at least 1,000 feet under water. Dead fish settled at the bottom and were left undisturbed because scavenger fish could not live in such deep water. The fish were then buried in countless layers of mud.

Some fish extracted from the butte are believed to have lived 50 million years ago at the beginning of the mammal age. One of the extracted fish was bought by Eisenhower last year as a gift for Japanese Emperor Hirohito.

NEWPORT, R.I. (AP) — President Kennedy will hold a news conference in Washington Wednesday.

White House press secretary Pierre Salinger, who made the announcement Sunday, said there will be no live radio or television coverage of the conference.

West Berlin Police, Reds Use Tear Gas

BERLIN (AP)—West Berlin police successfully defended workmen ripping down 300 yards of wire fence in a tear gas battle today with border guards of Communist East Germany.

About 150 tear gas grenades were thrown, but nobody was reported hurt. The West Berliners succeeded in removing most of the fence, which was about a yard inside the French sector of West Berlin.

The fence had been put up by the Communists long before the Aug. 13 closing of the border to separate a railway track in East Berlin from an elevated track in West Berlin. It was later reinforced by another fence, entirely on the East Berlin side.

Four West Berlin workmen went this morning to take down the fence in West Berlin territory. With them went 12 West Berlin police and a French army officer.

Border guards on the communist side ordered the workmen back. They refused.

The East Berliners began the tear gas tossing, the western police said. Each side hurled about an equal number.

Air-Dropped Fish Saves State Money

SACRAMENTO, Calif. (AP) — California air - dropped 3,729,877 fingerling trout into 804 remote lakes in a high mountain country during 1961.

Fish and game officials figured the cost of the aerial stocking program at $1.41 per thousand trout as against $20 per thousand when the fish had to be hauled in by pack train.

Ohio Traffic Fatal To 23

Traffic	23
Fire	1
Miscellaneous	2
Total	26

By The Associated Press

Ohio came close to exceeding the worst traffic death toll for a non-holiday weekend this year—the 25 recorded May 19-21.

In the past 54 hours, from 6 p.m. Friday through midnight Sunday, at least 23 persons lost their lives in highway accidents over the state.

Amont the crashes were four multiple fatality accidents which killed a total of nine persons.

The worst occurred in Butler County when a moving van climbed up and over the rear of a car carrying a Hamilton father and his four children. Only the father and one child survived, and they were seriously hurt.

According to an eyewitness, "The car skidded around. Its rear section ripped open like a tin can from roof to bumper. Bodies popped out . . . The truck driver, glassy-eyed and shocked, stumbled among the bodies. 'Those kids,' he kept mumbling, over and over."

Two of the multiple fatality accidents involved collisions between cars and trains.

In one, in Lorain county, two persons were killed and four injured. In the other, in Fulton County, a man and his wife were the victim.

A Portsmouth man and his wife perished in a two - car collision near Circleville.

A race between two cars on a Cincinnati street turned out to be a race with death. In one car were two women. The other auto was driven by the husband of one of the women. His 38-year-old wife was killed when the car missed a curve, hit three utility poles and two parking meters and Slid about 200 yards on its top.

In addition to the traffic slaughter, Ohio also recorded at least one death due to fire and two in a miscellaneous accident.

A car also was involved in the miscellany category. It was found east of Canton, parked off a road with its windows rolled up and gas tank empty. Inside were two boys and two girls. One couple in the front seat died of carbon monoxide poisoning. The other couple were overcome in the back seat and taken to a hospital in serious condition.

The fatalities:

Friday Night

Richard Williams, 37, North Bloomfield, when his car collided with a pickup truck on a Trumbull County road east of Warren.

William R. Powell, 37, Homeworth, when his car went off a Columbiana County road and hit an embankment, throwing him out, west of North Georgetown.

Clarence Gable, 49, of head injuries suffered in a two-car accident on U.S. 25 south of Dayton.

Saturday

Mary Brinkley, 36, Dayton, when the car in which she was riding left Ohio 201 northeast of Dayton.

Jesse Smith, 51, Cleveland, struck by a car as he crossed a street near his home.

Jack Kinker and his wife, Norma, 35, Portsmouth, when the car in which they were riding collided with another at the intersection of Ohio 56 and 104 west of Circleville.

Nona, 12, Gregory, 9, and Jan, 5, children of Rufford V. Lainhart, 36, Hamilton, when his car was hit from behind by a moving van on Interstate 75 near Monroe (Butler County).

Csaba Thoma, 10, Cleveland, when a runaway motorcycle jumped the curb there and hit him.

Mrs. Bertha Ann Noble, 38, Cincinnati, when the car in which she was riding missed a curve on a street there, hit three utility poles and two parking meters and slid about 200 yards on its top, during a race with another car driven by her husband.

John E. Custer, 20, and Meta Arrendale, 18, both of Canton, poisoned by carbon monoxide fumes as they sat in a car, found with its windows rolled up and gas tank empty, parked off Ohio 153 near Fairhope (Stark County).

Leo W. Ware, 62, Newton Falls, when his car and another collided on Ohio 5 about 1½ miles east of that Trumbull County community.

Gene J. Bukky, 23, Madison, when his car crashed on a Lake County road about two miles west of the Ashtabula County line.

Harmon Lohse, 59, and his wife, Anna, 51, Rt. 1, Archbold, when their car was struck by a westbound freight train at a New York Central Railroad crossing a mile west of that Fulton County community.

John J. Baumhardt, 21, Vermilion, and Earl Schaeffer, 17, Amherst, who died Sunday, when the car in which they were riding smashed into a stopped New York Central train at a crossing in Amherst Twp. near Elyria.

Sunday

Raymond C. Shofstahal, 53, Petersburg, when his car and another collided on Ohio 14 about five miles east of Columbiana, not far from his Mahoning County home.

Miller Appointed As West Virginia University Head

Dr. Paul Ausborn Miller, provost of Michigan State University and a 44-year-old native of East Liverpool, was named late Sunday afternoon to the $30,000-a-year post of president of West Virginia University, his alma mater.

Dr. Miller will assume the post in January, replacing Dr. Clyde L. Colson, who has acted as head of the university since Dr. Elvis J. Stahr Jr. took a leave of absence last January to become Secretary of the Army.

—:—

DR. MILLER was born in East End, a son of the late Harry A. Miller and Mrs. Mary Miller, who now resides on 3rd St., Chester. He is a brother of Bernie Miller of Wyoming Ave., Glenmoor, and Mrs. Ethel Conkle, whose husband is associated with the agriculture department at the Morgantown school.

Dr. Miller attended elementary classes at Horace Mann School in East End. Later, when his family moved to another home near Chester, he attended Wells High School at Newell, graduating at the top of his class in 1935.

—:—

HE ATTENDED Bethany College for a year, then transferred to West Virginia University, where he was awarded a bachelor of science degree in agriculture in 1939. In 1947, he won a master of arts degree at Michigan State and six years later was awarded a doctorate at the same institution in sociology and anthropology.

He joined the Michigan State faculty as assistant professor in 1957 and became a full professor in 1959. He became deputy director of the co-operative extension service at MSU in 1954 and was promoted to director a year later.

—:—

IN 1955, he was named vice president of the university and in 1959 he was appointed provost. As such, he was chief academic officer of the institution.

Announcement of Dr. Miller's appointment to head West Virginia's largest seat of higher education was made by Forrest H. Kirkpatrick, president of the Board of Governors, at a meeting of a committee of the board with the University Senate, which approved the appointment.

—:—

"DR. MILLER was the unanimous choice of the Board of Governors and we are delighted that he has accepted," Kirkpatrick said. "He is a highly - respected scholar with high level administrative experience and he has a sincere and dedicated interest in this state and in West Virginia University."

DR. PAUL A. MILLER
Now Michigan State Official.

Dr. Miller's wife is the former Catherine Spiker of Harrisville, W. Va. They have two children, Paula, 16, and Thomas, 6.

—:—

FOLLOWING graduation from WVU, he served as county agriculture agent in Harris County and later in Ritchie County. It was while serving in Harris County that he met and married the former Miss Spiker, who was employed at the Courthouse.

During World War II, he enlisted in the Air Force and became a navigator, holding assignments in Africa, India and South America.

Dr. Miller is a member of the Peoples Church of East Lansing, Mich. He has served as chairman of the Joint Commission on Higher Agricultural Education in Columbia, South America, and is a member of many professional organizations.

—:—

DURING 1952, he served on the President's Commission on the Health Needs of the Nation.

He has published a book on community development and more than 40 articles, most of them dealing with sociology, rural health and anthropology.

Through his brother in Glenmoor, Dr. Miller earlier had accepted an invitation from Mayor Bert H. Goodballet to speak on community development to interested East Liverpool groups. Dr. Miller told his brother Sunday evening he hopes to make a trip here to speak early next year.

Dr. Miller and his family spent the weekend with his mother.

Man Denies Fight Charge

An East End man, one of two wounded Friday night in a struggle over a shotgun in an alley alongside the Veterans Social Club, entered a not guilty plea on a fighting charge today as police continued their investigation.

Atty. W. S. Foulks entered the innocent plea for Joseph Moss, 503 Virginia Ave., who received a superficial wound of the thigh in the struggle with Lawrence A. Turner of Grove City, a Waterford Park employe.

City Hospital officials said Turner is "slightly improved" today. He had been listed in "poor" condition with wounds of the chest, abdomen, left thigh, right arm and wrist.

The fighting charge was filed against Moss by Lt. Thomas A. Walker. Moss' property bond of $65 was continued.

Meanwhile, Turner's brother, Ralph, and Richard Willard, a companion, remain in city jail on open charges as the investigation continues.

Lt. Walker was to confer today with Asst. Solicitor Richard J. Clark about the case.

The shooting allegedly followed a fight between Moss and Turner after four men invited Mrs. Jane Moss to get into their car parked in Long Alley besides the Veterans Social Club. Mrs. Moss was returning from the club where she had gone to get her husband, police said.

Monument Sought For Fish Fossil Bed

FOSSIL, Wyo. (AP) — Efforts are under way to establish a national monument here commemorating what may be the best fish fossil bed in the world.

State geologist Horace D. Thomas said the 700-foot butte which contains the fossils once was at least 1,000 feet under water. Dead fish settled at the bottom and were left undisturbed because scavenger fish could not live in such deep water. The fish were then buried in countless layers of mud.

Some fish extracted from the butte are believed to have lived 50 million years ago at the beginning of the mammal age. One of the extracted fish was bought by Eisenhower last year as a gift for Japanese Emperor Hirohito.

President Will Meet Newsmen Wednesday

NEWPORT, R.I. (AP) — President Kennedy will hold a news conference in Washington Wednesday.

White House press secretary Pierre Salinger, who made the announcement Sunday, said there will be no live radio or television coverage of the conference.

West Berlin Police, Reds Use Tear Gas

BERLIN (AP)—West Berlin police successfully defended workmen ripping down 300 yards of wire fence in a tear gas battle today with border guards of Communist East Germany.

About 150 tear gas grenades were thrown, but nobody was reported hurt. The West Berliners succeeded in removing most of the fence, which was about a yard inside the French sector of West Berlin.

The fence had been put up by the Communists long before the Aug. 13 closing of the border to separate a railway track in East Berlin from an elevated track in West Berlin. It was later reinforced by another fence, entirely on the East Berlin side.

Four West Berlin workmen went this morning to take down the fence in West Berlin territory. With them went 12 West Berlin police and a French army officer.

Border guards on the communist side ordered the workmen back. They refused.

The East Berliners began the tear gas tossing, the western police said. Each side hurled about an equal number.

Air-Dropped Fish Saves State Money

SACRAMENTO, Calif. (AP) — California air - dropped 3,729,877 fingerling trout into 804 remote lakes in a high mountain country during 1961.

Fish and game officials figured the cost of the aerial stocking program at $1.41 per thousand trout as against $20 per thousand when the fish had to be hauled in by pack train.

LEGAL NOTICES

LEGAL NOTICE FOR SALESMEN

Pursuant to the provisions of Sections 1707.01 to 1707.45, inc., R. C., notice is hereby given that on the 6 day of Nov., 1961, Charles T. Koval, residing at 5255 Keeport Drive, Pittsburgh 36, Penna., filed an application with the Division of Securities at Columbus, Ohio, for a license to act as a salesman of securities in the State of Ohio for Federated Investors Corporation, Pittsburgh 22, Penna. All persons concerned will take notice that action on said application will not be taken by the Division for at least seven days from the date of this advertisement.
CHARLES T. KOVAL
E. L. Review: Nov. 6, 1961.

Five salable articles are stored away in the average home and never used. Make a survey of your own attic, garage, basement and closets. Dust off your store-aways and change them into crisp new dollars. There never was a better time to sell through a Review Want Ad.

Justice Department Slates Drive On Crime In Las Vegas

LAS VEGAS, Nev. (AP) — The U.S. Justice Department has picked Las Vegas as the launching site for a new drive against national crime syndicates.

The chairman of the State Gaming Control Board, Ed Olsen of Reno, immediately promised to support the drive. But he said the Washington announcement of the investigation sounded "just a little bit sensational."

Justice Department officials in Washington announced Sunday Atty. Gen. Robert F. Kennedy has ordered a systematic investigation to determine: (1.) The extent to which syndicated crime leaders are using Las Vegas as a meeting place; (2). Whether a race track wire service is being run here for bookmakers throughout the country; (3). The backgrounds of some gambling casino operators.

Olsen said the attorney general has been interested in Nevada for some time "and we've been working in close cooperation with Mr. Kennedy."

"The state is just as interested in uprooting racketeers—if any are here—as he is," Olsen said.

Olsen said his agents—more than 50 of them—"Keep track of national underworld figures that come to Las Vegas."

"If meetings of any significance (involving crime leaders) occurred in Nevada, we'd likely know about them."

Las Vegas has long been under scrutiny of federal agents. But until Congress recently passed legislation directed at syndicates, a Justice Department official said, these agents could do little more than look for hoodlum interests in Las Vegas enterprises and investigate possible income tax violations. The new laws, among other things, prevent racketeers from crossing state lines in pursuit of unlawful activities.

Peace Talks Recessed In Milk Strike

NEW YORK (AP) — Lengthy peace talks in a Teamsters Union strike that has caused a 13-day milk drought in the city and on Long Island were recessed early today after management negotiators claimed exhaustion.

Mayor Robert F. Wagner called a temporary halt at 3:30 a.m.—12½ hours after the start of joint sessions that he had said would continue until a settlement was reached.

The Teamsters had sought a $7 a week across-the-board pay increase. Management had offered a $9.10 package over two years.

The walkout of 10,000 milk truck drivers and plant workers has shut off the normal daily flow of eight million quarts of milk to 10 million residents of the city and Nassau and Suffolk counties, both on Long Island.

Shipment of milk here for general consumption—from dealers in a five-state area cleared by City Health Department officials—has brought a threat from the state Teamsters Union president to spread the strike to upstate New York.

Stanton Sets Program For 'Education Week'

Schools in the Stanton Local District will observe American Education Week Thursday, Supt. C. P. Henderson announced today.

Classes will be dismissed at 2 p. m., after which parents may confer with teachers and inspect the classromos.

The buildings at Irondale and Hammondsville and the Edison Elementary School will participate in the observance, Supt. Henderson said.

Defense Committee Fights Extradition Of Woman, 34

CLEVELAND (AP) — A group called the Monroe Defense Committee is conducting a campaign to help fight extradition of a Negro woman who has been charged with kidnaping in Monroe, N.C., in connection with a racial incident.

Leaders of the group's Cleveland chapter circulated a petition at a rally Sunday night asking Gov. Michael V. DiSalle to prevent the extradition of Mrs. Mae Mallory, 34, arrested here Oct. 12 by FBI agents.

The committee also is raising funds to provide legal assistance for Mrs. Mallory.

The Negro woman told the rally the white couple allegedly kidnaped were merely detained. "The couple admitted later they were detained . . . for their own protection," she said. "They were not hurt and left of their own free will."

She said she went from New York to Monroe at the invitation of Robert F. Williams, a Monroe leader of the National Association for the Advancement of Colored People. On Oct. 27 there were racial disturbances, and the white couple was detained at the Williams home by a Negro crowd but not harmed, Mrs. Mallory said.

A few days later, Monroe police charged Mrs. Mallory, Williams and one other person with kidnaping. Williams fled to Havana and was granted political asylum by the Cuban government.

Mrs. Mallory is free on $7,500 bond pending an extradition hearing set for Nov. 22.

Kentucky Waits Tuesday's Vote On Legislators

FRANKFORT, Ky. (AP)—With most of the legislative seats decided without opposition, Democratic and Republican nominees will compete in 49 races in Tuesday's election.

Fifty-six representatives and 14 senators are unopposed, meaning voters will fill 44 seats in the House and five in the Senate.

The other 19 senators are holdover who have two years remaining in their four-year terms.

Of the party nominees with no opponents, the Republicans claim only two in the Senate and nine in the House.

Heated races for city and county offices should pull a sizeable vote to the polls, which open at 7 a.m. and close at 5 p.m., local standard time.

Wide attention has been focused on the contest for sheriff of Campbell County, where reform-minded groups are backing George Ratterman as an independent candidate.

Ratterman, former pro football player, is running against regular party nominees—Democrat John Peluso and Republican Al Howe, a former sheriff.

DiSalle Sets Up Scholarship For OSU Journalism

COLUMBUS, Ohio (AP) — Gov. Michael V. DiSalle will present a $7,500 perpetual scholarship to the Ohio State University School of Journalism Saturday during the 31st annual convention of the Journalism Association of Ohio Schools.

Director George J. Kienzle of the school said the award will be called "the Michael V. DiSalle Scholarship for Responsible Journalism." It will provide $300 a year to an outstanding journalism student.

The presentation will be made at a luncheon in the Ohio Union, where the governor will speak on "True Objectivity in Journalism." More than 650 high school students, journalism advisers and professional newsmen will attend.

The DiSalle scholarship was endowed by more than 1,000 Ohioans early this year in recognition of "objective coverage" of the 1960 presidential campaign by the Ohio State Lantern, student newspaper.

4 Attend Session Of Ruritan Clubs

A delegation of four from the Liverpool - Calcutta Ruritan Club attended the Ohio District Ruritan Convention Saturday at Conotton Valley High School in Harrison County.

A total of 365 attended business meetings in the afternoon and a banquet in the evening. Floyd Lower, national vice president, was principal speaker.

Representing the local club were Richard G. Brian, president, Harold Howard, treasurer, James Boyd and Harold Gallimore.

Boyd served as chairman of a school bus safety committee. Many of the committee's recommendations are covered in revisions made pertaining to the state's new "minimum standards" for school buses, Boyd said.

Seventy new clubs, including eight in the local club's district, were organized the past year, it was reported.

The local club will meet Nov. 13 in the Calcutta Grange Hall. Dean Wilhelm will be in charge of the program for a "Ladies Night" observance.

A vote for Bert H. Goodballet will insure continuance of brick paving projects, such as those just completed on Lincoln Avenue; Laurel Lane; Grant, Florence, Auburn, Jackson, Sanford, Edgewood and Fairmont Streets; Dry, Russett, Baldwin, Aten, Cherry and East Alleys; Perry and Henry Avenues as well as numerous paved gutters. This brick work, using salvaged paving brick from the highway project, will last for many years and will correct former washout trouble spots.

Another accomplishment of this administration was the revision of the traffic lights on Pennsylvania and Harvey Avenues to the blinker system to faciliate mill traffic at night.

Justice Department Slates Drive On Crime In Las Vegas

LAS VEGAS, Nev. (AP) — The U.S. Justice Department has picked Las Vegas as the launching site for a new drive against national crime syndicates.

The chairman of the State Gaming Control Board, Ed Olsen of Reno, immediately promised to support the drive. But he said the Washington announcement of the investigation sounded "just a little bit sensational."

Justice Department officials in Washington announced Sunday Atty. Gen. Robert F. Kennedy has ordered a systematic investigation to determine: (1.) The extent to which syndicated crime leaders are using Las Vegas as a meeting place; (2). Whether a race track wire service is being run here for bookmakers throughout the country; (3). The backgrounds of some gambling casino operators.

Olsen said the attorney general has been interested in Nevada for some time "and we've been working in close cooperation with Mr. Kennedy."

"The state is just as interested in uprooting racketeers—if any are here—as he is," Olsen said.

Olsen said his agents—more than 50 of them—"Keep track of national underworld figures that come to Las Vegas."

"If meetings of any significance (involving crime leaders) occurred in Nevada, we'd likely know about them."

Las Vegas has long been under scrutiny of federal agents. But until Congress recently passed legislation directed at syndicates, a Justice Department official said, these agents could do little more than look for hoodlum interests in Las Vegas enterprises and investigate possible income tax violations. The new laws, among other things, prevent racketeers from crossing state lines in pursuit of unlawful activities.

Peace Talks Recessed In Milk Strike

NEW YORK (AP) — Lengthy peace talks in a Teamsters Union strike that has caused a 13-day milk drought in the city and on Long Island were recessed early today after management negotiators claimed exhaustion.

Mayor Robert F. Wagner called a temporary halt at 3:30 a.m.—12½ hours after the start of joint sessions that he had said would continue until a settlement was reached.

The Teamsters had sought a $7 a week across-the-board pay increase. Management had offered a $9.10 package over two years.

The walkout of 10,000 milk truck drivers and plant workers has shut off the normal daily flow of eight million quarts of milk to 10 million residents of the city and Nassau and Suffolk counties, both on Long Island.

Shipment of milk here for general consumption—from dealers in a five-state area cleared by City Health Department officials—has brought a threat from the state Teamsters Union president to spread the strike to upstate New York.

Stanton Sets Program For 'Education Week'

Schools in the Stanton Local District will observe American Education Week Thursday, Supt. C. P. Henderson announced today.

Classes will be dismissed at 2 p. m., after which parents may confer with teachers and inspect the classromos.

The buildings at Irondale and Hammondsville and the Edison Elementary School will participate in the observance, Supt. Henderson said.

Defense Committee Fights Extradition Of Woman, 34

CLEVELAND (AP) — A group called the Monroe Defense Committee is conducting a campaign to help fight extradition of a Negro woman who has been charged with kidnaping in Monroe, N.C., in connection with a racial incident.

Leaders of the group's Cleveland chapter circulated a petition at a rally Sunday night asking Gov. Michael V. DiSalle to prevent the extradition of Mrs. Mae Mallory, 34, arrested here Oct. 12 by FBI agents.

The committee also is raising funds to provide legal assistance for Mrs. Mallory.

The Negro woman told the rally the white couple allegedly kidnaped were merely detained. "The couple admitted later they were detained . . . for their own protection," she said. "They were not hurt and left of their own free will."

She said she went from New York to Monroe at the invitation of Robert F. Williams, a Monroe leader of the National Association for the Advancement of Colored People. On Oct. 27 there were racial disturbances, and the white couple was detained at the Williams home by a Negro crowd but not harmed, Mrs. Mallory said.

A few days later, Monroe police charged Mrs. Mallory, Williams and one other person with kidnaping. Williams fled to Havana and was granted political asylum by the Cuban government.

Mrs. Mallory is free on $7,500 bond pending an extradition hearing set for Nov. 22.

Kentucky Waits Tuesday's Vote On Legislators

FRANKFORT, Ky. (AP)—With most of the legislative seats decided without opposition, Democratic and Republican nominees will compete in 49 races in Tuesday's election.

Fifty-six representatives and 14 senators are unopposed, meaning voters will fill 44 seats in the House and five in the Senate.

The other 19 senators are holdover who have two years remaining in their four-year terms.

Of the party nominees with no opponents, the Republicans claim only two in the Senate and nine in the House.

Heated races for city and county offices should pull a sizeable vote to the polls, which open at 7 a.m. and close at 5 p.m., local standard time.

Wide attention has been focused on the contest for sheriff of Campbell County, where reform-minded groups are backing George Ratterman as an independent candidate.

Ratterman, former pro football player, is running against regular party nominees—Democrat John Peluso and Republican Al Howe, a former sheriff.

DiSalle Sets Up Scholarship For OSU Journalism

COLUMBUS, Ohio (AP) — Gov. Michael V. DiSalle will present a $7,500 perpetual scholarship to the Ohio State University School of Journalism Saturday during the 31st annual convention of the Journalism Association of Ohio Schools.

Director George J. Kienzle of the school said the award will be called "the Michael V. DiSalle Scholarship for Responsible Journalism." It will provide $300 a year to an outstanding journalism student.

The presentation will be made at a luncheon in the Ohio Union, where the governor will speak on "True Objectivity in Journalism." More than 650 high school students, journalism advisers and professional newsmen will attend.

The DiSalle scholarship was endowed by more than 1,000 Ohioans early this year in recognition of "objective coverage" of the 1960 presidential campaign by the Ohio State Lantern, student newspaper.

4 Attend Session Of Ruritan Clubs

A delegation of four from the Liverpool - Calcutta Ruritan Club attended the Ohio District Ruritan Convention Saturday at Conotton Valley High School in Harrison County.

A total of 365 attended business meetings in the afternoon and a banquet in the evening. Floyd Lower, national vice president, was principal speaker.

Representing the local club were Richard G. Brian, president, Harold Howard, treasurer, James Boyd and Harold Gallimore.

Boyd served as chairman of a school bus safety committee. Many of the committee's recommendations are covered in revisions made pertaining to the state's new "minimum standards" for school buses, Boyd said.

Seventy new clubs, including eight in the local club's district, were organized the past year, it was reported.

The local club will meet Nov. 13 in the Calcutta Grange Hall. Dean Wilhelm will be in charge of the program for a "Ladies Night" observance.
